HOW TO READ MANGA!

Hi there! My name is **Majoko,** and this is my book - **The Big Adventures of Majoko!** It is a comic book originally created in the country of **Japan,** where comics are called **manga.**

A manga book is read from **right-to-left,** which is **backwards** from the normal books you know. This means that you will find the first page where you expect to find the last page! It also means that each page begins in the top right corner.

If you have never read a manga book before, here is a helpful guide to get you started!

Friends From Magic School
Though Majoko will sometimes get into fights with these three, they are her best friends at magic school.
Mahota
Majohra
Majon
Majoko's Mother
A powerful witch and a dependable mom, Majoko's mother can be very scary when angry.

THE STORY SO FAR

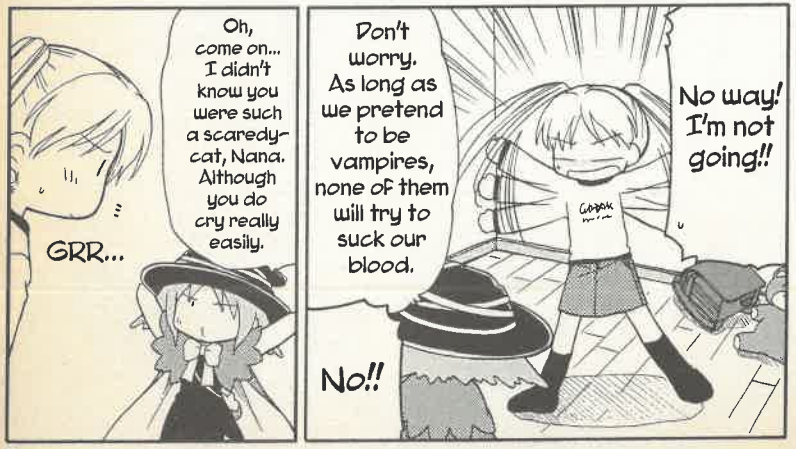
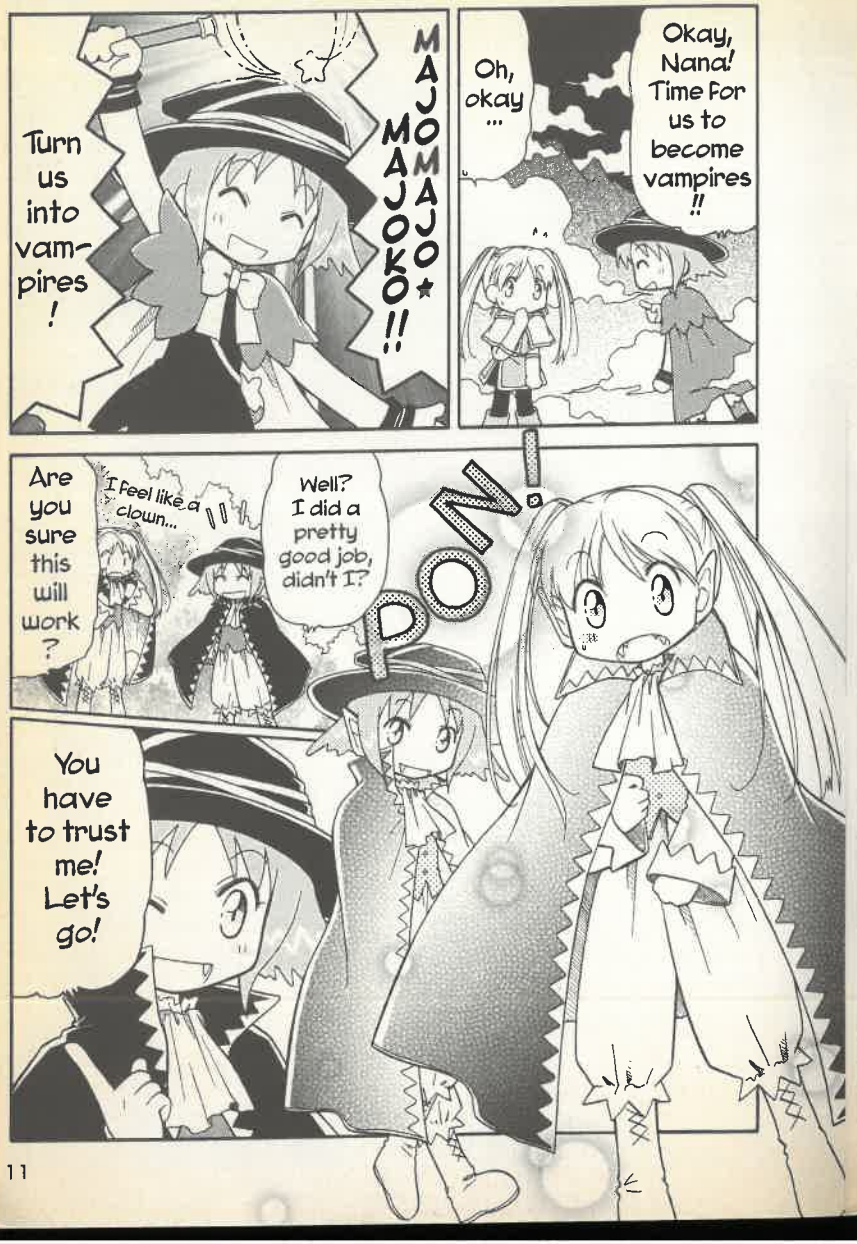
I look pretty good, don't I? I was watching this Vampire movie on TV, and thought I'd transform into one.
POP!
No, uh... I'm okay.



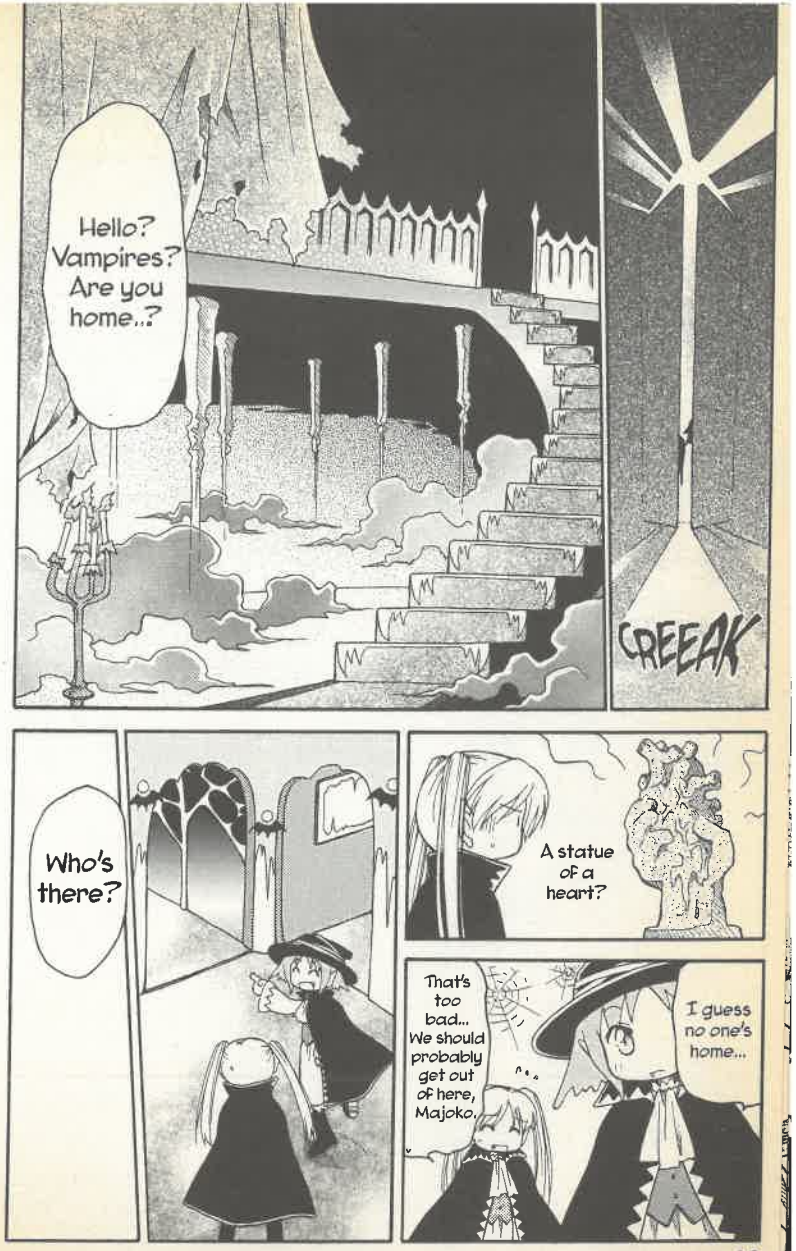
GRR...
Oh, come on... I didn't know you were such a scaredy-cat, Nana. Although you do cry really easily.
Don't worry. As long as we pretend to be vampires, none of them will try to suck our blood.
No!!
No way! I'm not going!!

Chapter 16
The Three Young Vampires Part 1



MAJOMAJO★
MAJOKO!!
Turn us into vam-pires!
Okay, Nana! Time for us to become vampires!!
Oh, okay...
PON!
Are you sure this will work?
I feel like a clown...
Well? I did a pretty good job, didn't I?
You have to trust me! Let's go!

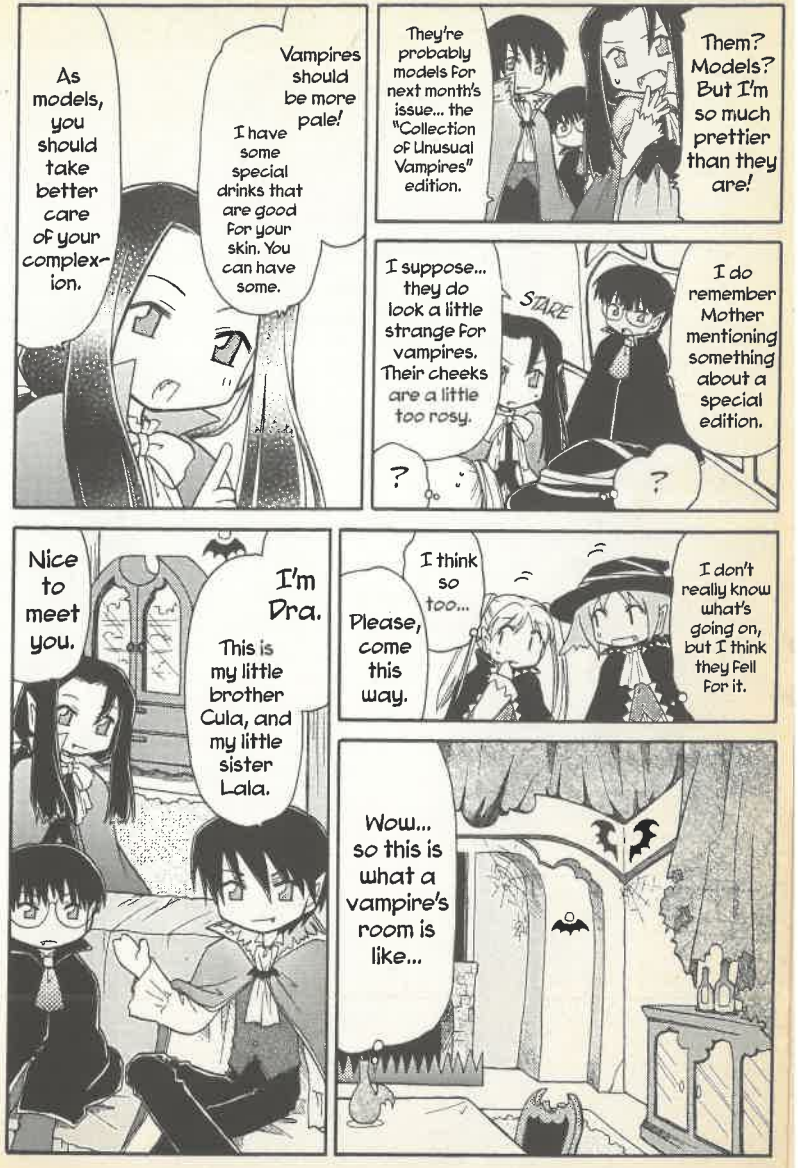
TUP
We're here, Nana!
I'm not as scared as Majoko and my Dad say, though...
How did she con-vince me to tag along...?
The vampire mansion looks so cool!
Eep... It looks so scary!!



Hello? Vampires? Are you home..?
CREEAK
Who's there?
A statue of a heart?
That's too bad... We should probably get out of here, Majoko.
I guess no one's home...

He's a little small, but he's still pretty cool!
It's a vampire!
Uhm... er...
Who?
GASP Who are you two!? Were you sent by Zozoh!?
Oh, yes! We're guests!
What's going on? Do we have guests?
If you're here to see my mother, I'm assuming you're models for the "Monthly Vampire Magazine"?
I see, you're my mother's guests... She's away at a party right now, but you can wait for her in one of the rooms.

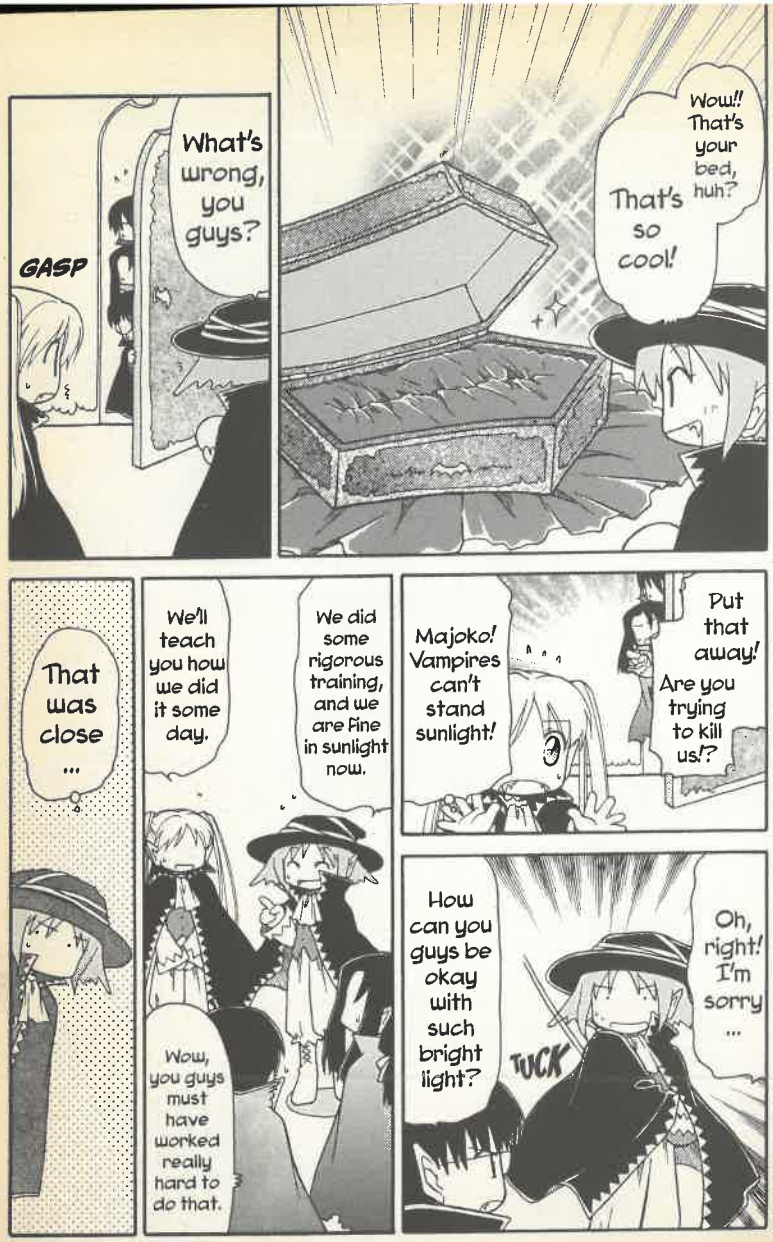
PLINK
Here you are.
You do look a little unusual, but you sure are cute! I guess that's to be expected of models.
.....
Could I get your autographs?
DUN DUN
Blood!?
This is some of our most expensive blood. It'll do wonders for your skin.
It's so red...
What is this?
What strange names...
HAJOKO
NANA



As models, you should take better care of your complexion.
Vampires should be more pale!
I have some special drinks that are good for your skin. You can have some.
They're probably models for next month's issue... the "Collection of Unusual Vampires" edition.
Them? Models? But I'm so much prettier than they are!
I suppose... they do look a little strange for vampires. Their cheeks are a little too rosy.
STARE
I do remember Mother mentioning something about a special edition.
Nice to meet you.
I'm Dra.
This is my little brother Cula, and my little sister Lala.
Please, come this way.
I think so too...
I don't really know what's going on, but I think they fell for it.
Wow... so this is what a vampire's room is like...

I can't believe it.
You sure are unusual ...
HA HA ...
We're unusual vampires, remember? We can eat garlic.
Oh, that's because ... uhm...
Come with me.
CREEAK
Sure, I'll show you around.
PHEW
This is my bedroom.
STINKY
Urk...
You know what? I'd really like to see the other rooms in your house while we're here!
How can you stand that smell?

My mom made some garlic chips for me. Why don't we eat these, too?
STINKY
They put blood in every-thing...? Ugh...
Help yourself to some blood cookies, too.
What? No, no... we'll eat them! Oh, hey...
MUNCH
Aren't you going to eat any?
You can eat garlic? Even though you're vampires?
!
You ...
?
Those reek of garlic!
STINKY

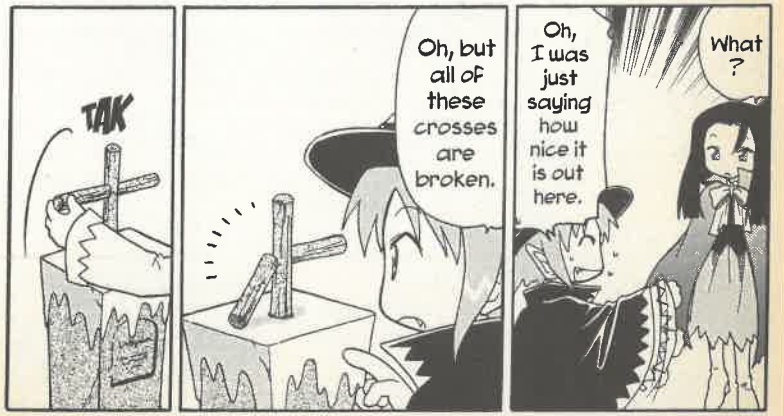


GASP
What's wrong, you guys?
Wow!! That's your bed, huh?
That's so cool!
That was close ...
We'll teach you how we did it some day.
We did some rigorous training, and we are fine in sunlight now.
Wow, you guys must have worked really hard to do that.
Majoko! Vampires can't stand sunlight!
Put that away!
Are you trying to kill us!?
How can you guys be okay with such bright light?
TUCK
Oh, right! I'm sorry ...

I know! I can use my Sunball!
It's so dark in here, I can't really see anything ...
A coffin ...?
I just got a new coffin the other day!
SHINE
YOINK
Now I can see every-thing!

This is our garden.

That's so creepy!
It's...it's full of graves...



TAK
Oh, but all of these crosses are broken.
Oh, I was just saying how nice it is out here.
What?

!!!
Majoko! Be careful with the cross!
Oh...

Don't be silly. No vampire could stand a cross, no matter how unusual they might be.
I thought you were going to say you're fine with crosses too!
Yeah, that's true.

.....

It scared you too, right? That surprised me so much!
FWISH
Oops, my hand slipped! Gosh, that was scary!!
TUNK

joko,

me!!

What's
wrong
with the
bats?
They're
acting so
strange.

vampires...

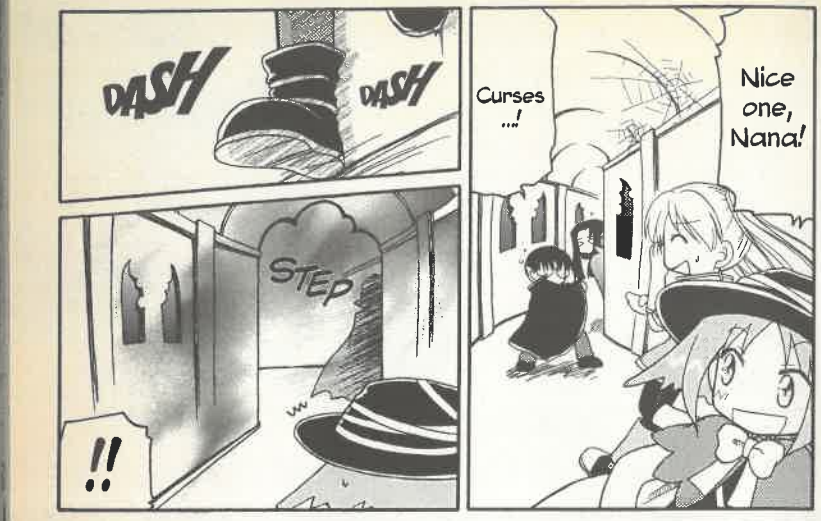
FWOOSH
EEEEEE!!?

Whoa
!!
FLAP
FLAP
EEEEEE!!?

Majoko! There's no need to go into that!
Besides, I'm the only witch. Nana is a normal human.
Hold on, who is this Zozoh you keep talking about?
I know! You guys are in league with Zozoh, aren't you? You plan to eat us, don't you!?
No, wait! We really just came to hang out...
A human? So you're a vampire hunter!? You came to destroy us?
What !?
I won't listen to any more of your lies!
We're going to catch you and eat you for dinner tomorrow night!!

You girls are humans, aren't you?
I though you two were a little strange
Why are there witches in our house!?
So you're not vampires ?
Oh, oops ...!
Is that true !?
What !?
A witch !?
Majoko !
PON!
No, wait! I'm a witch!! See?



DASH
DASH
STEP
!!

Curses ...!
Nice one, Nana!

I'm going to suck your blood!!
SHAA

You thought you could just make fools of us all and get away with it?

Get them !!

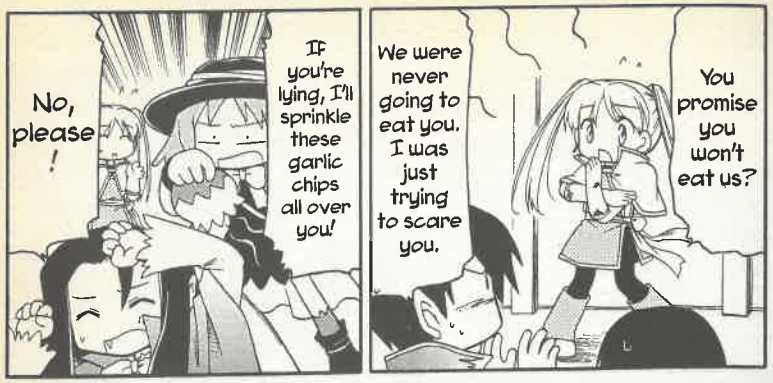
Let's get out of here, Nana!

DASH

They're catching up to us!
Stop!
This place is too big! I don't know which way to go!!

SHING
Take this... a cross!
Agh!
EEE!

TURN
Oh, I know !
!



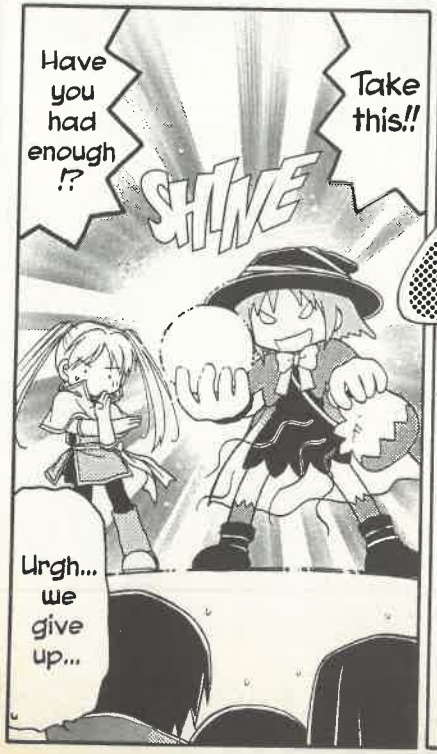
No, please!
If you're lying, I'll sprinkle these garlic chips all over you!
We were never going to eat you. I was just trying to scare you.
You promise you won't eat us?

I... I guess.
I told you we'd be fine.
Vampires aren't nearly as scary as you thought they were, Nana!

He's a monster vampire.
He's been appearing in this area lately.
You don't know Zozoh!?
Now, let's start with you telling us who Zozoh is.

Oh yeah, I had some of those chips earlier.
WOBBLE
Ugh... you stink of garlic...

STINKY
Eek!!
!!



Have you had enough!?
Take this!!
SHINE
Urgh... we give up...

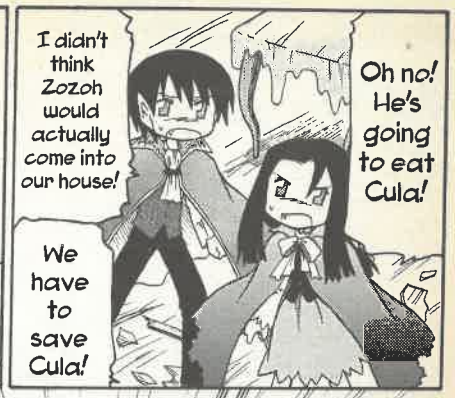
In that case...
GRIN

POOF
Cula !
GRAB
No !!
!!
Cula !
It's Zozoh !!
He turns into a huge bat and eats witches, humans, and even young vampires!
A huge bat like that one?
Yes, actually ...
CRASH

There, we met the vampire siblings Dra, Cula, and Lala.
Majoko and I went to visit a vampire mansion.
They were telling us about this big scary vampire called Zozoh...

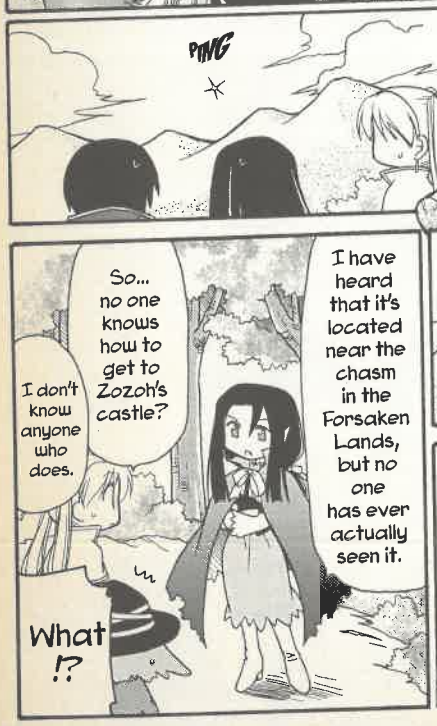
We decided to help Dra and Lala rescue Cula, but...
But then we were actually attacked by Zozoh, and he took Cula away!

What?
We'll help you get him back!

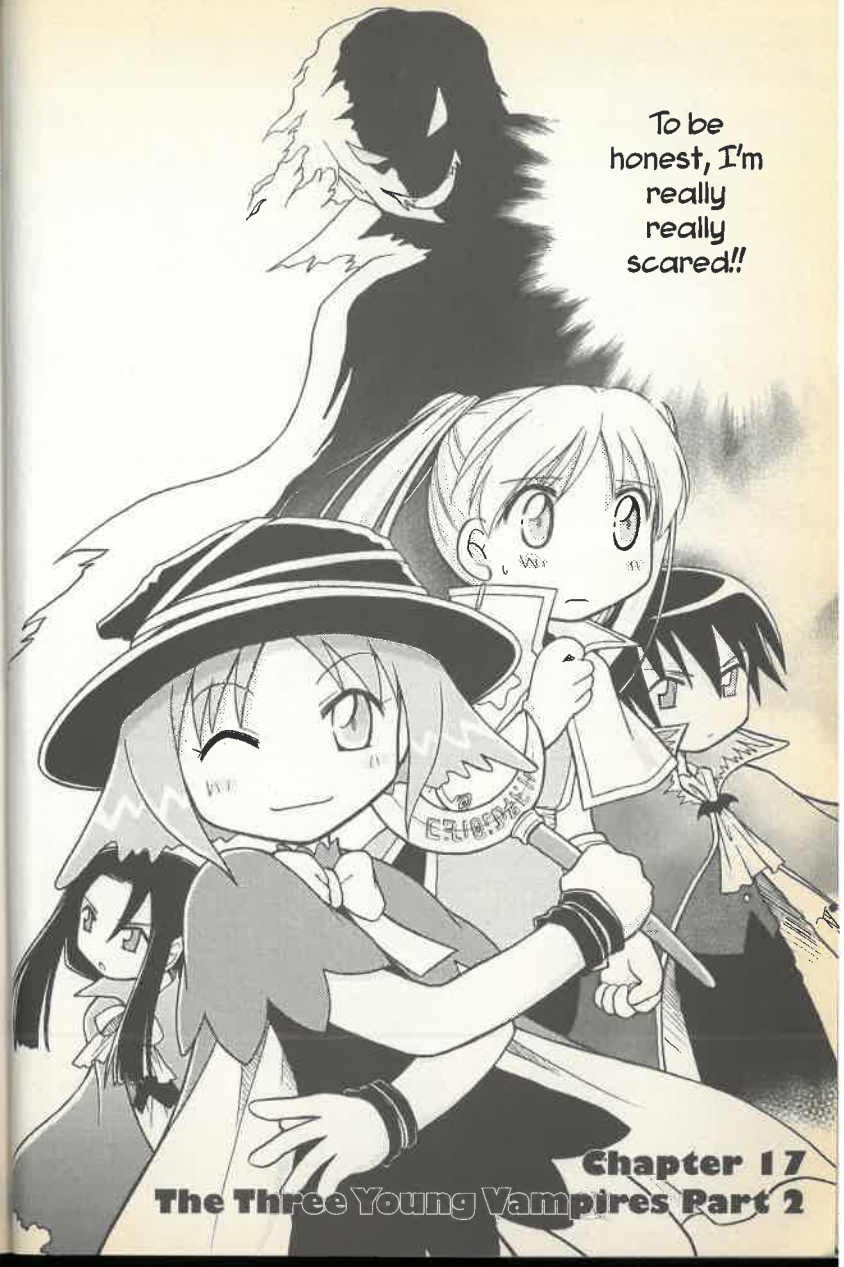


I didn't think Zozoh would actually come into our house!
Oh no! He's going to eat Cula!
We have to save Cula!

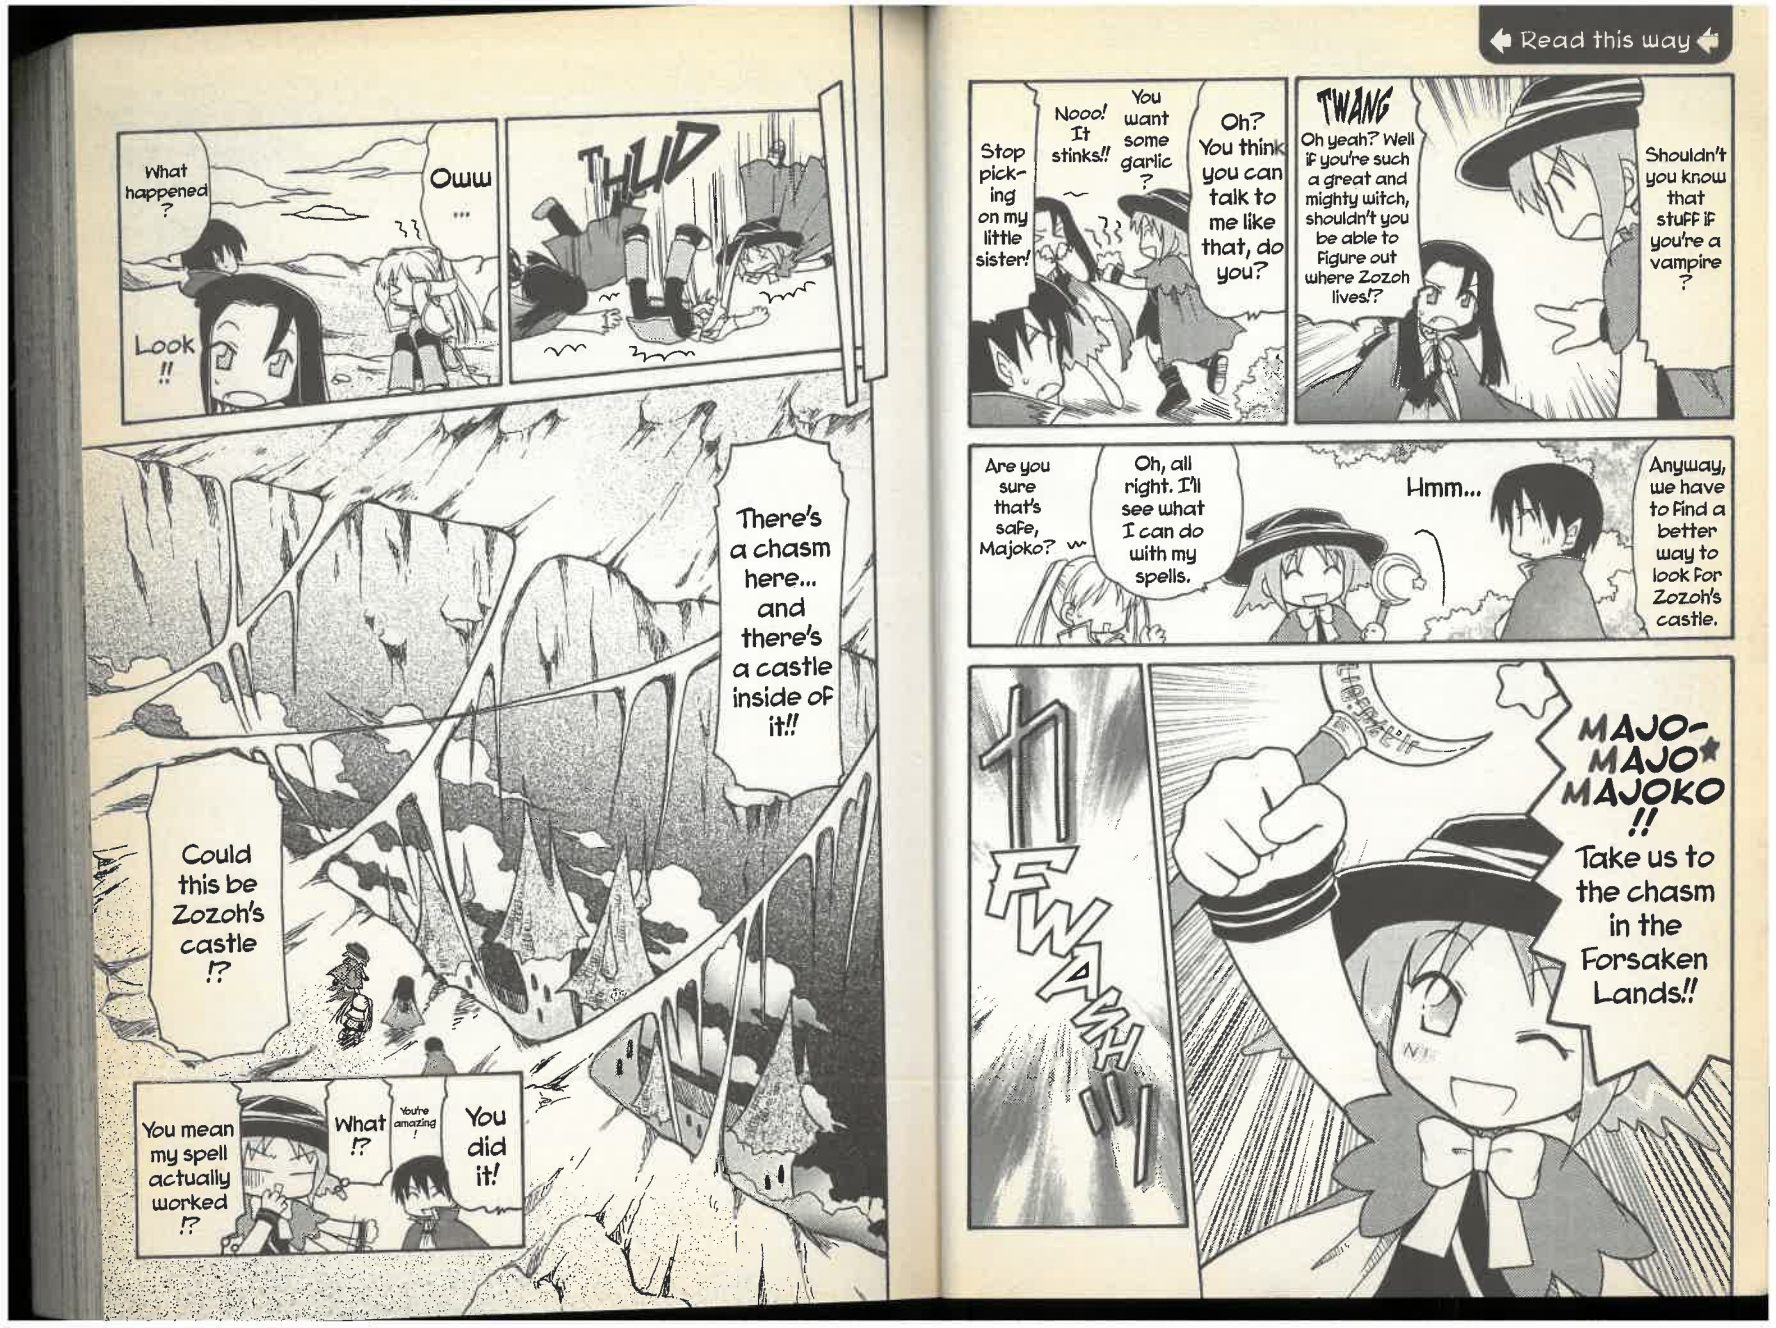
How can you say that when your brother is in danger? Just let us help, okay?
We don't need your help, witch!
Let's go rescue Cula!!
END CHAPTER 16



I don't know anyone who does.
So... no one knows how to get to Zozoh's castle?
I have heard that it's located near the chasm in the Forsaken Lands, but no one has ever actually seen it.
What!?



Chapter 17
The Three Young Vampires Part 2



What happened?
Owww...
Look!!
THUD
There's a chasm here... and there's a castle inside of it!!
Could this be Zozoh's castle!?
You mean my spell actually worked!?
What!?
You're amazing!
You did it!
Stop picking on my little sister!
Nooo! It stinks!!
You want some garlic?
Oh? You think you can talk to me like that, do you?
TWANG
Oh yeah? Well if you're such a great and mighty witch, shouldn't you be able to figure out where Zozoh lives!?
Shouldn't you know that stuff if you're a vampire?
Are you sure that's safe, Majoko?
Oh, all right. I'll see what I can do with my spells.
Hmm...
Anyway, we have to find a better way to look for Zozoh's castle.
FWASH!!
MAJO-MAJO★MAJOKO!!
Take us to the chasm in the Forsaken Lands!!
Read this way

Don't worry... I will drink your blood after I have taken care of these intruders.
Hey, where are you going!?
I suppose I will go and welcome them to my home...
FWIP

Dra! Lala!... But what are the witch and human doing here?

I hope they'll be okay...

STEP STEP
Someone's coming!
Is it Zozoh!?
STEP STEP
Well, it is Zozoh's castle, after all.
This place is bigger than our house.

We have our Bat Backpacks with us, so we'll be fine.
Cool!

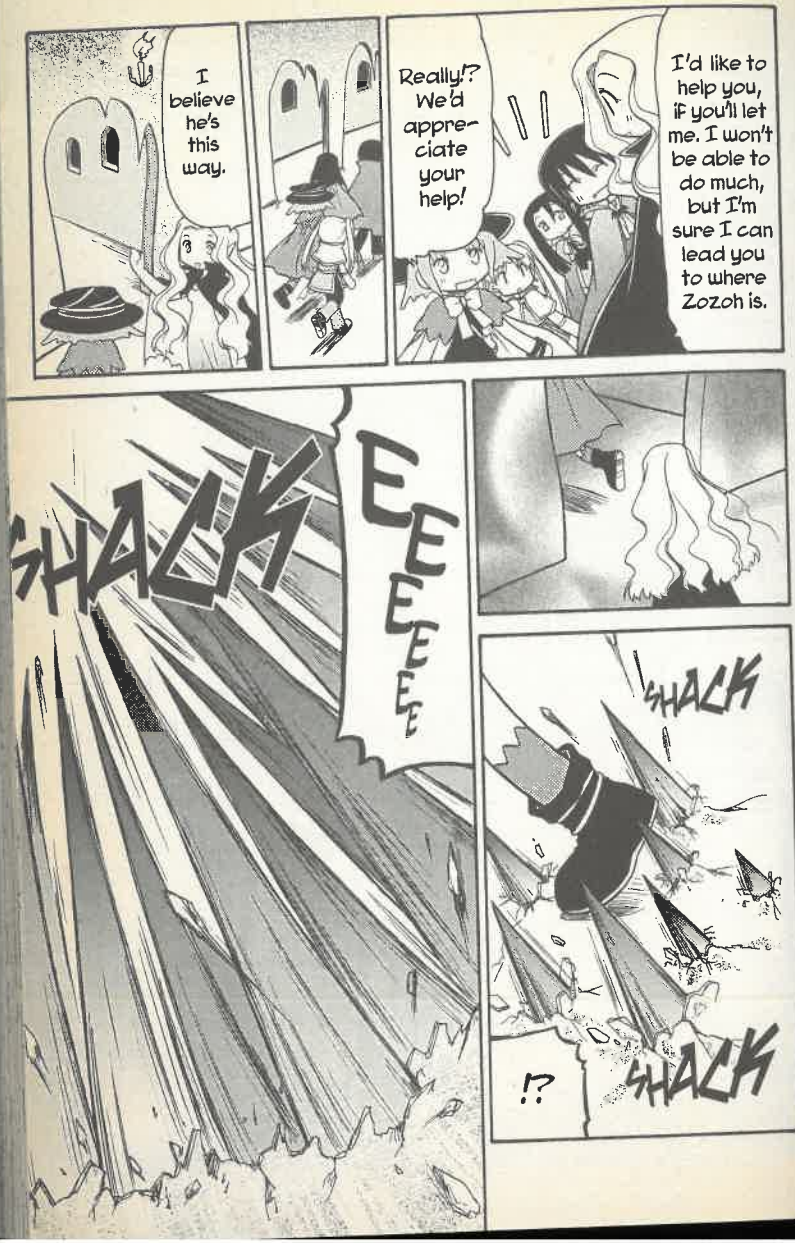
But... how are we going to get down there?
Wooo

We can ride on my broomstick, but what are you two going to do?

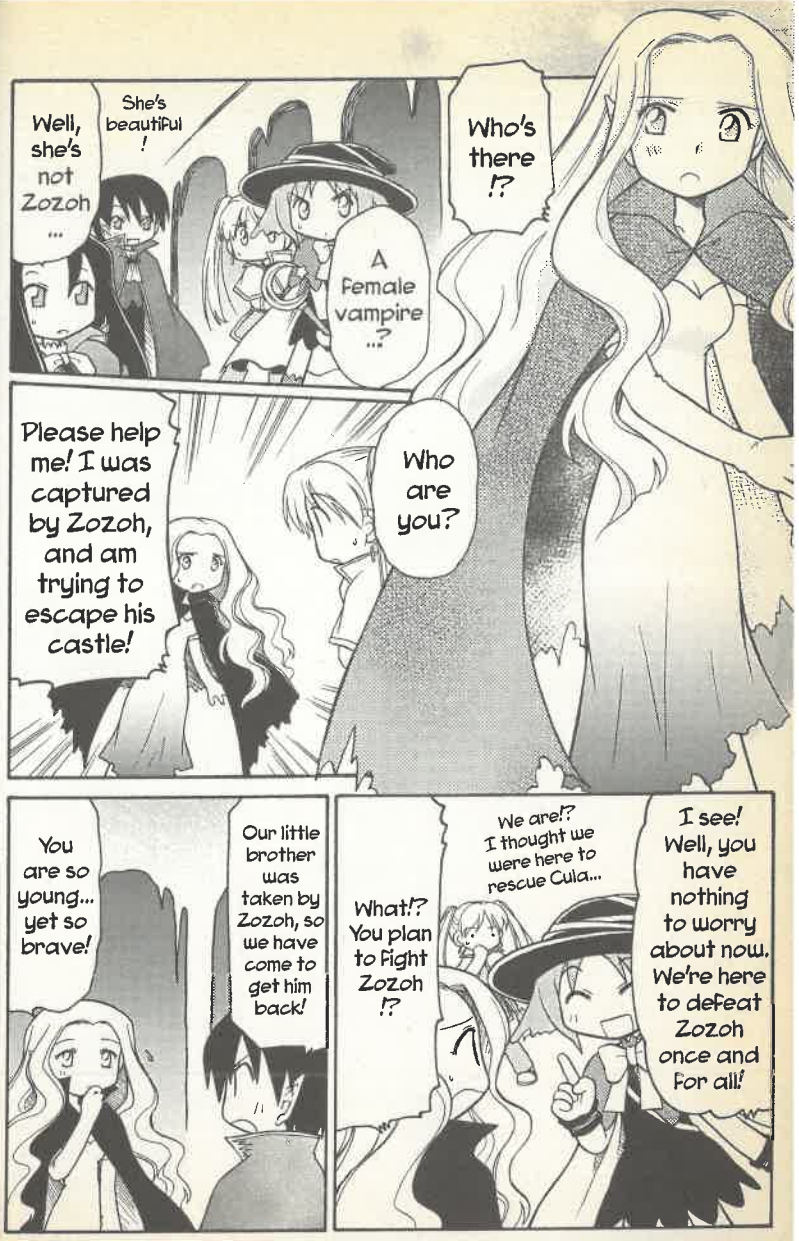
Hmm...
It seems they have come to rescue you...
Fools.

If I give you it to you, I wouldn't have a way to get down there...
I want to use a Bat Backpack too! Can I borrow yours?

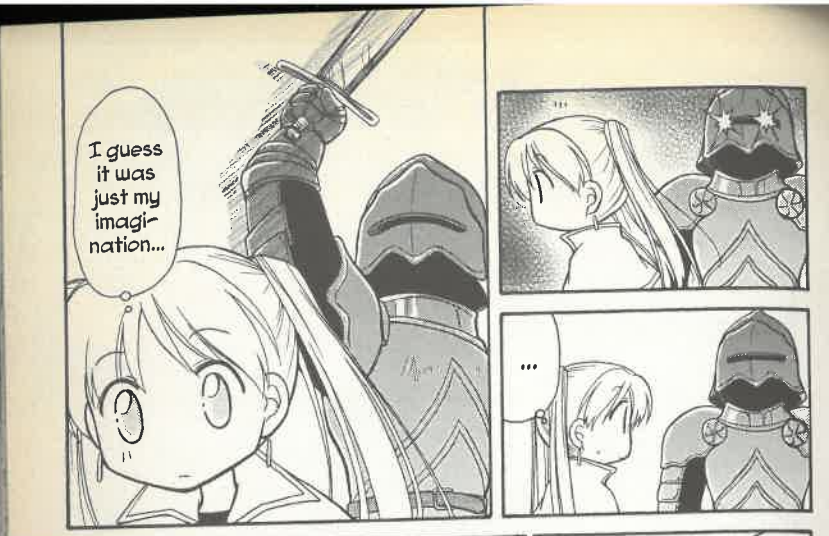
Aw, shucks. Let's go, Nana.



I believe he's this way.
Really!? We'd appreciate your help!
I'd like to help you, if you'll let me. I won't be able to do much, but I'm sure I can lead you to where Zozoh is.
SHACK
EEEEEE
SHACK
!?
SHACK



Well, she's not Zozoh ...
She's beautiful!
A female vampire ...?
Who's there!?
Please help me! I was captured by Zozoh, and am trying to escape his castle!
Who are you?
You are so young... yet so brave!
Our little brother was taken by Zozoh, so we have come to get him back!
What!? You plan to fight Zozoh!?
We are!? I thought we were here to rescue Cula...
I see! Well, you have nothing to worry about now. We're here to defeat Zozoh once and for all!



I guess it was just my imagi-nation...

...

HOP!!

SLASH
Nana !?
What ?
EEP !!

HING
No way !!

Is every-one all right?
Some-how, yes...

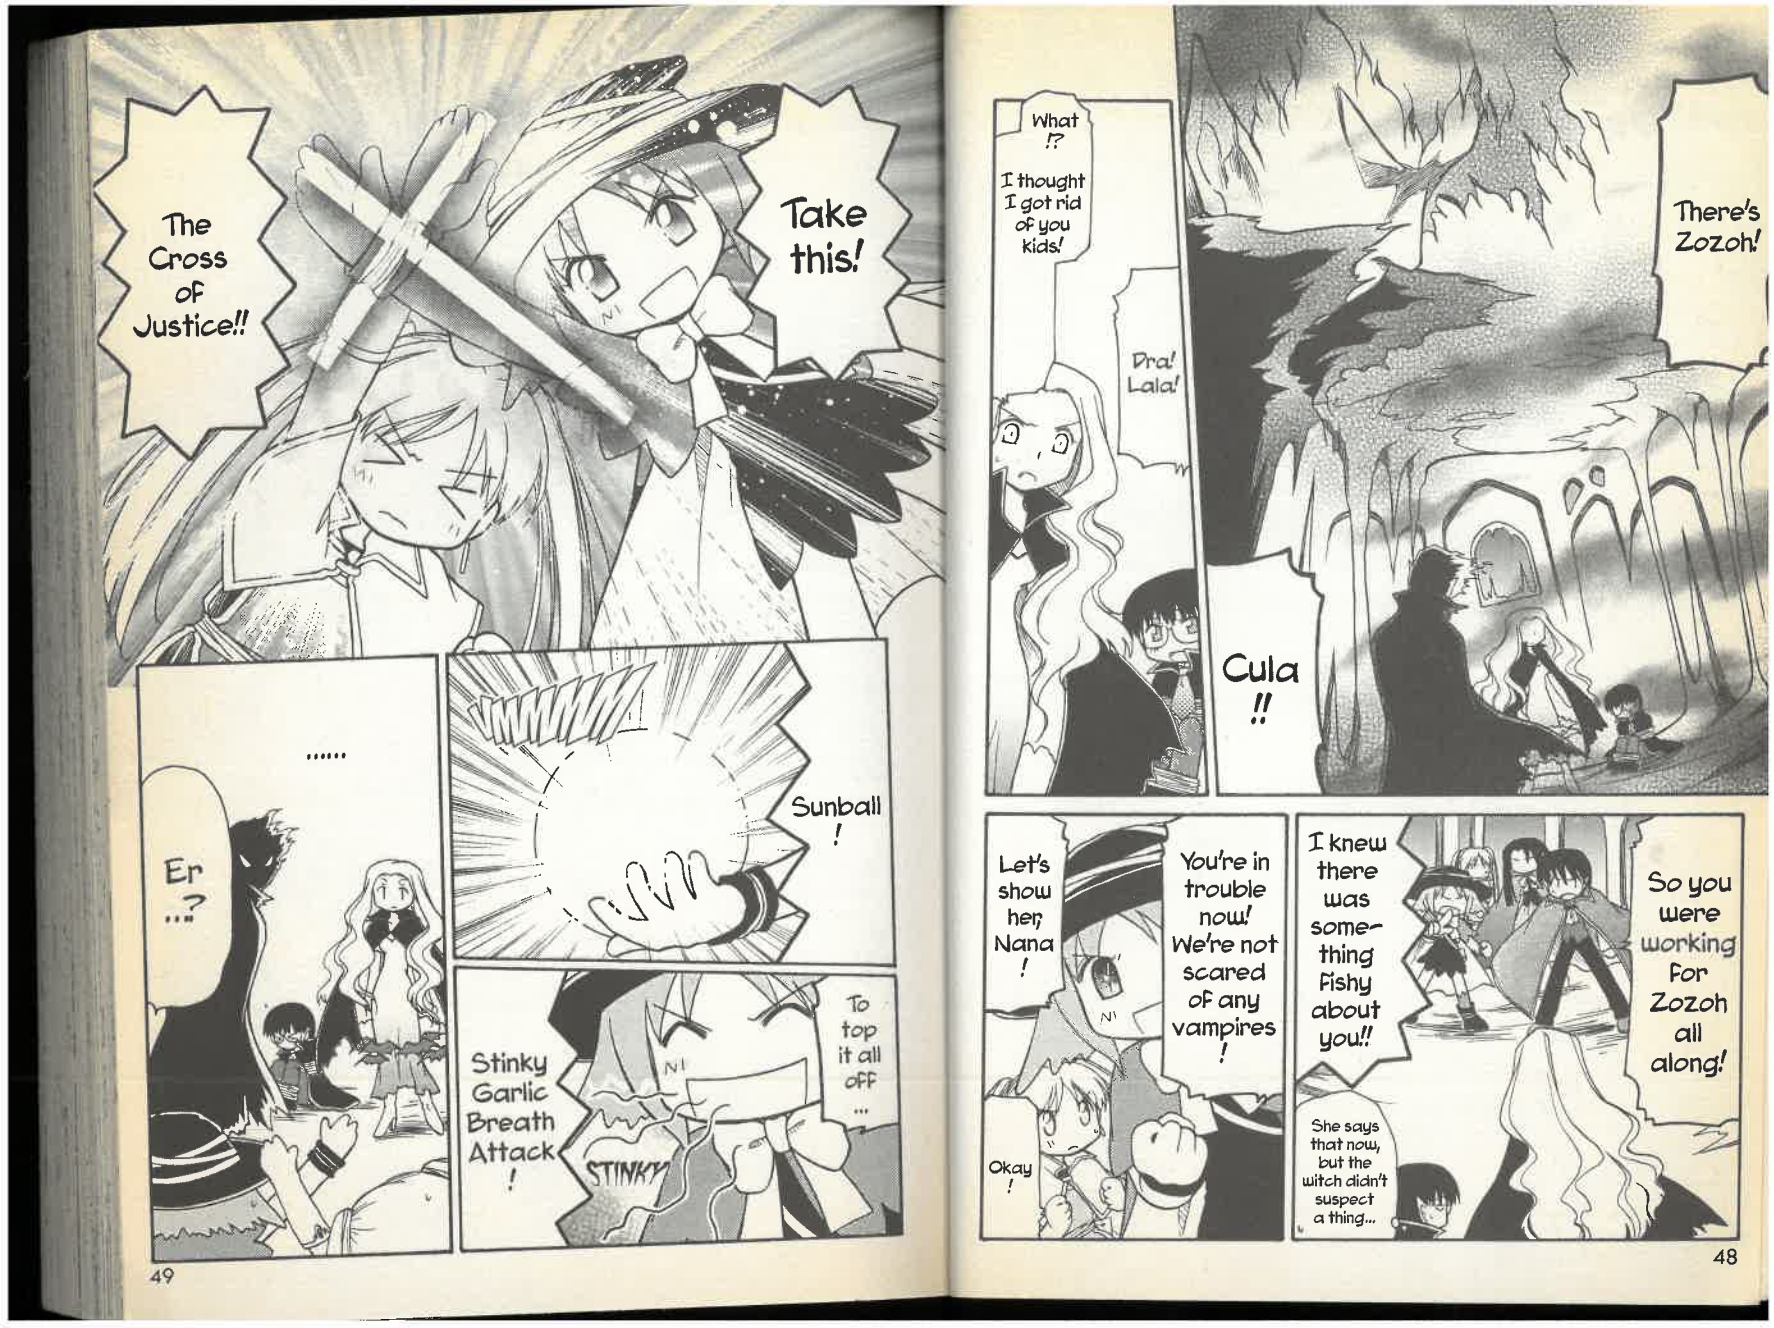
That... was... close.

Wow, what a long hallway !

Okay, let's give it a try.
I believe it was down this hallway over here...

But now I see that even humans can be our allies.
When we found out that you two weren't really vampires, I thought you were our enemies.
Uhm... Thank you for saving me.
You can't trust her!
No, Dra!! She's not who you think she is!
DASH
I'm here!
Hey, where's that other vampire?
I'm sorry I was separated from you... but I think I saw Zozoh over there!
Really!?
Oh, I'm glad you're okay.
CLANG!
Leave it to me!
Now's our chance! Come this way!
Dra!!
HOHO! Any man should know a little swords-manship.
Great job, Dra!
Just get over here, will you!?
SPLIT IN TWO
SOB My mom's going to be so mad at me...
SLASH

We're lucky we had our Bat Back-packs with us ...
Hey !!
SLAM
DASH
No way. She wouldn't do some-thing like that!
It must have been that woman!
Did you feel someone push us?
She probably went on ahead to face Zozoh on her own! We should go after her!!
But... where did she go?
SHOVE
It's so deep, I can't see the bottom ...
So Zozoh is in this hole?
.....
GRIN
EEEEE!



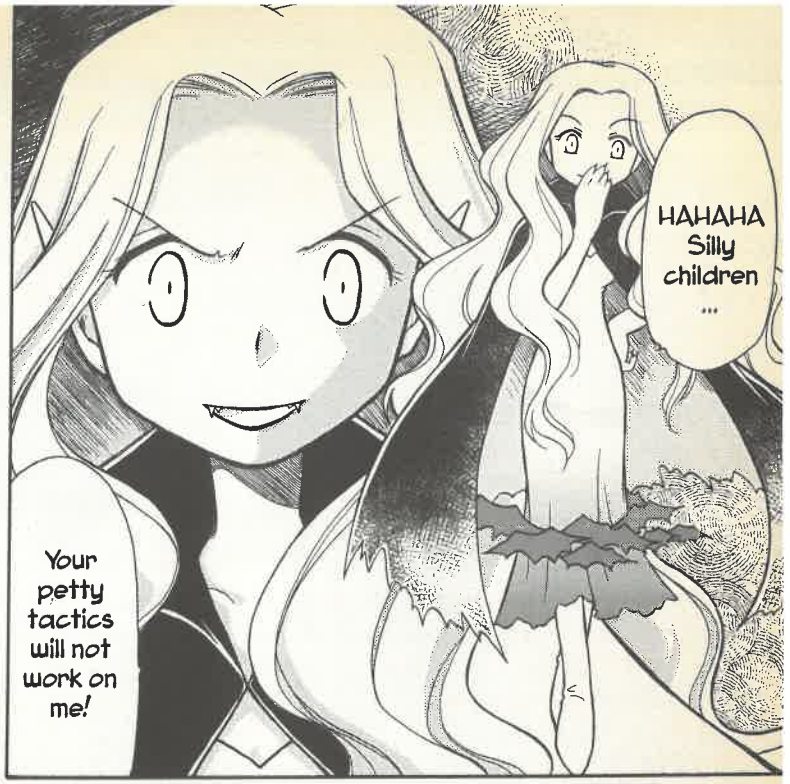
There's Zozoh!
Cula !!
What !?
I thought I got rid of you kids!
Dra! Lala!
I knew there was something fishy about you!!
So you were working for Zozoh all along!
She says that now, but the witch didn't suspect a thing...
Let's show her, Nana !
You're in trouble now! We're not scared of any vampires !
Okay !
The Cross of Justice!!
Take this!
.....
Er ...?
Sunball !
Stinky Garlic Breath Attack !
STINKY!
To top it all off ...

Zozoh!
Destroy them!!
オオオオ

I wonder if my broken wand will still work...

He may be able to abduct vampire children, but he shouldn't be able to hurt us!
Just a bat!?
That means the same rules should apply to him as any ordinary bat!

This strange woman has a spell cast on him, but maybe if you could break the spell...
How could you know about that!?
Wait, Dra! Zozoh is actually just a bat!

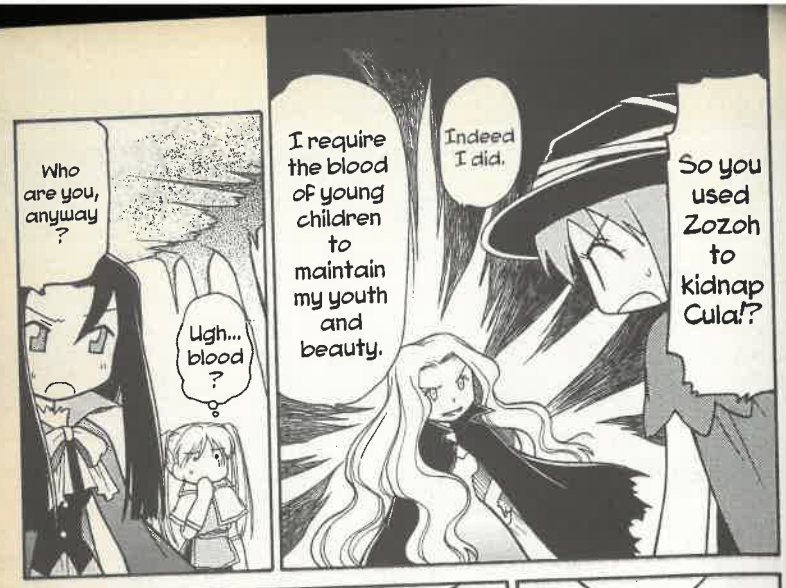


HAHAHA Silly children ...
Your petty tactics will not work on me!

Zozoh is not my master. He is my slave!
Besides, you kids have got it all wrong...

Maybe this old lady is tougher than we thought!
What!? How can a cross not affect her!?

TWITCH
Old ..?



Who are you, anyway?
Ugh... blood?
I require the blood of young children to maintain my youth and beauty.
Indeed I did.
So you used Zozoh to kidnap Cula!?

Why don't you just watch me drink your brother's blood?
Don't worry, I will get around to all of you soon enough.
Let Cula go!!

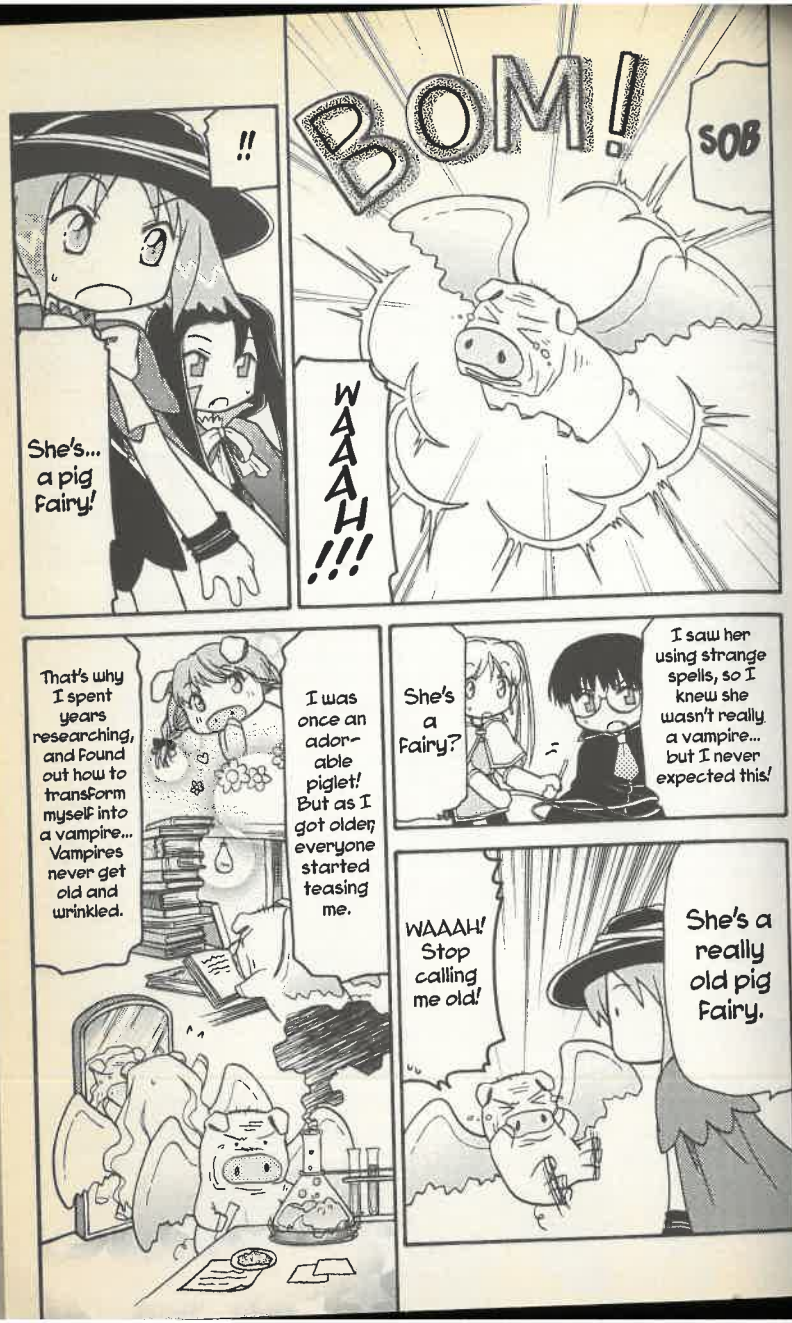
!
GRAB
I'm sorry, but I don't have time to chat with you.

HEH HEH HEH
Children always look so delicious...

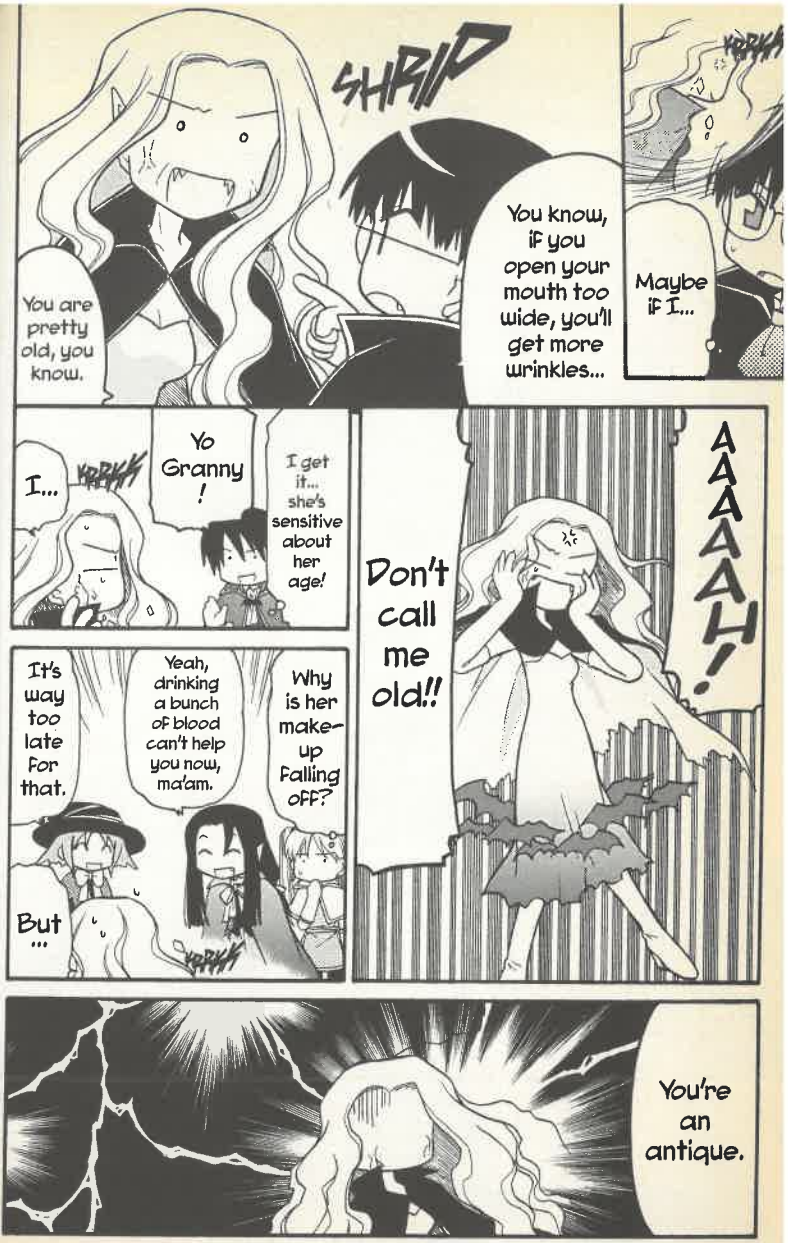
Attack me if you can!
Come, Zozoh!!
FSSH

You useless bat! Get out of my sight!!
SLAP
!!

My spell! How could this little boy break my spell!?
POOF



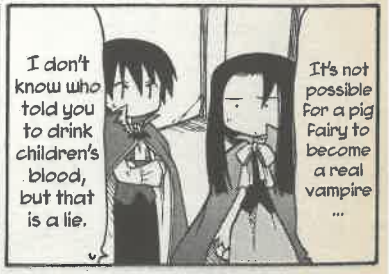
!!
She's... a pig Fairy!
BOM!
SOB
WAAAH!!!
That's why I spent years researching, and found out how to transform myself into a vampire... Vampires never get old and wrinkled.
I was once an adorable piglet! But as I got older, everyone started teasing me.
She's a Fairy?
I saw her using strange spells, so I knew she wasn't really a vampire... but I never expected this!
WAAAH! Stop calling me old!
She's a really old pig Fairy.



SHRIP
You are pretty old, you know.
You know, if you open your mouth too wide, you'll get more wrinkles...
Maybe if I...
I...
Yo Granny!
I get it... she's sensitive about her age!
Don't call me old!!
AAAAAH!
It's way too late for that.
But...
Yeah, drinking a bunch of blood can't help you now, ma'am.
Why is her make-up falling off?
You're an antique.

WAAAAH!
But my spells don't last very long, and I keep turning back into this!

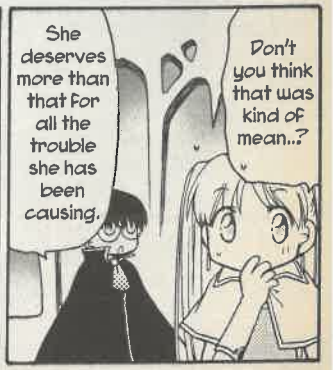
WAAH I'll get you some day!
ZZZIP
Maybe we should have roast pig with blood sauce for dinner tonight...
Hey, she ran away!



I don't know who told you to drink children's blood, but that is a lie.
It's not possible for a pig fairy to become a real vampire ...

HOP!
Now... what are we going to do with you..?

These two helped us out.
I'm so glad you're all right, Cula!



She deserves more than that for all the trouble she has been causing.
Don't you think that was kind of mean..?

You have my gratitude. Thank you.
We came all this way to rescue you, and this is the thanks that we get!?
How embarrassing for a vampire to be saved by a witch...

You're not that much older than me!
You're too young to be so snobby.

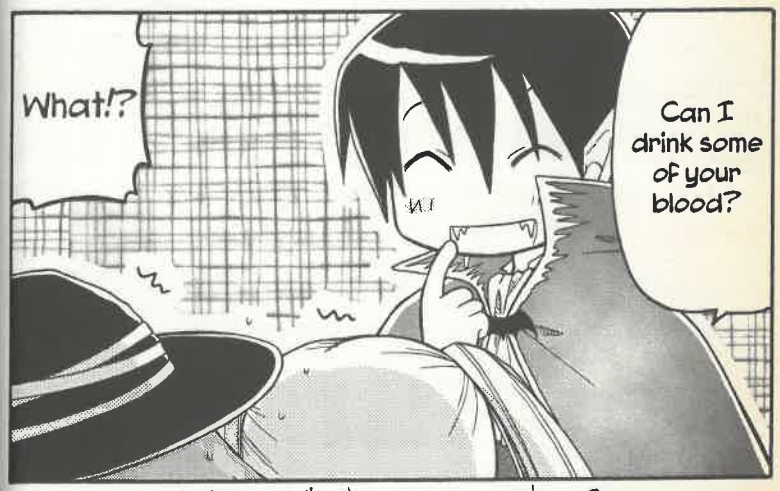
I know it wasn't your fault. You were under her control the whole time, weren't you?
You can come and stay with us.

Now then, Zozoh...
TWITCH
QUIVER
Have you learned your lesson?

We have lots of bats at home, so I'm sure you won't have any problem making friends.

Chapter 18
Handsome Man in Love!?

We will... but first, I'm a little thirsty.
There are other children being kept here, right? We should go help them.
Yeah, vampires are so cool! Just like I thought!
I thought vampires were scary, but Dra is really nice.



You guys better be joking!
WAH! Vampires are scary after all!
It won't hurt!
Come on! We'll only take a little bit.
WAAH. My mom's scarier than any vampire!
What did you do to your wand!?
Come here!!

END CHAPTER 17

It's such a beautiful day today.
Yep! The perfect kind of day for a ride on my broomstick!
Hm ...?
Let's go check it out!
GLOOM
Why is it all stormy over there?

HANDSOME MAN'S HOUSE
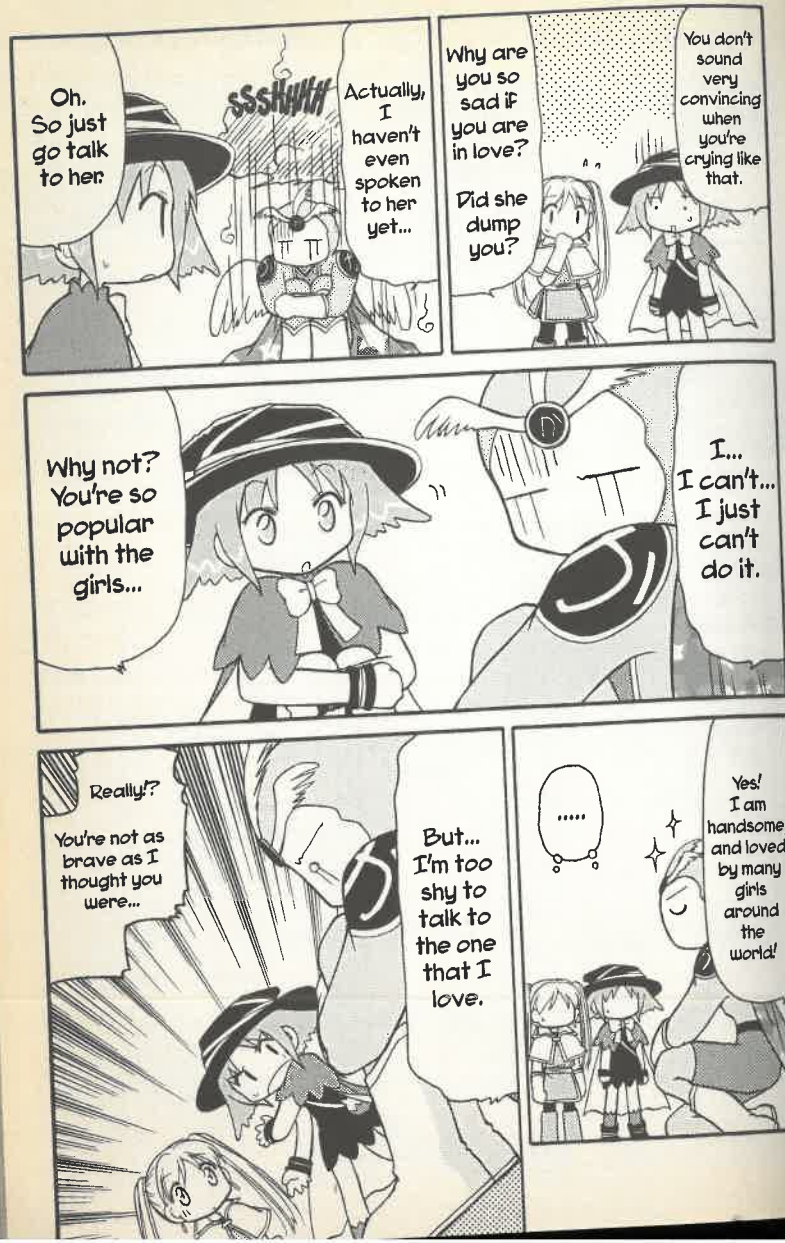
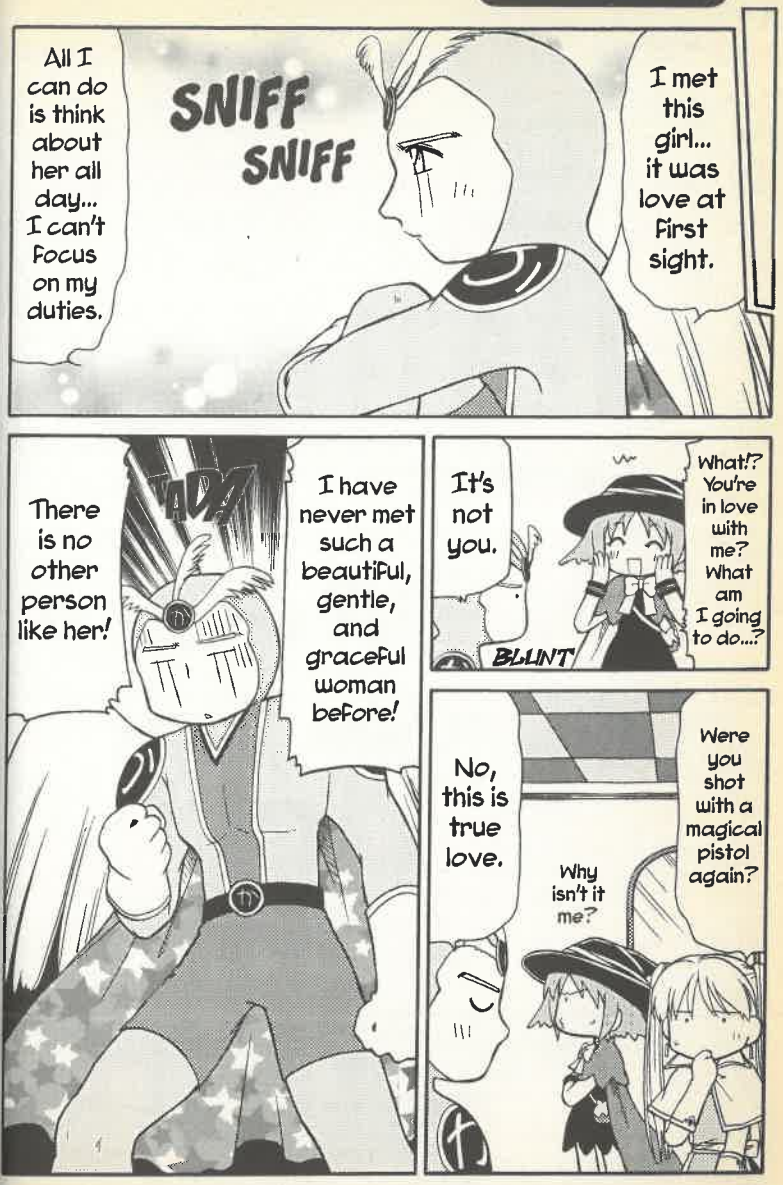
Let's go in and say hello! It's been a while since we've seen Handsome Man.
I can't believe Handsome Man would live in such a gloomy, stormy house...
GLOOM
SSSHHHH
SSSHHHH
BREAK
Handsome Man!
Hello ...?
Agh!!



Oh. So just go talk to her.
SSSHHH
Actually, I haven't even spoken to her yet...
Why are you so sad if you are in love?
Did she dump you?
You don't sound very convincing when you're crying like that.
Why not? You're so popular with the girls...
I... I can't... I just can't do it.
Really!?
You're not as brave as I thought you were...
But... I'm too shy to talk to the one that I love.
.....
Yes! I am handsome, and loved by many girls around the world!

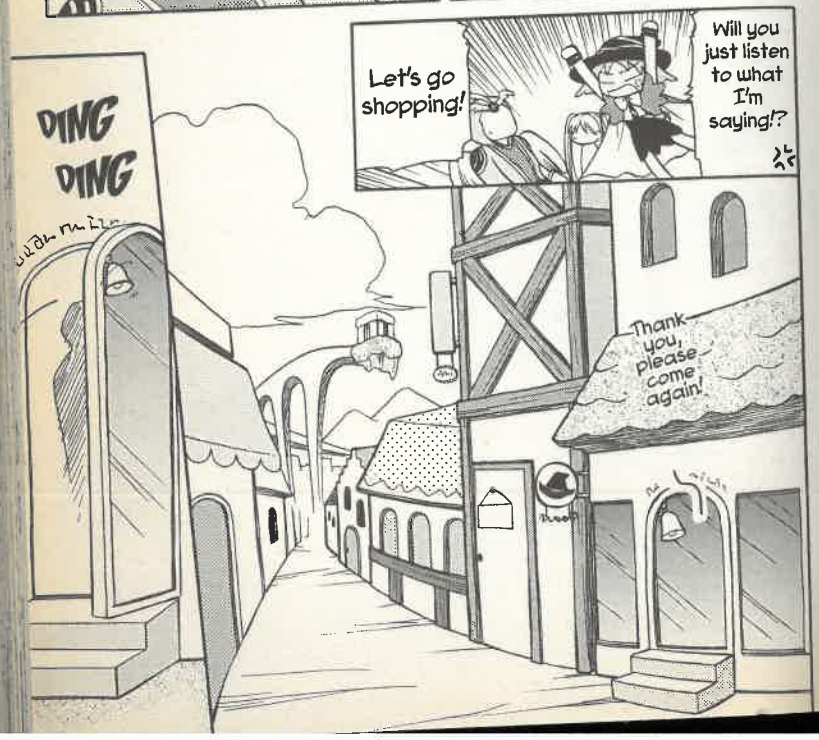


All I can do is think about her all day... I can't focus on my duties.
SNIFF SNIFF
I met this girl... it was love at first sight.
There is no other person like her!
I have never met such a beautiful, gentle, and graceful woman before!
It's not you.
What!? You're in love with me? What am I going to do...?
BLUNT
No, this is true love.
Why isn't it me?
Were you shot with a magical pistol again?

I'm not a witch... I can't fly on a broom-stick.
Why don't you fly around on a broom-stick?

Really? It is?
First, you have to change your headgear. Totally uncool.

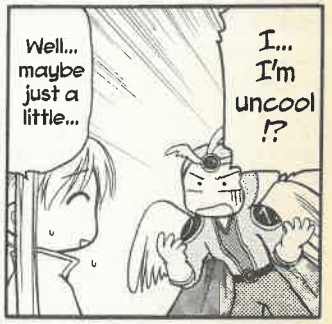
But without my wings, I won't be able to fly.
STARE
We'll have to change the pattern of your cloak, too... and those wings are so last year!



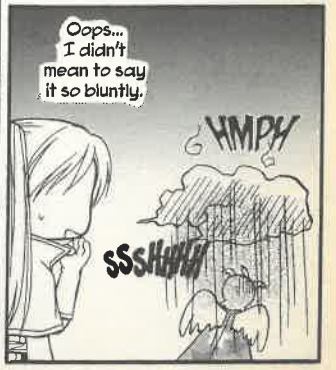
DING DONG
Let's go shopping!
Will you just listen to what I'm saying!?
Thank you, please come again!

SHOCK
I suppose it's true that you have a handsome face... but everything else about you is pretty uncool, so even if you did tell her how you feel, she might reject you.
Hmm...

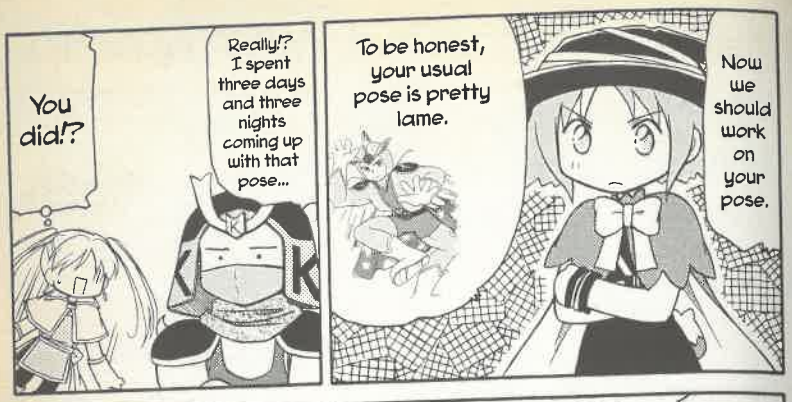
That way, you'll be more confident when you talk to your dream girl!
Don't worry! We'll give you advice on how to be cooler!



Well... maybe just a little...
I... I'm uncool!?

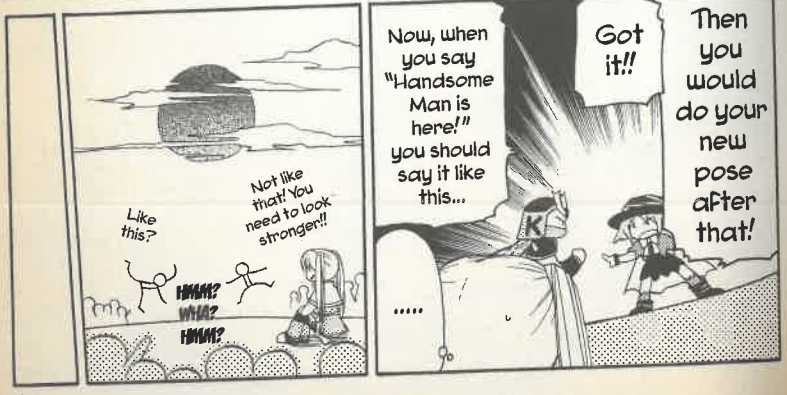


Oops... I didn't mean to say it so bluntly.
HMPH
SSSHUUU

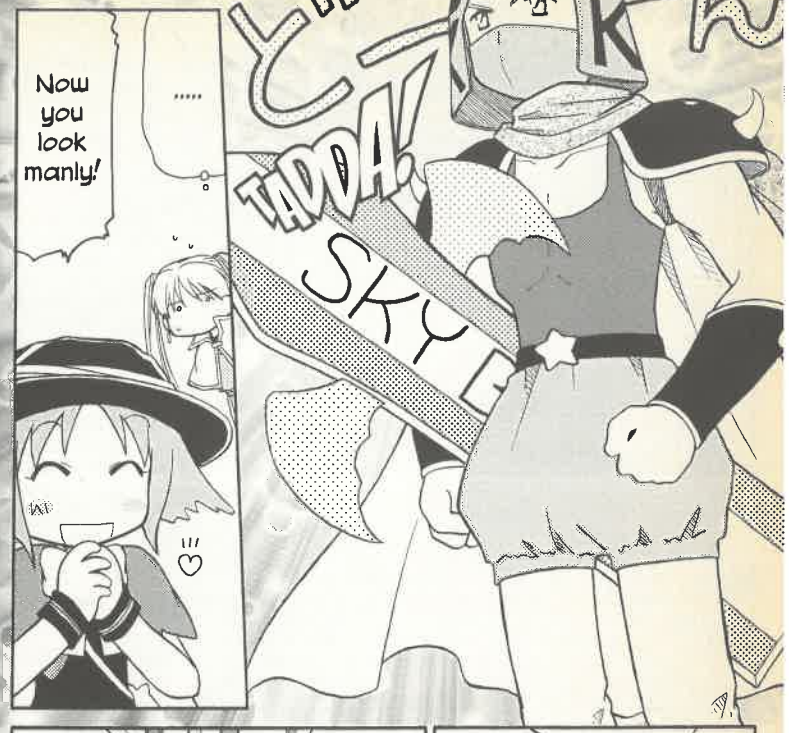


You did!?
Really!? I spent three days and three nights coming up with that pose...
To be honest, your usual pose is pretty lame.
Now we should work on your pose.

I see...
Land like this!!
POSE!
Ready? First, you have to land really cool!
You should do a Flip in the air.



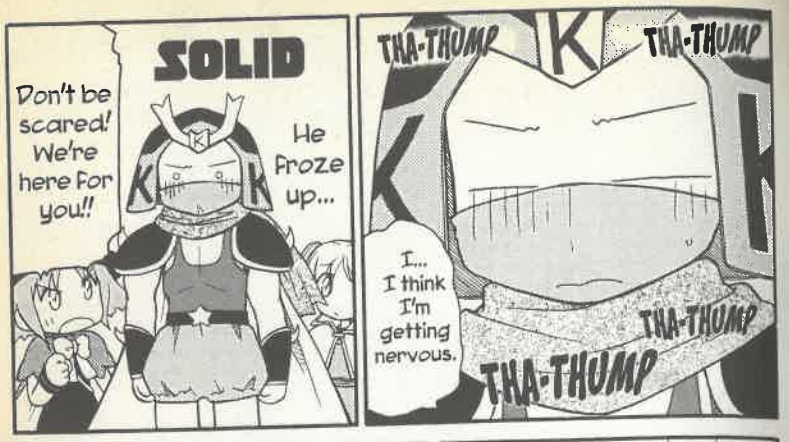
Like this?
Not like that! You need to look stronger!!
HMMM?
WHA?
HMMM?
Now, when you say "Handsome Man is here!" you should say it like this...
Got it!!
Then you would do your new pose after that!
.....



Now you look manly!
.....
TADDA!
SKY

Yes, I feel this item is quite... cool!
Sky Boards are totally in right now! Now you don't need your wings to Fly!

Yep! You look awesome! I think I'm Falling For you!
Do I?
I'm starting to question Majoko's tastes...



SOLID
Don't be scared! We're here for you!!
He froze up...

THA-THUMP
THA-THUMP
I... I think I'm getting nervous.
THA-THUMP
THA-THUMP

LEAP

You're right...
Yes. Here I go.

Go! Now!

You're a man, aren't you?
If you don't hurry, you're going to miss your chance!
SHOVE

Yeah!
Now you're ready!

I don't know about that...

Now let's see what you learned!
Yes... Indeed!

Isn't she beautiful ...?
She definitely seems very graceful.
That's her?

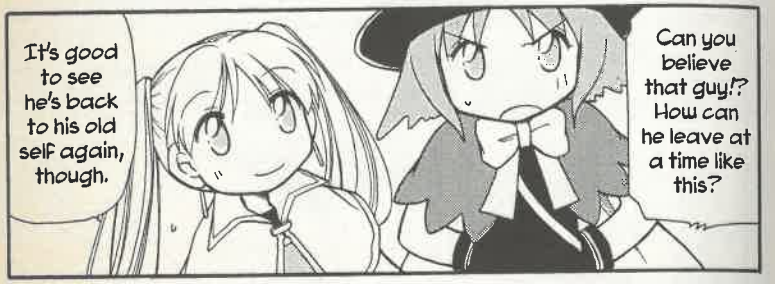
I must go save her!!



It's good to see he's back to his old self again, though.
Can you believe that guy!? How can he leave at a time like this?

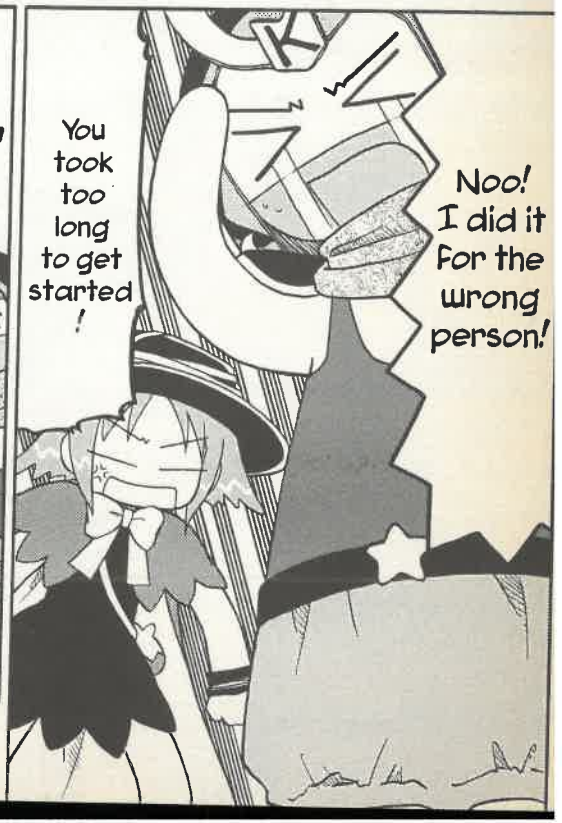
That's it!!

When a girl is in danger ....?
When a girl is in danger, he goes to save her no matter what he is doing.

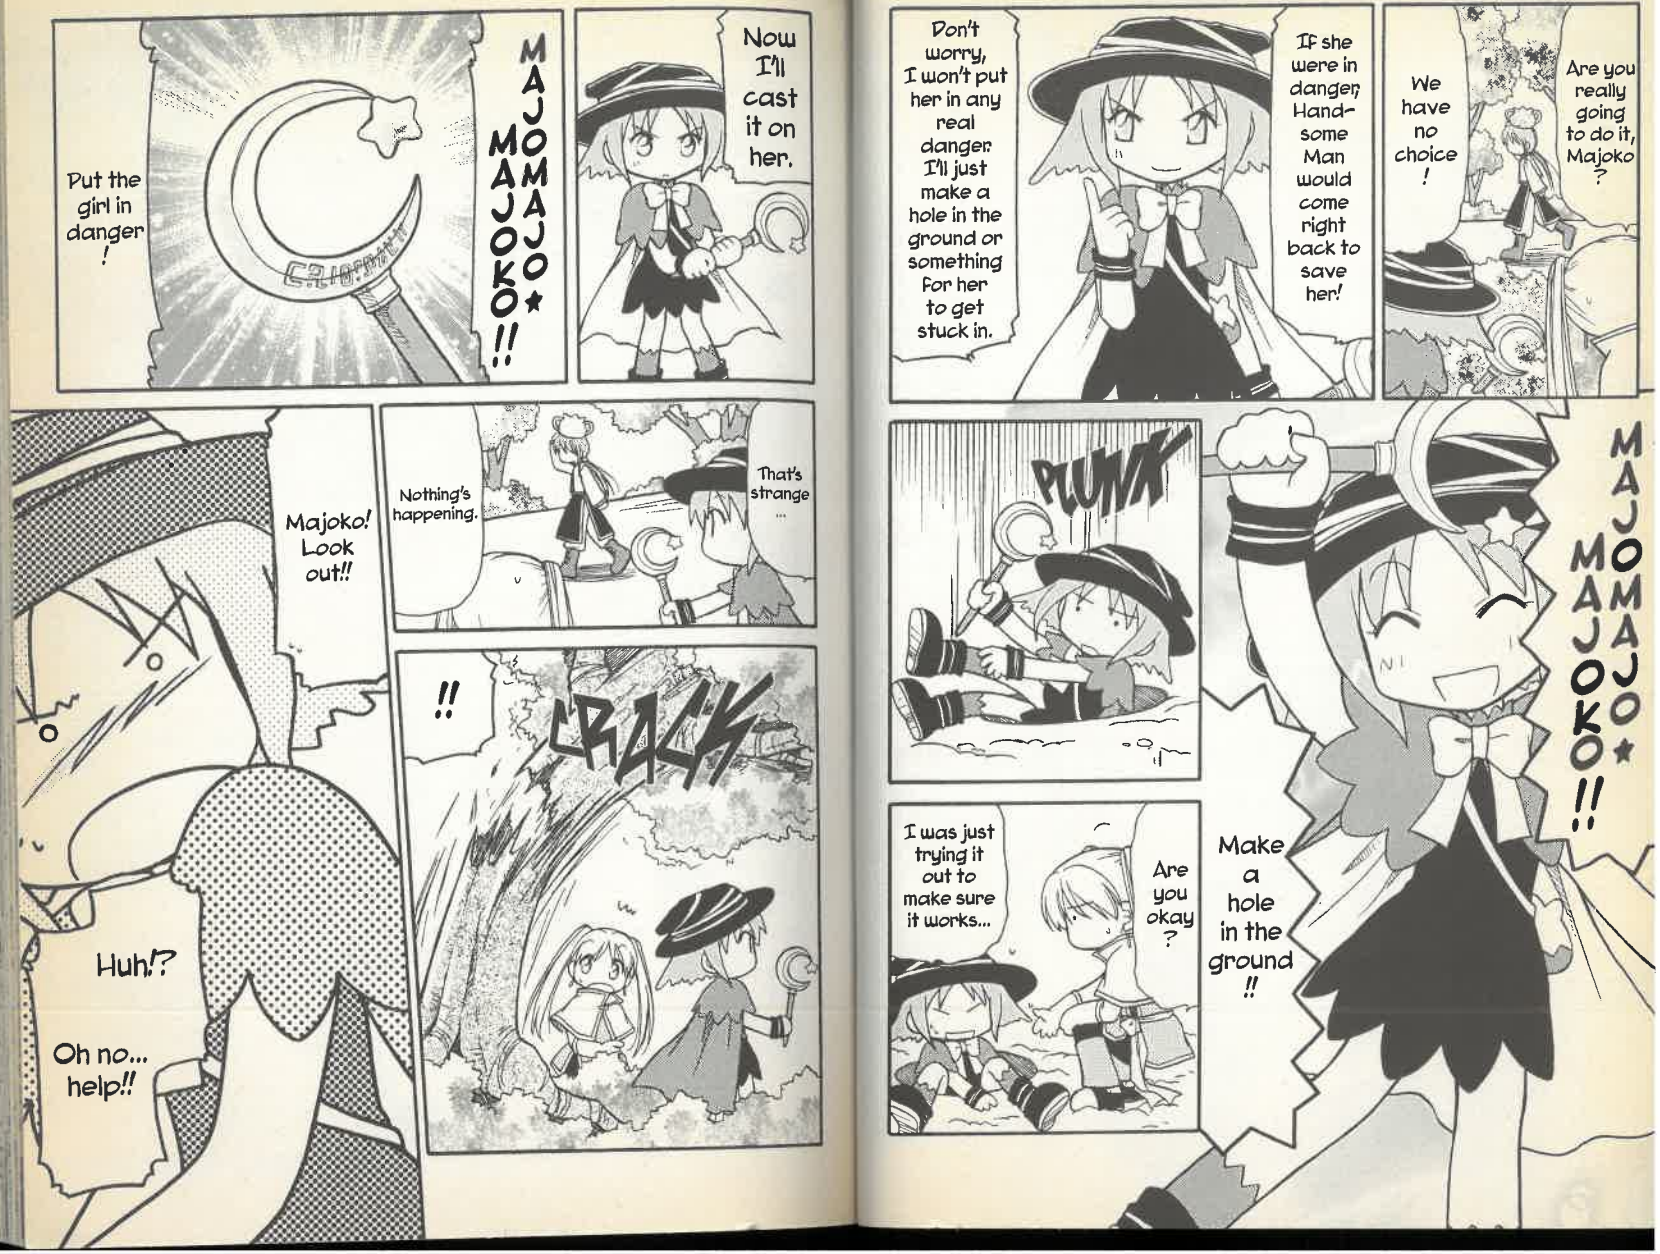
That's what I was going to ask you!
Who are you!?

THATHUMP

BREEP BREEP
Hm!?
We have to go after her!



You took too long to get started !
Noo! I did it for the wrong person!



MAJOMAJO★
MAJOKO!!
Put the girl in danger!
Now I'll cast it on her.
Majoko! Look out!!
Nothing's happening.
That's strange...
!!
CRACK
Huh!?
Oh no... help!!
Don't worry, I won't put her in any real danger. I'll just make a hole in the ground or something for her to get stuck in.
If she were in danger, Handsome Man would come right back to save her!
We have no choice!
Are you really going to do it, Majoko?
PLUNK
I was just trying it out to make sure it works...
Are you okay?
MAJOMAJO★
MAJOKO!!
Make a hole in the ground!!

Thank you, Handsome Man!
That was a close one.
FOOSH

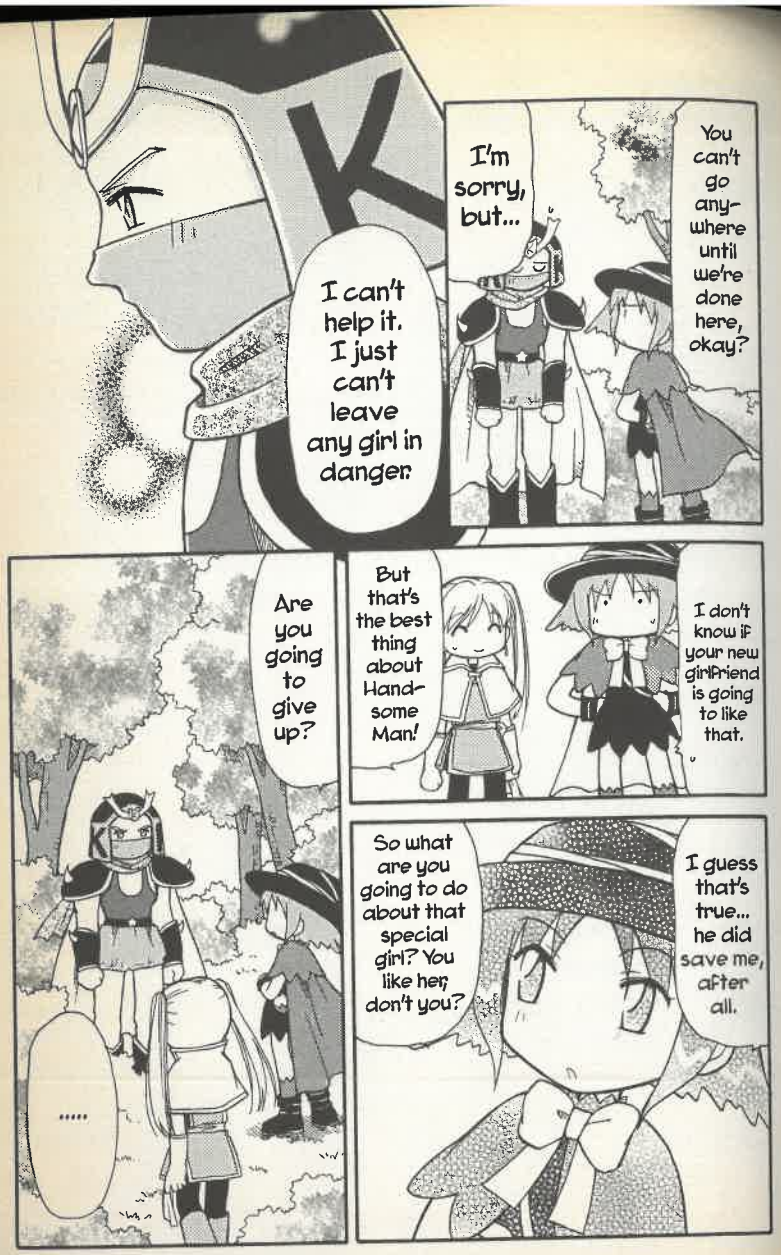
ROAR
Stop it! I almost fell in love with you there!



I can't help it. I just can't leave any girl in danger.
I'm sorry, but...
You can't go anywhere until we're done here, okay?
Are you going to give up?
.....
But that's the best thing about Handsome Man!
I don't know if your new girlfriend is going to like that.
So what are you going to do about that special girl? You like her, don't you?
I guess that's true... he did save me, after all.

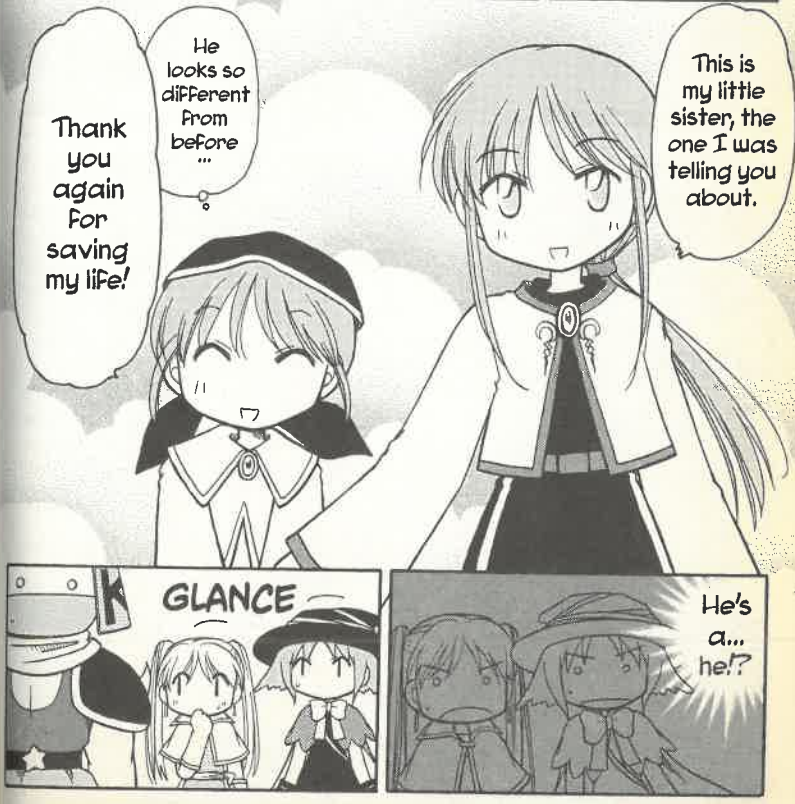
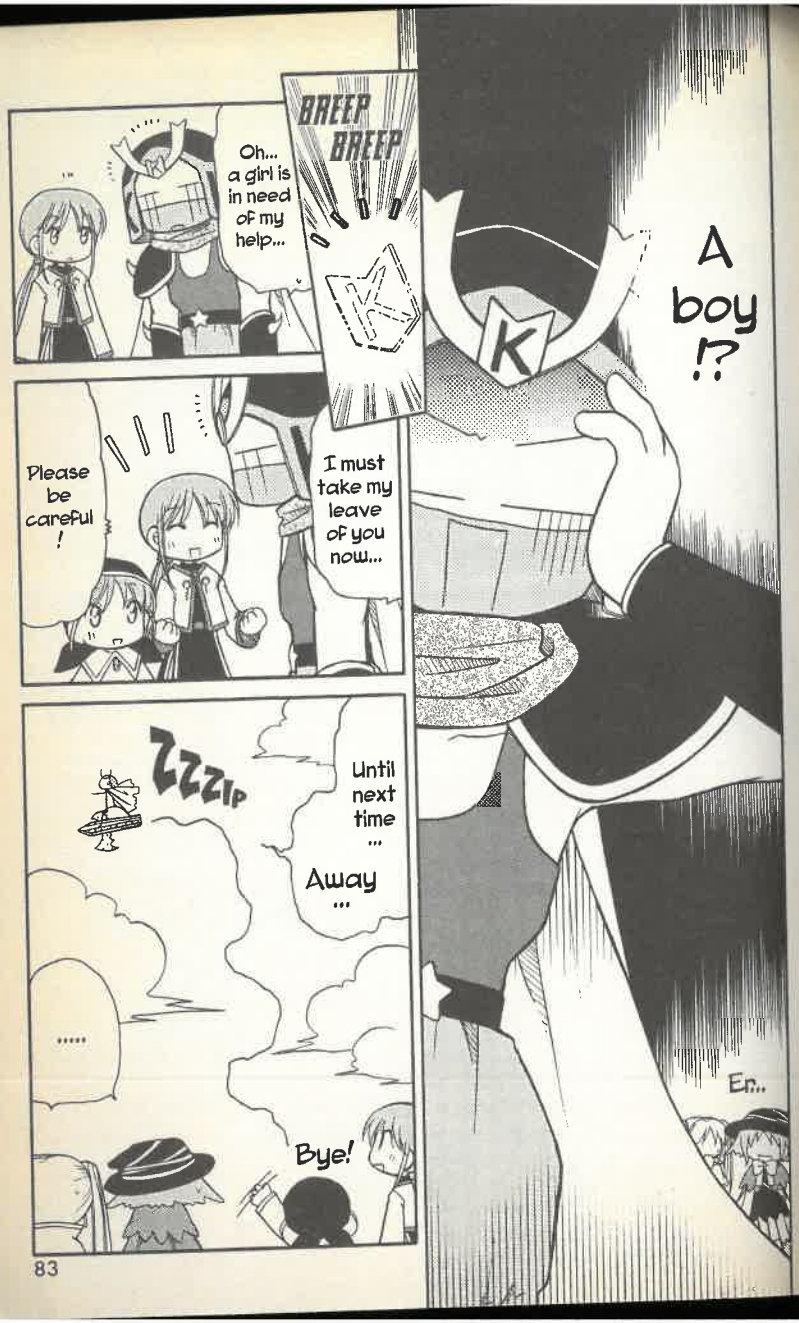
Tell her how you feel!
This is great!
The thing is, I've been wanting to meet you as well...
Some time ago, you saved my little sister's life, and I've always wanted to thank you for that!
I'm so very happy to meet you!! I was hoping to meet you in person some day!

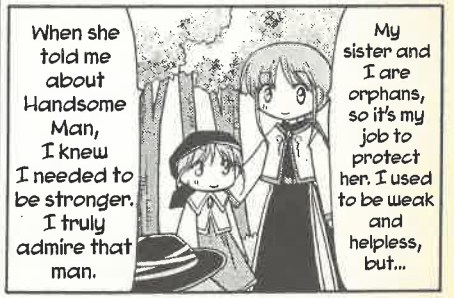
Brother ...?
Yes, that's Handsome Man!
Wait, isn't that ..?
There you are, Brother!
DASH!



Thank you again for saving my life!
He looks so different from before ...
This is my little sister, the one I was telling you about.
GLANCE
He's a... he!?



BREEP BREEP
Oh... a girl is in need of my help...
A boy !?
Please be careful!
I must take my leave of you now...
ZZZIP
Until next time ...
Away ...
.....
Bye!
Er..



When she told me about Handsome Man, I knew I needed to be stronger. I truly admire that man.
My sister and I are orphans, so it's my job to protect her. I used to be weak and helpless, but...

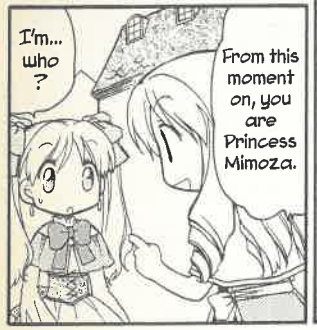
I guess so...
Don't worry about him!
He has the chance to meet new girls every day!
But I wonder what the girls will think of him in his new outfit...?

END CHAPTER 18

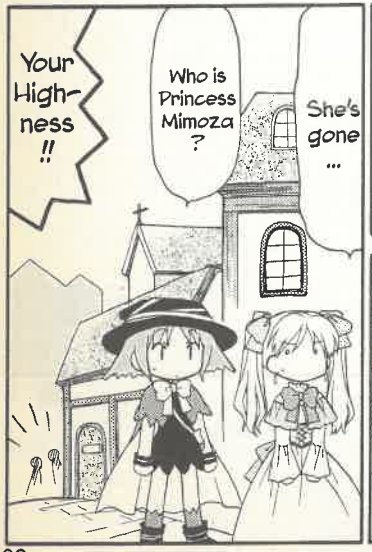
LEAP!!
Yes, My Prince !!
Hel-looo? Nana ?
HUP
Were you dreaming about a prince ?
Er... Majoko !?
The Big Adventures of Majoko
Chapter 19
Princess Nana and her Prince

I'll just touch up your hair, and you will do just Fine!
Wow, you look exactly like her!

Uhm... I...



I'm... who ?
From this moment on, you are Princess Mimoza.



Your Highness !!
Who is Princess Mimoza ?
She's gone ...

What? Hey, wait a second !
I shall return in a day's time. Good luck!

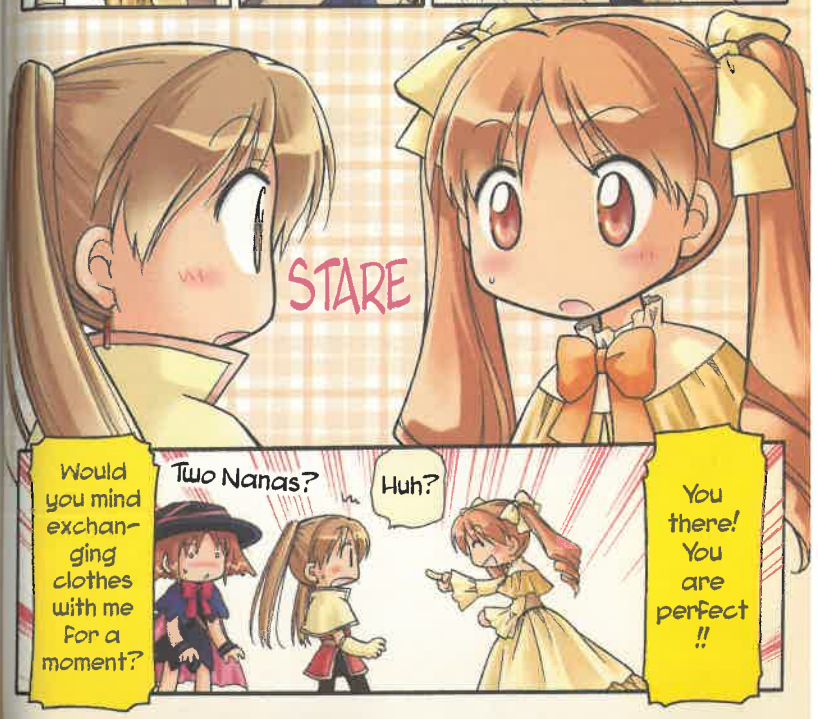
What's going on? Who are you!?

URCH

DASH

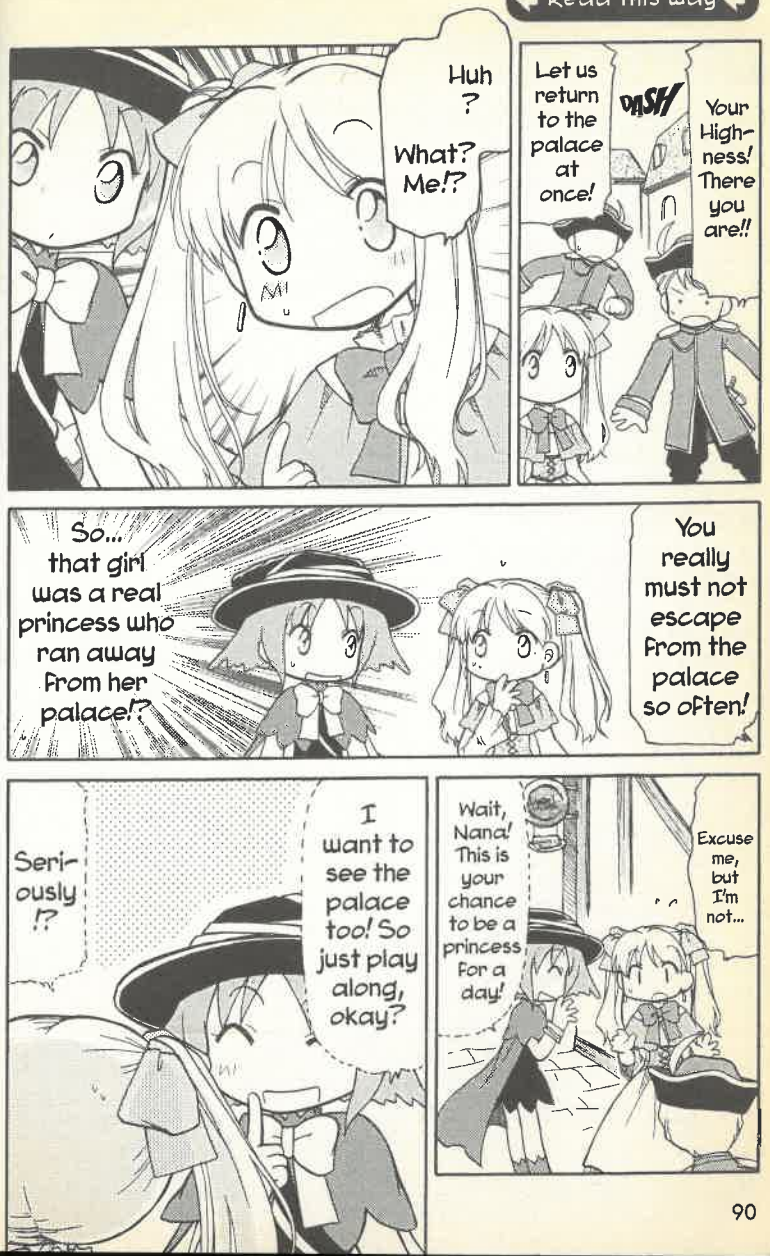
Oh, my Prince!
BLAAAH
You should have seen your face, Nana!
Quit it...

Just forget about it, will you?
I never knew you dreamed about that stuff...

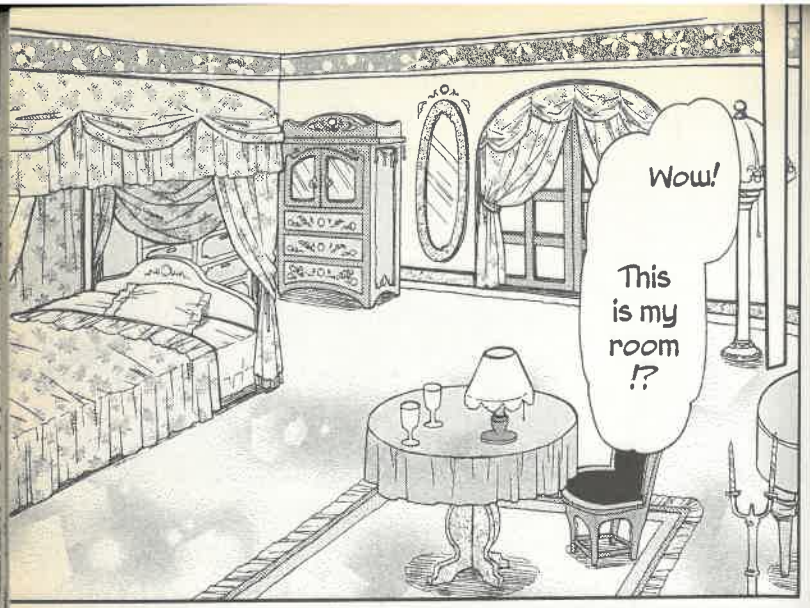


STARE
Would you mind exchanging clothes with me for a moment?
Two Nanas?
Huh?
You there! You are perfect !!

LEAP
Nana!
Wait! She is my friend.
I invited her to the palace today.
We did not know! Please forgive us!
Hm? Who are you?
I am Princess Majoko!
What!? How dare you!!
There's no way a country bumpkin like you could be a princess! Do not try to follow us!
Wow...! I'm going to be the princess of this whole place!?
It's perfect for you, Princess Nana! Though I wish I could have been Princess Majoko...



Huh?
What? Me!?
Let us return to the palace at once!
DASH!
Your Highness! There you are!!
So... that girl was a real princess who ran away from her palace!?
You really must not escape from the palace so often!
Seriously!?
I want to see the palace too! So just play along, okay?
Wait, Nana! This is your chance to be a princess for a day!
Excuse me, but I'm not...



Wow!
This is my room !?

Let us begin your lesson.
I see you have returned at last.

Look at this bed!!
This drawer is full of jewels!!

Er... what am I going to do?

GULP Your High-ness..

I...I'm sorry.
How many times have you ran away from your lessons like this ?
Gosh, the real princess sounds like a real trouble-maker..

Your Highness !!
When will you ever learn !?

Your piano teacher is waiting.
I haven't heard anything about that... at any rate, please return to your room immediately, your Highness.

I beg your pardon? Who might you be!?
Hey, lady! What makes you think you can talk to the princess like that!?

Do you know how to play a piano?
Piano ...?
Not at all.

Yes, she is my new friend.
I am Majoko! I'll be taking care of the princess from now on!!

DASH
Let's get out of here!
AAAH! The piano is playing by itself... and dancing !?

No, not at all!
You are rather quick to apologize today... are you planning some kind of mischief ?

Your Highness !

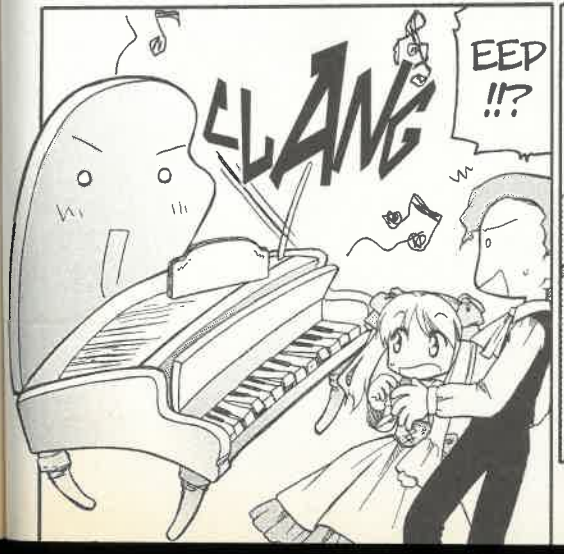
Maybe I should scare her a little! MAJO-MAJO MAJOKO! ★
This lady nags too much...

I... I'm sorry!
If I told you once, I have told you a million times!
You are not to run in the hallway! Look at what you are doing to your clothes!

PLINK PLONK PLANK
PLINK
SNEAK

Thanks !
Don't worry! I'll use my magic to help you. Just move your fingers over the keys.

PLINK
PLONK
PLANK
PLINK
Maybe I should have just tried to play on my own...
What... what is this...?

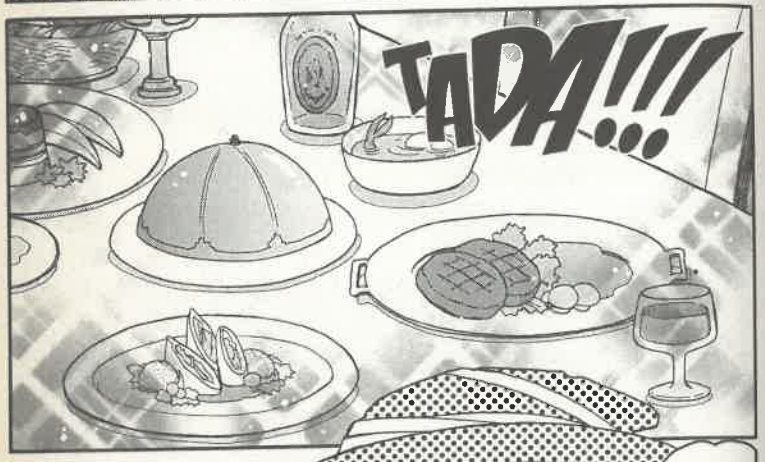


CLANG
EEP !!?

I'll try something else!
This is harder than I thought... I don't know a thing about playing piano, after all.

I wonder what kind of food they will have?
Yay!!
Your Highness, dinner is served.

Same here!
You're so lucky you have people doing the cleaning for you! My mom always yells at me if I don't clean up my room.

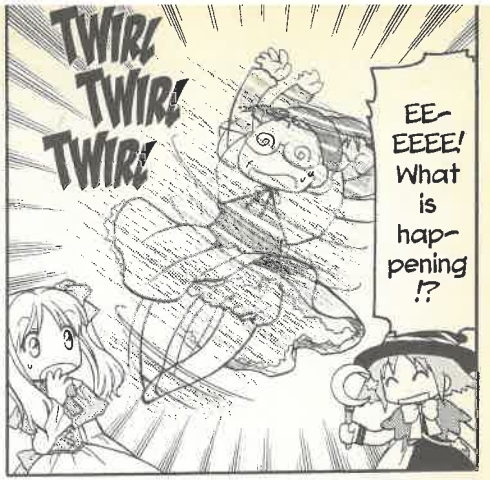


TADA!!!

What !? Hey !!
Servants eat over here!
DRAG

This is amazing !! Let's eat!
Hey !

Your Highness! It is time for your walking lessons.
Oh, okay.
I'm so busy ...



TWIRL TWIRL TWIRL
EE-EEEE! What is hap-pening !?

Oh, okay. I will.
I am the chimney cleaner. Please keep your window open tonight to allow fresh air in.

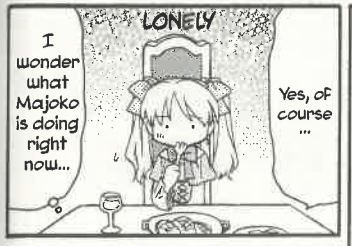
Are you done your walking lesson?
Yeah... they were teaching me how to walk like a princess, and how to stand... it was pretty hard.

I can't wait until you're done with all of your lessons. We'll have so much fun in the palace.
We'll eat lots of delicious food and stuff!
Yeah!

Your High-ness?
Yes, what is it?

Oh, I almost forgot I'm supposed to leave the window open tonight.
I wonder when the real princess will come back...?
SQUEAK
.....
Hn...?

SILENCE

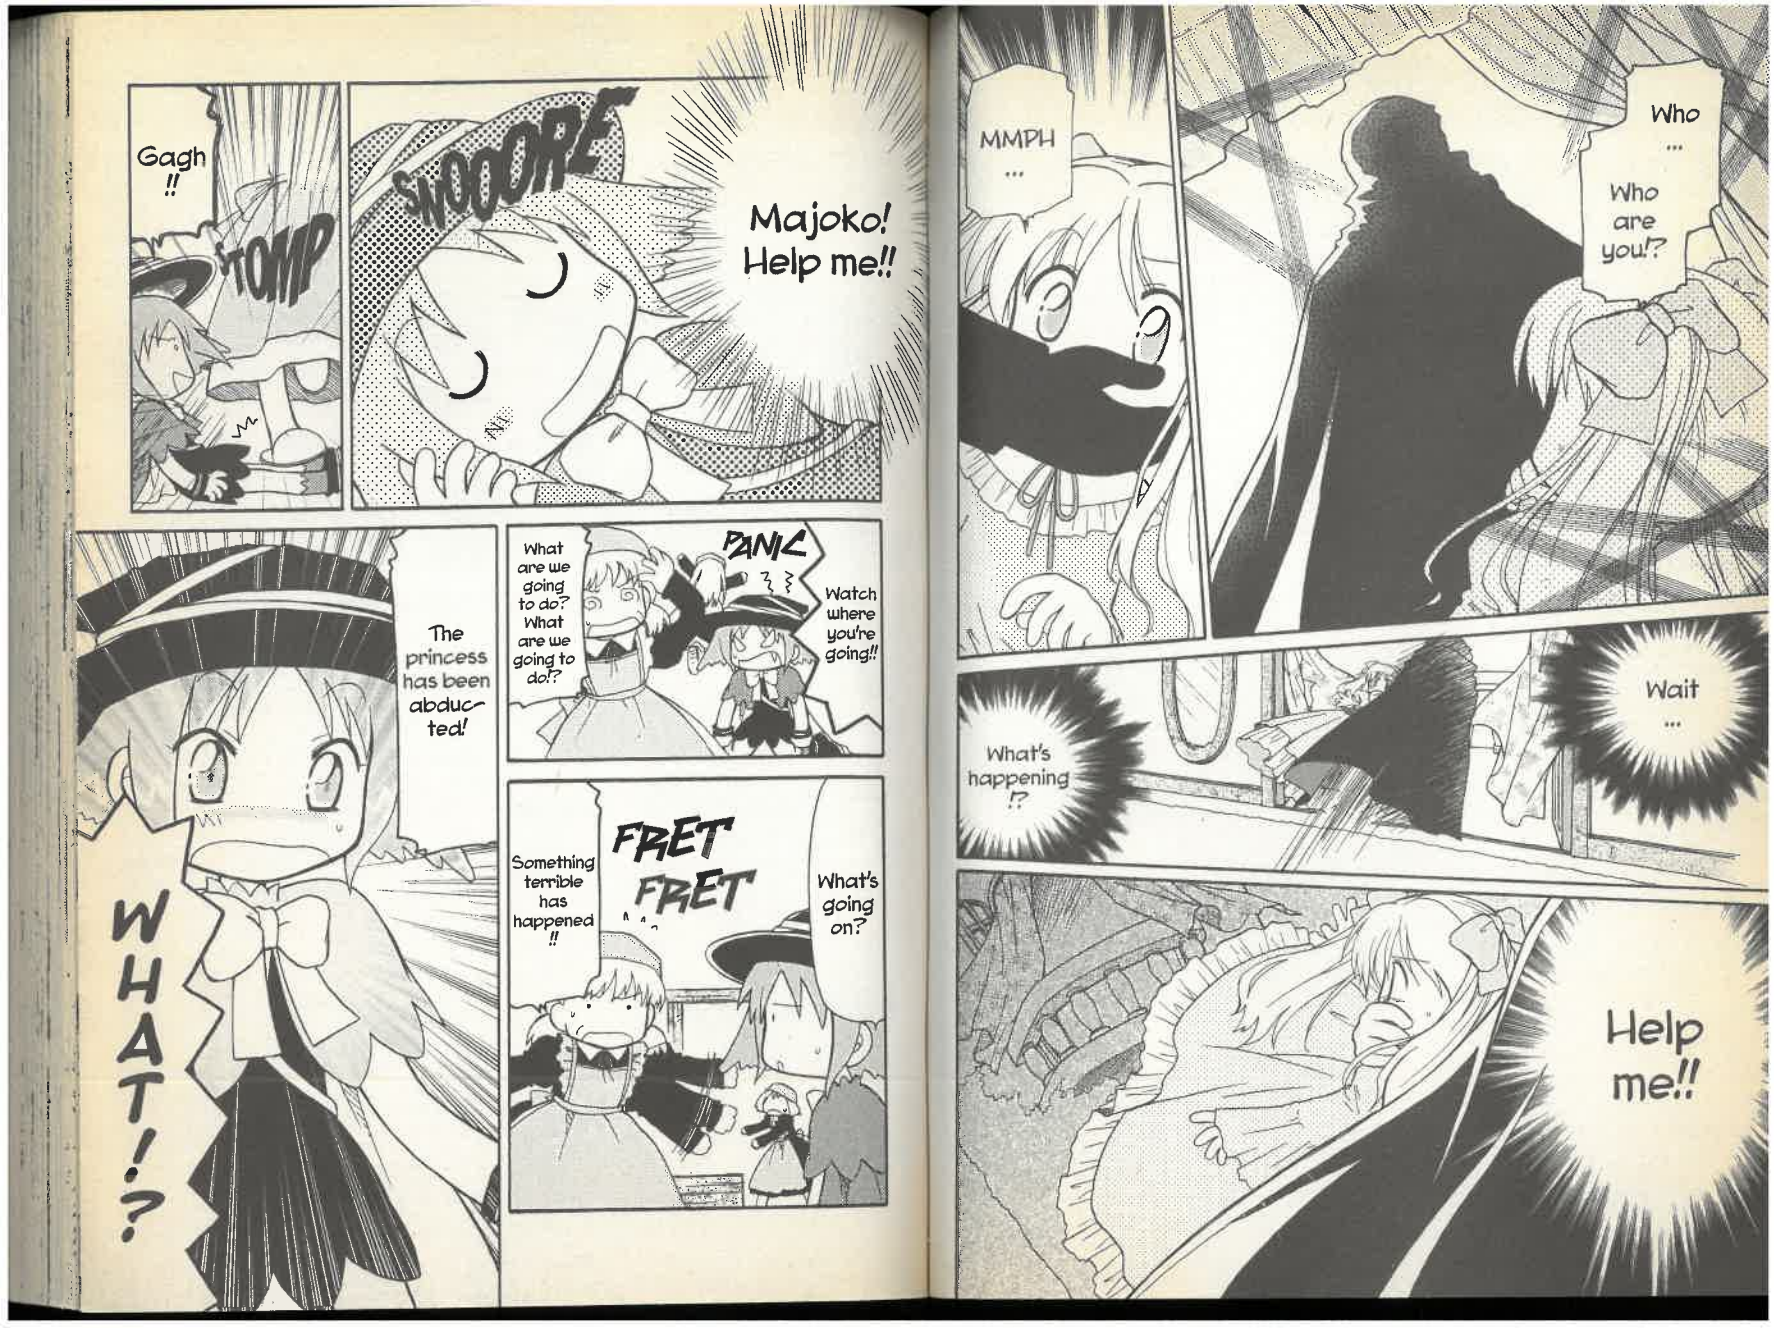


LONELY
I wonder what Majoko is doing right now...
Yes, of course ...

Absolutely not! Why would you suggest something so ridiculous? For someone of your position to eat with a servant? That is unheard of! Are you feeling all right, your Highness?
Um... Can't Majoko eat dinner with me...?

Of course! What did you expect !?
What!? This is all I get to eat!?

I have to eat and sleep all by myself...
I feel so lonely.



Gagh !!
TOMP
SWOOOSH
Majoko! Help me!!
MMPH ...
Who ...
Who are you!?
Wait ...
What's happening !?
Help me!!
The princess has been abducted!
WHAT!?
What are we going to do? What are we going to do!?
PANIC
Watch where you're going!!
Something terrible has happened !!
FRET FRET
What's going on?

Yeah... I'm in charge of keeping an eye on you.
You're... you're the chimney cleaner...

!!
.....

They are asking for the entire contents of the palace treasury!
I found a note from those responsible...

SNIFFLE
Listen, you don't have to cry. I don't think they mean to harm you. They just want the money.

Nana ?
So all we have to do is hand that over to get Nana back?

.....
I thought the princess was more strong-willed... but I guess she's just a normal girl after all.

Well, that is what they say in the note...
Er... uh... I mean we'll get the princess back?

We're going to get your palace to hand over its entire treasury!

EEP !!
THUD

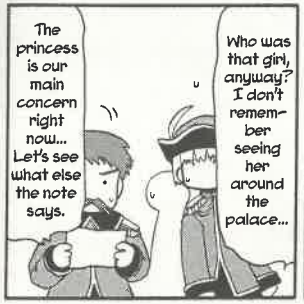
Don't even think about escaping!!
Meanwhile, you better stay quiet here!

SNIFFLE
How're you doing? I know the lodgings ain't exactly what you're used to, but...
CREEAK
Hey Princess, I brought you some food.

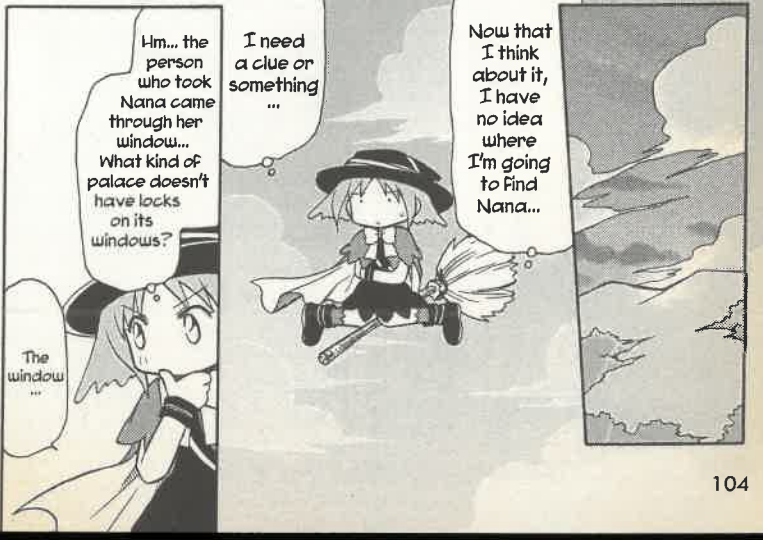
ZZZzz!!
Forget it! I'll go save her myself!!

It is not that simple! Do you have any idea what this would mean for the palace!?
So let's just give them what they want.

What's more important, your silly treasure or the princess!?



The princess is our main concern right now... Let's see what else the note says.
Who was that girl, anyway? I don't remember seeing her around the palace...



Hm... the person who took Nana came through her window... What kind of palace doesn't have locks on its windows?
The window...
I need a clue or something...
Now that I think about it, I have no idea where I'm going to find Nana...

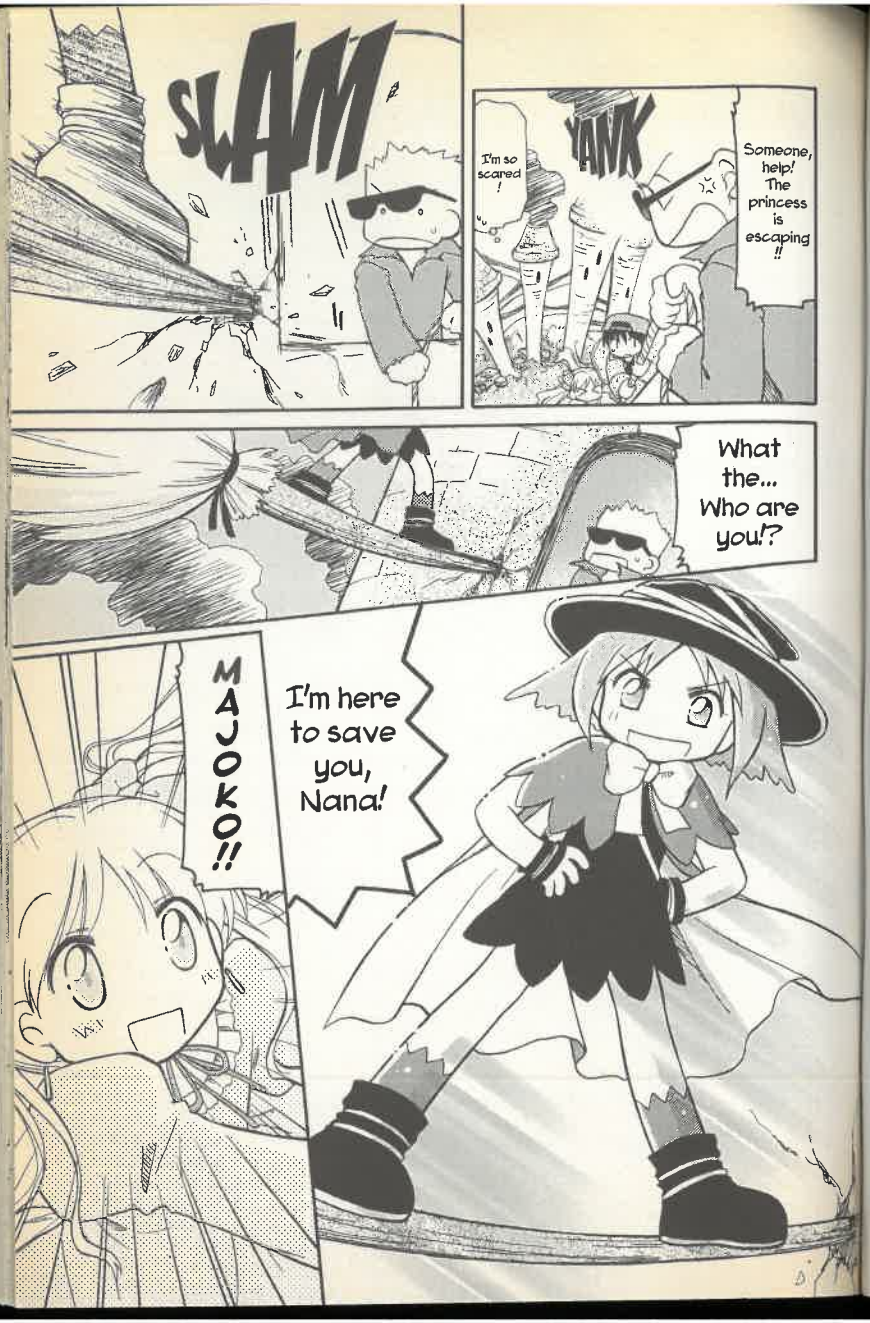
ZZZzz!!
That chimney cleaner must know something!!
I think I'm starting to figure things out! I'm such a genius!!

...keep your window open...
GASP

It's not like you did anything to deserve this, right? I feel sorry for you.

But... won't you get in trouble if you help me escape?
Are you worried about me?

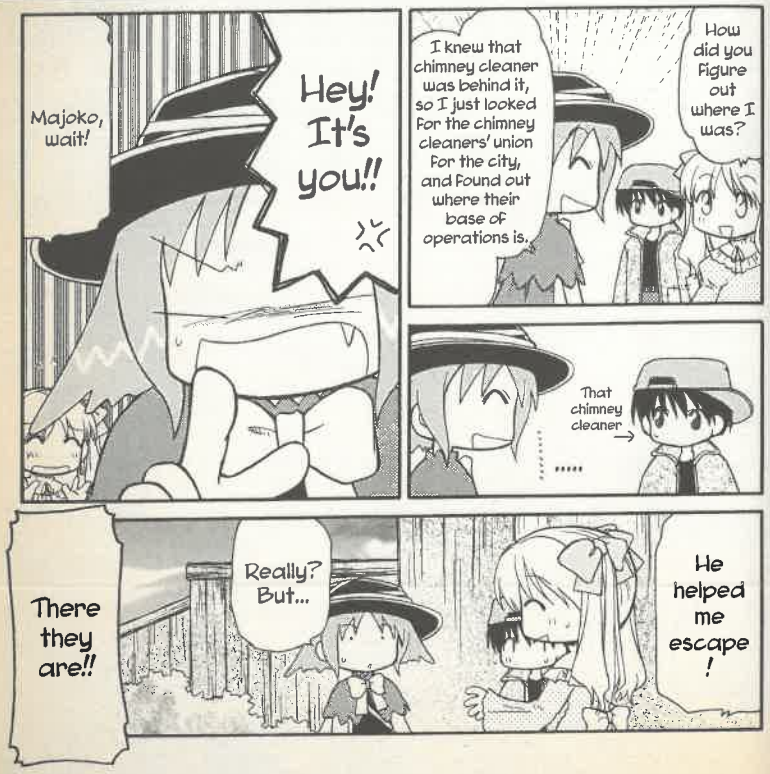
That does it...
Let's get you out of here, Princess!
What!?



SLAM
I'm so scared!
YANK
Someone, help! The princess is escaping!!
What the... Who are you!?
MAJOKO!!
I'm here to save you, Nana!

You have a very kind heart.
Princess...
Huh?
I'm sorry...
Er... he wants me to climb out of this window!?
Hey! What's going on in there!?
Oh no! They are onto us!
Go, quick!!
But...
What!? How did that happen!?
I'm not the real princess! We swapped places, and...
I'm really sorry!
.....
Then we really gotta get you out of here!

Well who else could save the day?
Majoko!
I knew you'd come for me! Thank you!!
CRASH
Yeah, I knew it... too heavy.



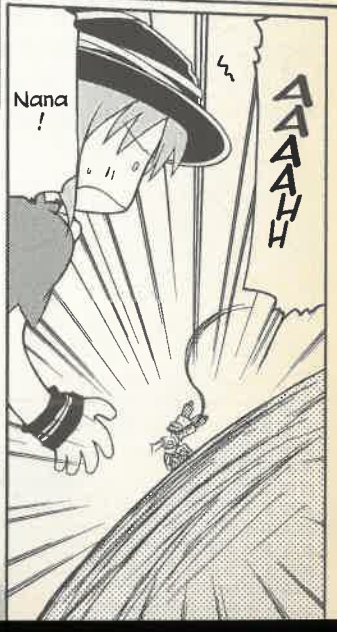
Majoko, wait!
Hey! It's you!!
I knew that chimney cleaner was behind it, so I just looked for the chimney cleaners' union for the city, and found out where their base of operations is.
How did you figure out where I was?
That chimney cleaner
.....
There they are!!
Really? But...
He helped me escape!

CRACK
EEP!
MAJOMAJO★ MAJOKO!!
I'll make you pay for kidnapping Nana...
Don't try to stop us!!

ZZZIP

SNAP

THUNK



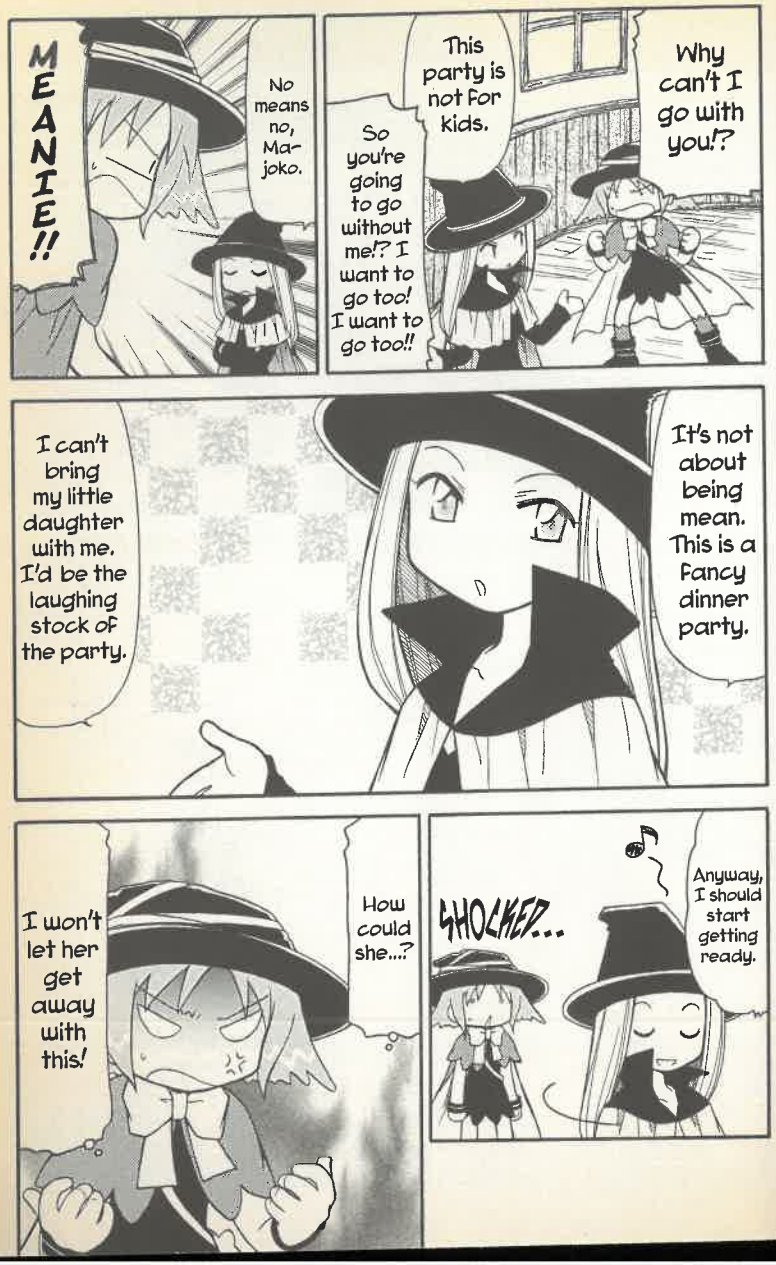
Nana!
AAAAH

I wish I had asked for his name, at least...
Huh !?
Hey, where did he go?
.....
He must have snuck off! I guess I should have expected as much of a criminal like him!
What !?
You're not the real princess !?
I'm so sorry!!
I'm back!
But then where is...
PHEW! I had so much fun!
!!
But...
Vssh
I'll hold them off! You guys get out of here!!
You won't get away so easily ...
You guys are late!
We're saved !
....
SNEAKS OFF
You are the ones who will not get away!
The palace guards have you surrounded !!
What !? No...

Chapter 20
Let's go to a Fancy Party!

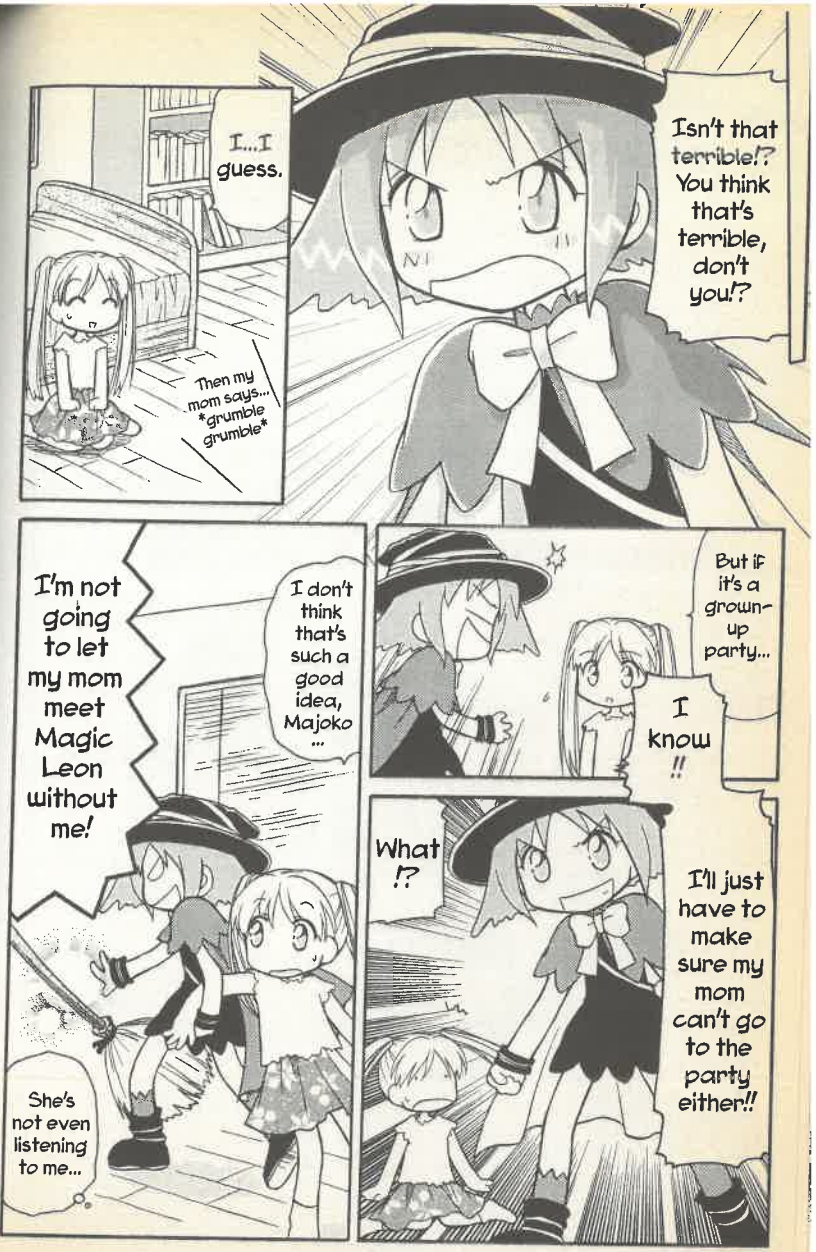
Oh? Why are you all out here?
Listen, you... do you have any idea what we have just been through?
HO HO HO
Yes, I can imagine. It's not easy being a princess, is it? I get so stressed out sometimes...
I was able to enjoy my time out in the world thanks to you. You have my gratitude!
Yes, your Highness.
Prepare a bath for me, please.
At any rate, I must be going now.
I didn't get to meet a real prince, but...
That boy was like a prince to me.
Yeah ...
I didn't even get to eat anything special!
What a self-centered princess! And, after all that, we didn't even get to meet a real prince!

END CHAPTER 19

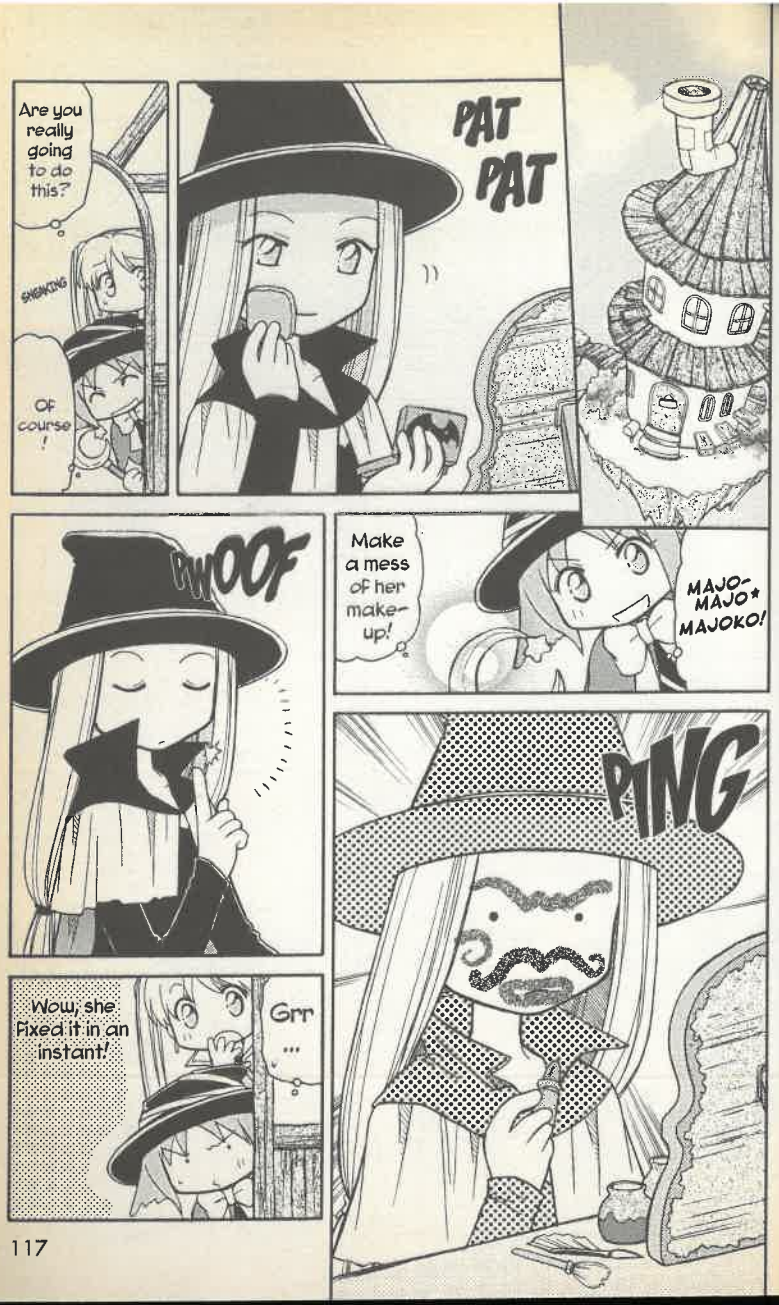


MEANIE!!
No means no, Marjoko.
Why can't I go with you!?
This party is not for kids.
So you're going to go without me!? I want to go too! I want to go too!!
It's not about being mean. This is a fancy dinner party.
I can't bring my little daughter with me. I'd be the laughing stock of the party.
How could she...?
I won't let her get away with this!
SHOCKED...
Anyway, I should start getting ready.

A party!?
What!?
Sure!
Yes, I'm quite looking forward to it. Be a good girl while I'm away, okay?
Magic Leon!? I love him! He's the greatest!!
Yes, there's a Fancy party being held in the Land of Magic tonight. The famous actor Magic Leon is going to make an appearance!
Wait, what!?

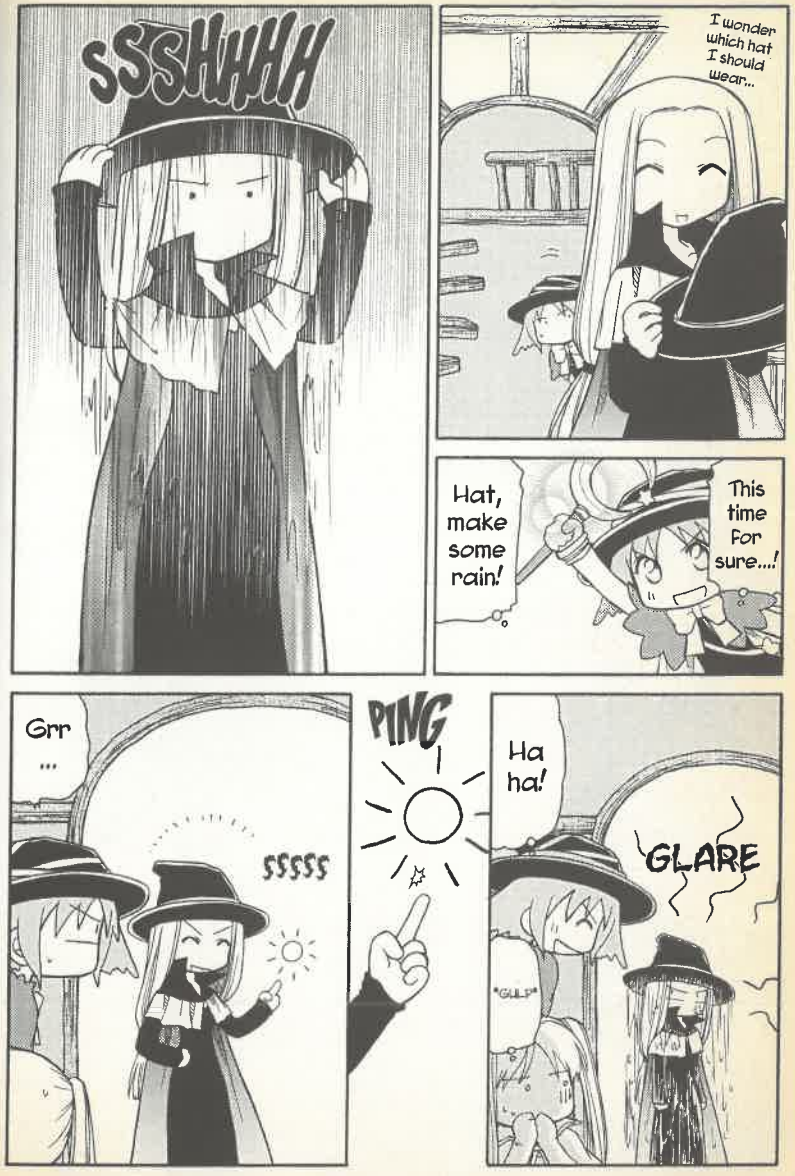


Isn't that terrible!? You think that's terrible, don't you!?
I...I guess.
Then my mom says... *grumble grumble*
But if it's a grown-up party...
I know !!
I don't think that's such a good idea, Majoko ...
I'm not going to let my mom meet Magic Leon without me!
What !?
I'll just have to make sure my mom can't go to the party either!!
She's not even listening to me...



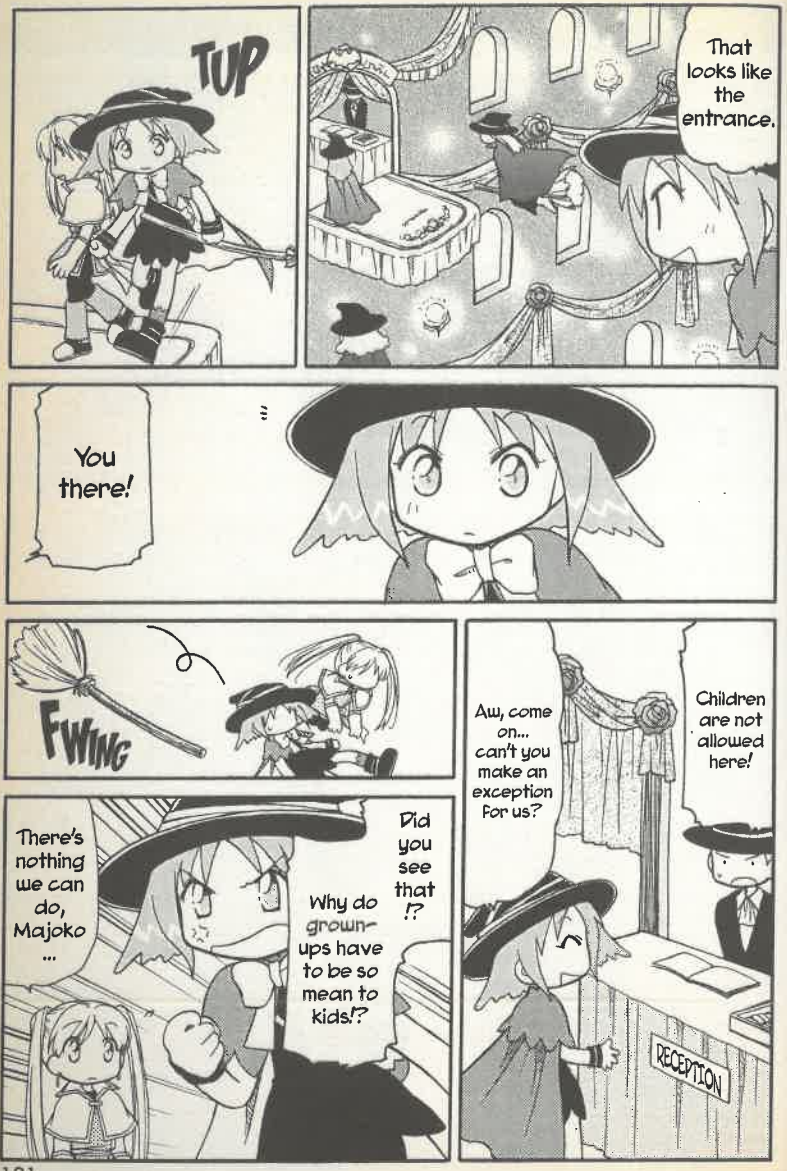
Are you really going to do this?
SNICKERING
Of course!
PAT PAT
POOF
Make a mess of her make-up!
MAJO-MAJO* MAJOKO!
PING
Wow, she fixed it in an instant!
Grr ...

Hm ?
I'll show you...
Your childish magic can't stop me from going to this party, Majoko.
This is a map to the party!
This...
Don't worry about it!
Are you sure you want to do this? Won't you get in trouble?
HEE HEE
Perfect !!

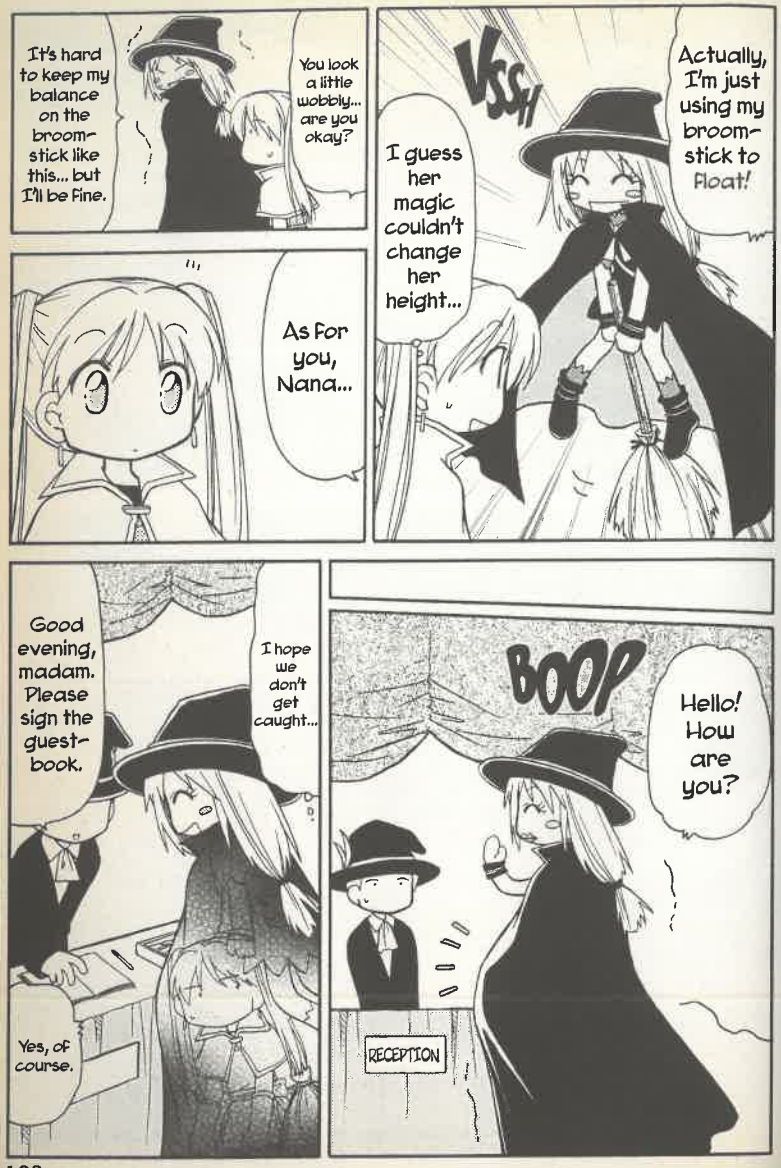


SSSHHHH
I wonder which hat I should wear...
Hat, make some rain!
This time for sure...!
Grr ...
SSSSS
PING
Ha ha!
GLARE
"GULP"

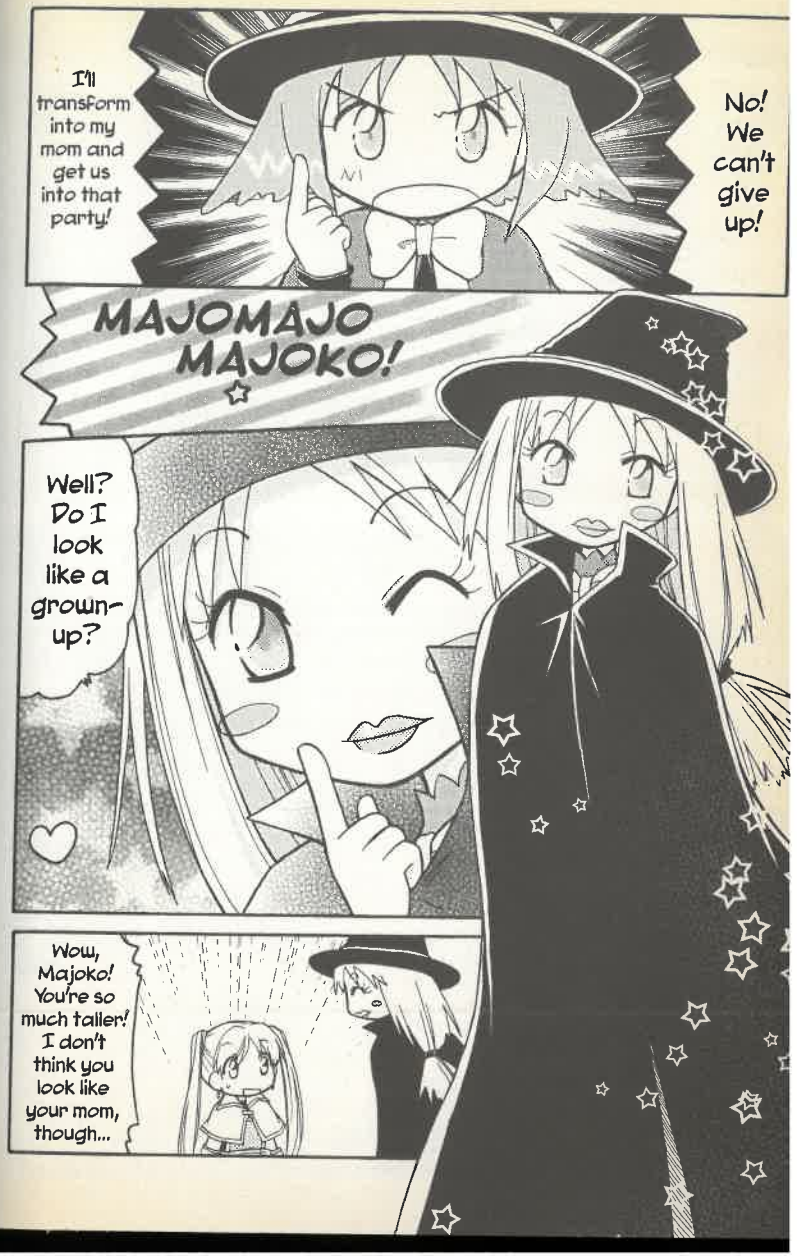
Oh!
The map says the party is on the water around here somewhere...
Look !!
The party must be on that ship!



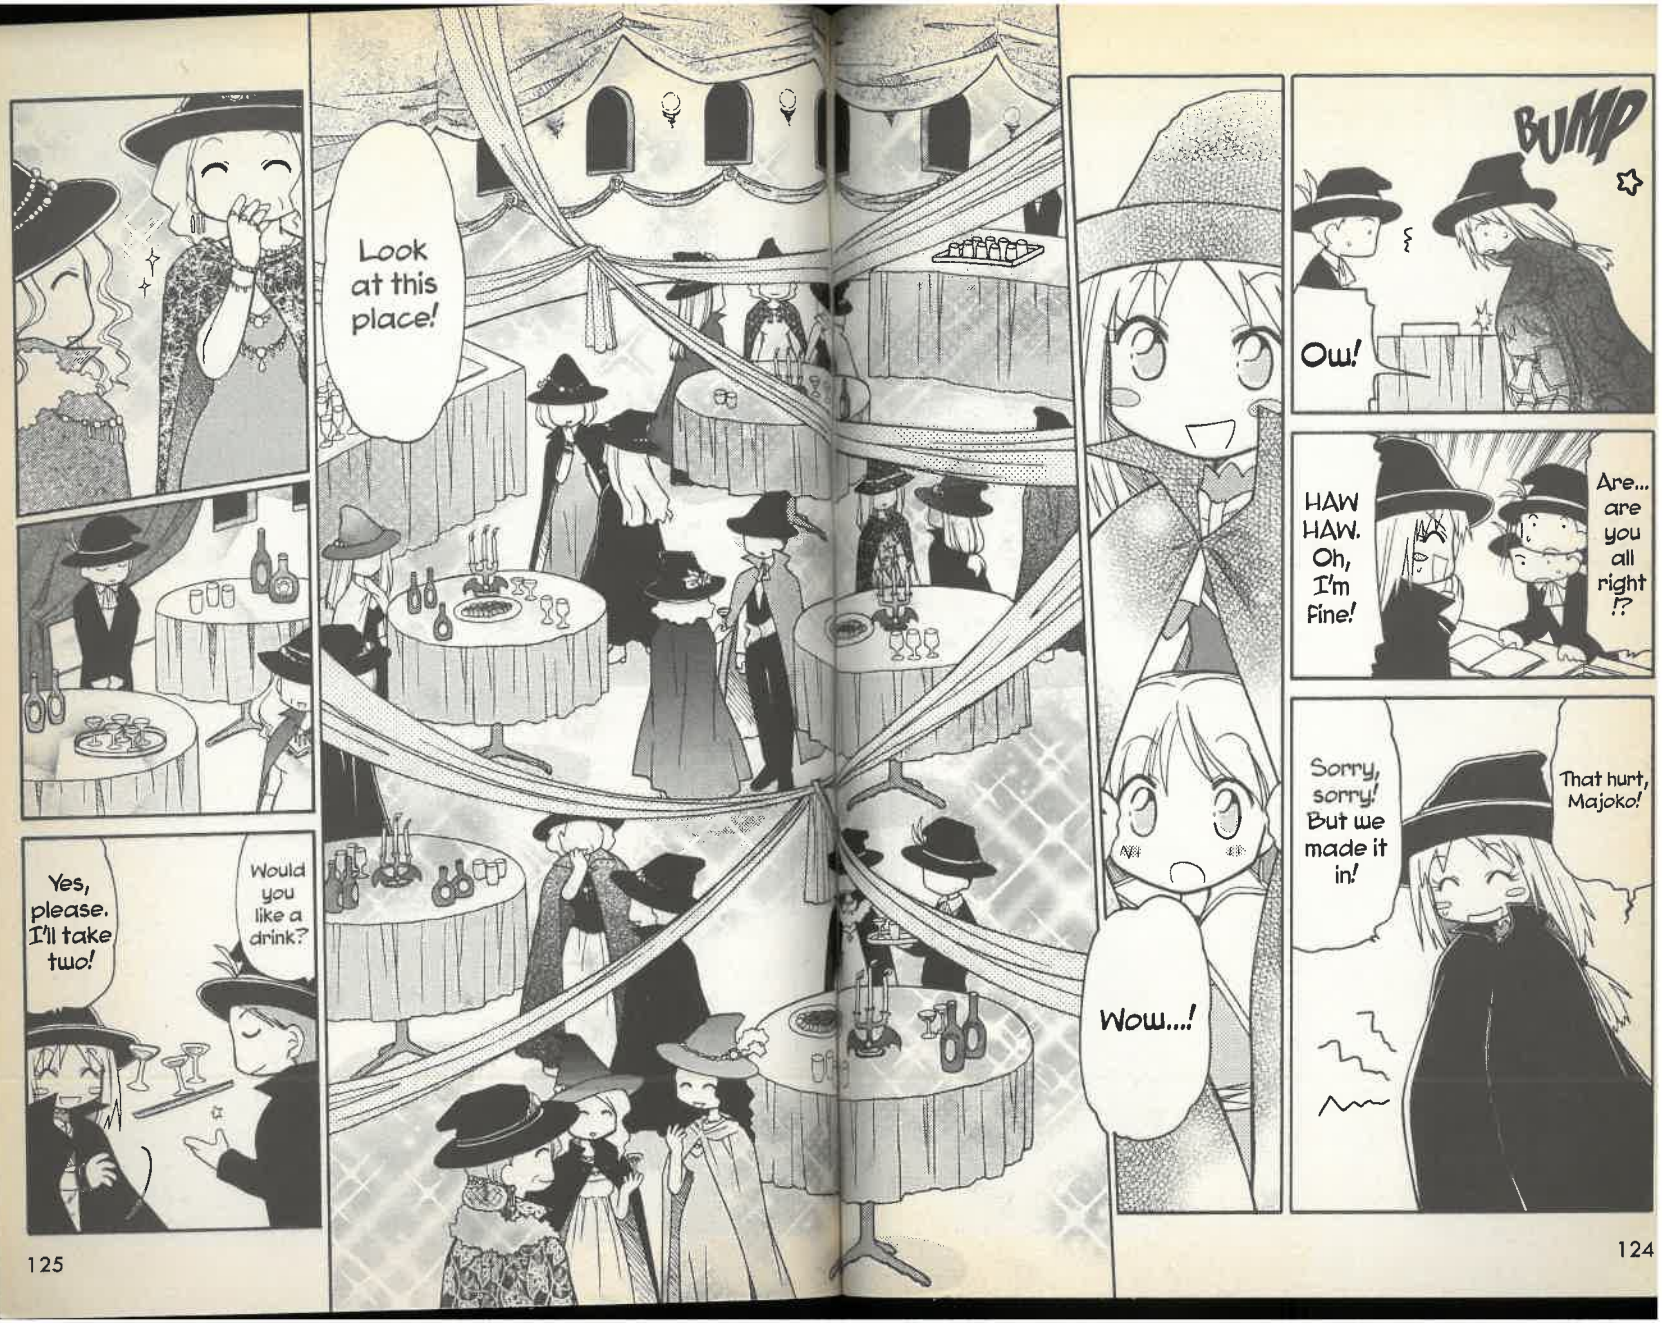
TUP
That looks like the entrance.
You there!
FWING
There's nothing we can do, Majoko ...
Why do grown-ups have to be so mean to kids!?
Did you see that !?
Aw, come on... can't you make an exception for us?
Children are not allowed here!
RECEPTION



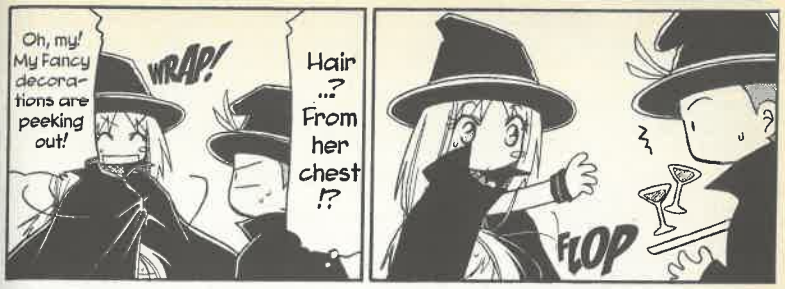
It's hard to keep my balance on the broom-stick like this... but I'll be fine.
You look a little wobbly... are you okay?
VSSH
I guess her magic couldn't change her height...
Actually, I'm just using my broom-stick to float!
As for you, Nana...
Good evening, madam. Please sign the guest-book.
I hope we don't get caught...
Yes, of course.
BOOP
Hello! How are you?
RECEPTION



I'll transform into my mom and get us into that party!
No! We can't give up!
MAJOMAJO MAJOKO!
Well? Do I look like a grown-up?
Wow, Majoko! You're so much taller! I don't think you look like your mom, though...



BUMP
Ow!
HAW HAW. Oh, I'm Fine!
Are... are you all right!?
Sorry, sorry! But we made it in!
That hurt, Majoko!
Wow...!
Look at this place!
Would you like a drink?
Yes, please. I'll take two!



Oh, my! My fancy decorations are peeking out!
WRAP!
Hair ...? From her chest !?
FLOP

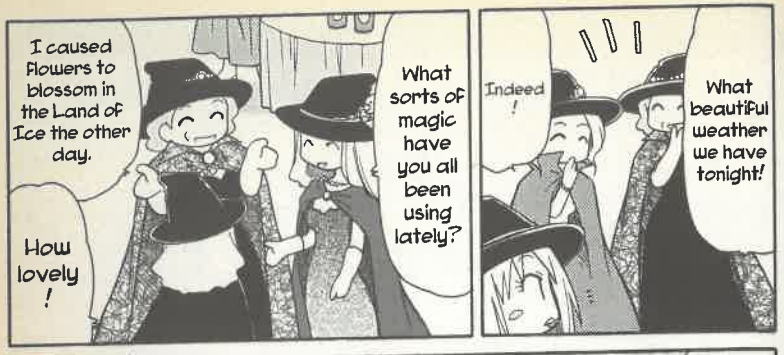
SPUT

Yeah ...
That was close !

This juice is very pretty! It's like a rainbow!
Yeah, it looks delicious! Let's drink it!

How can they drink this stuff !?
I'm pretty sure grown-up drinks are supposed to taste like this.

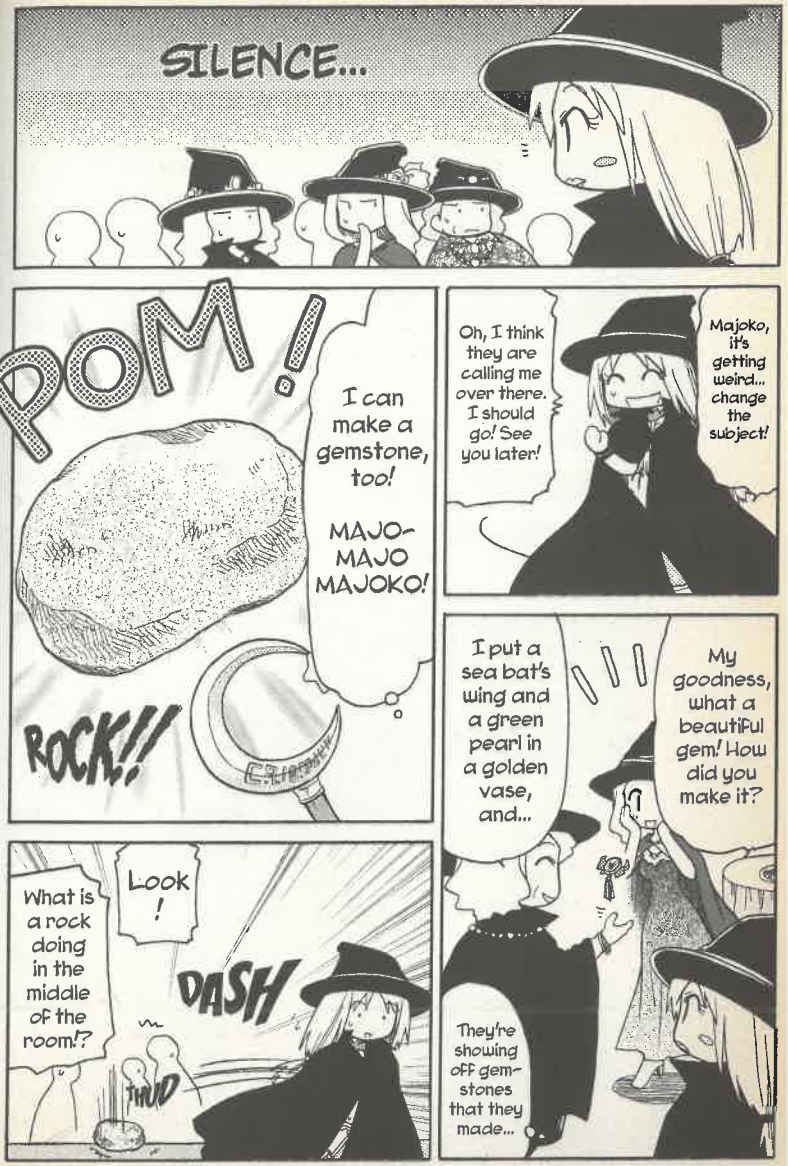
I guess it's some kind of juice that went bad...
This tastes terrible! What is this!?



I caused flowers to blossom in the Land of Ice the other day.
How lovely !
What sorts of magic have you all been using lately?
Indeed !
What beautiful weather we have tonight!

I have been casting spells that cause the spring breeze to play soft music.
That sounds wonderful !
I am currently constructing a rainbow highway.

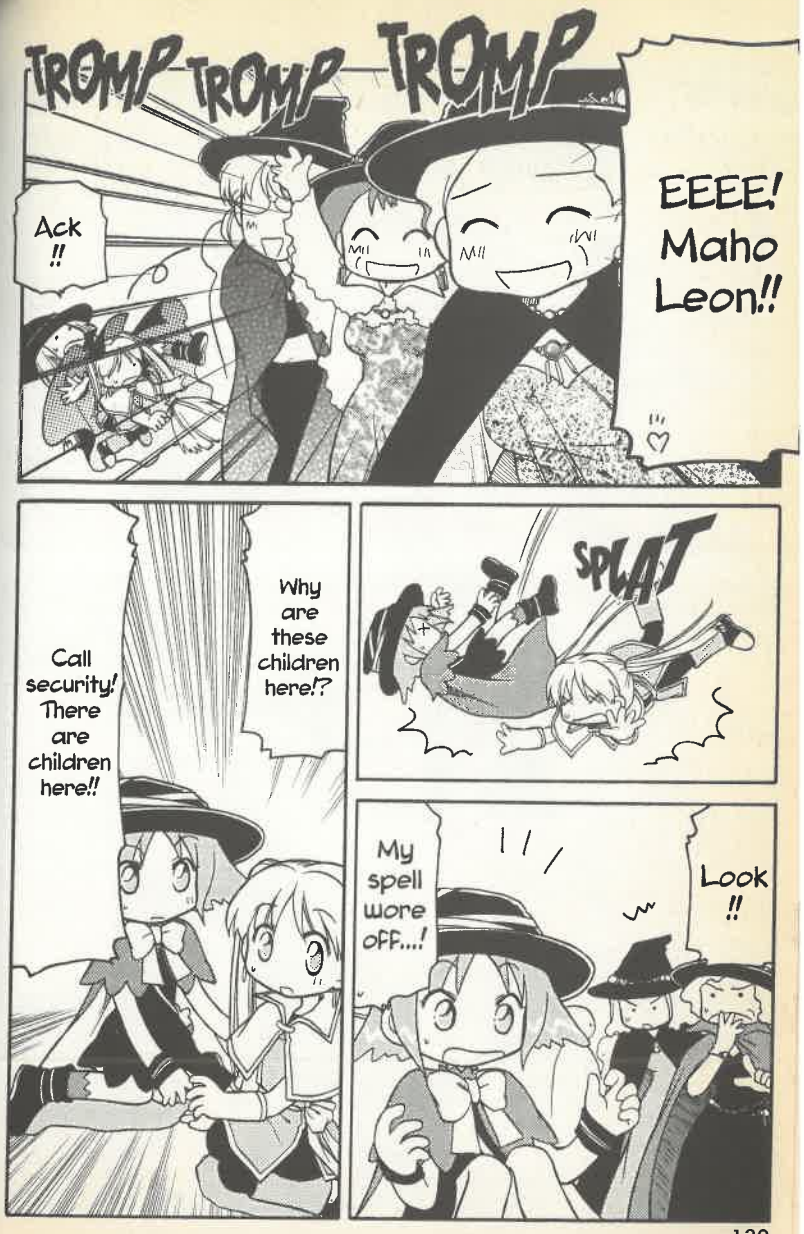
I also tried a spell that would let me eat even after I was full. I kind of messed that one up, though.
I cast spells to change my grades on tests.
Me? Oh...
What about you?



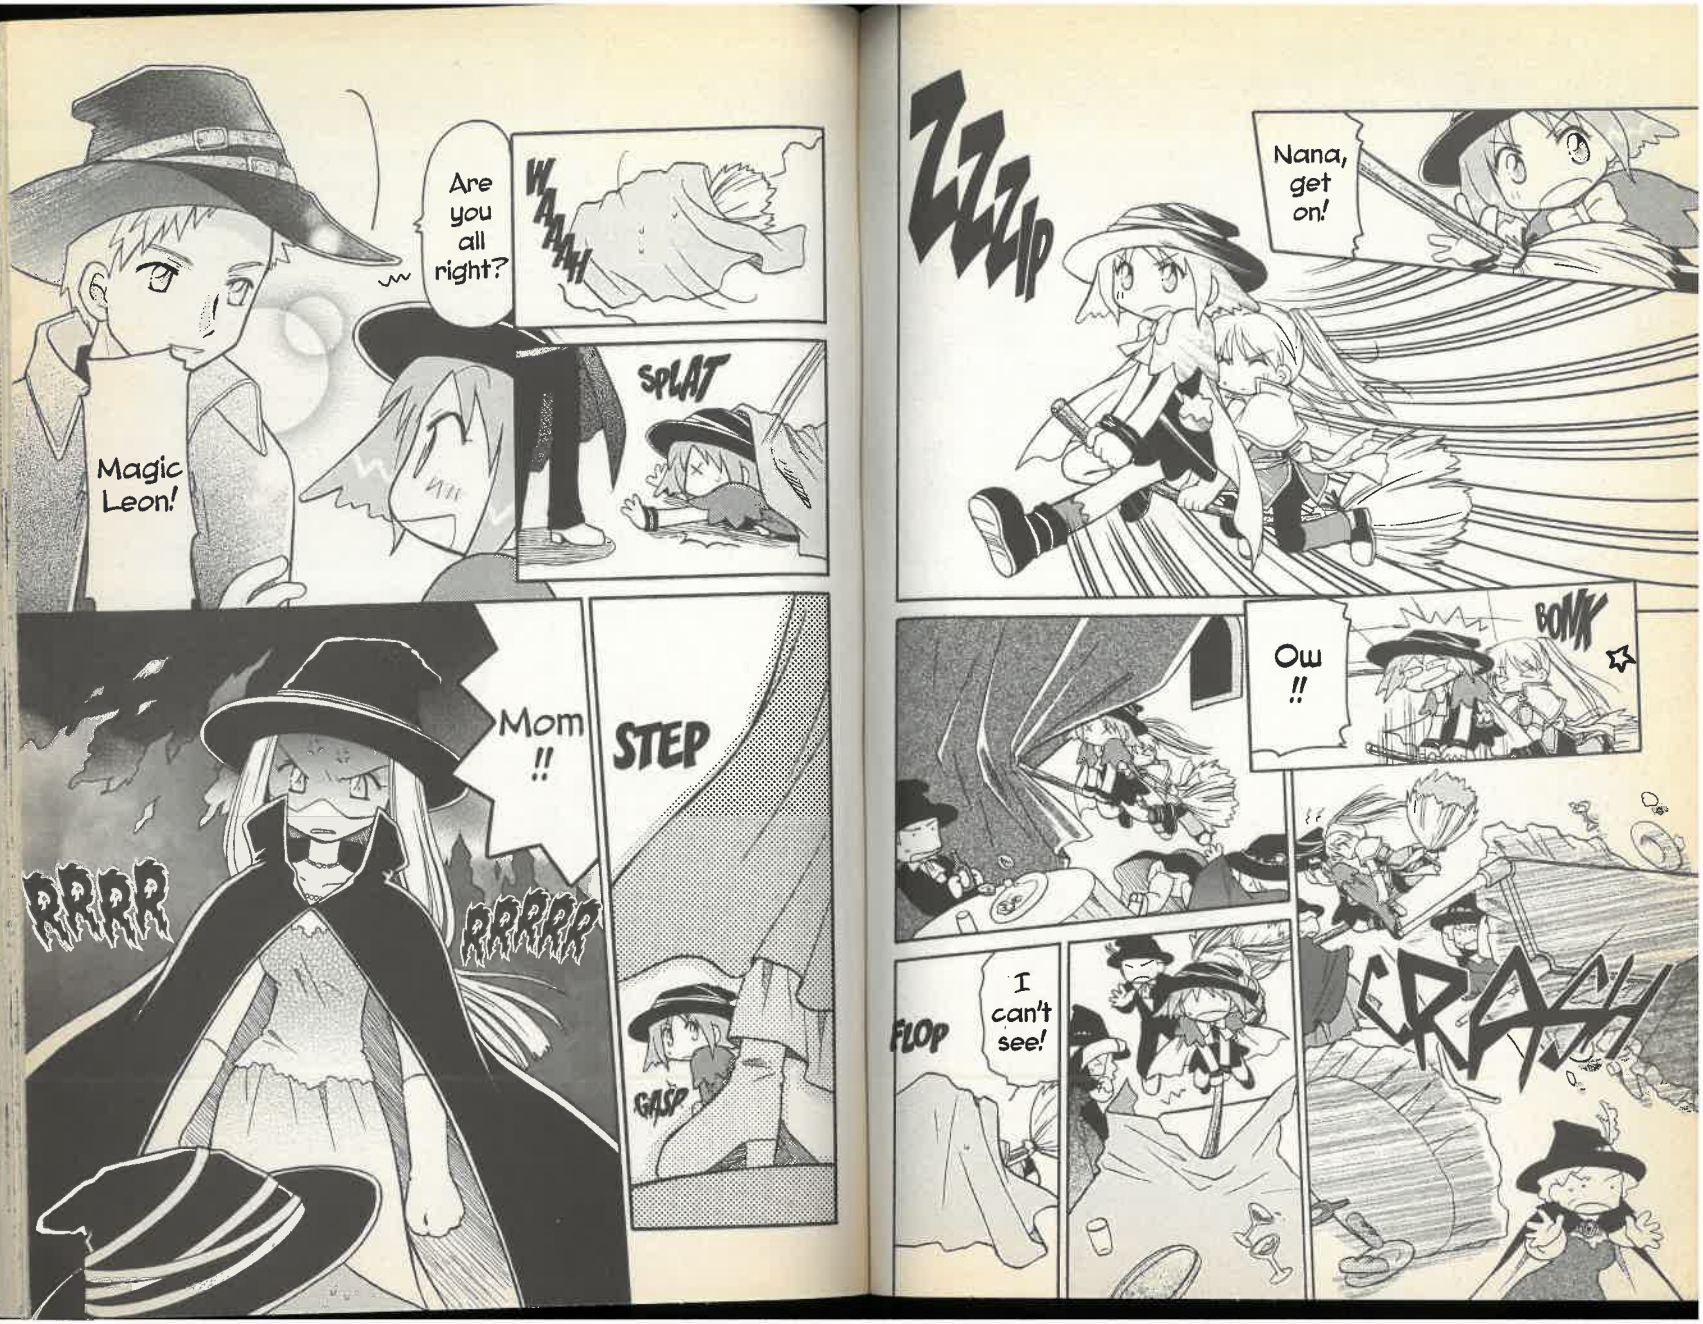
SILENCE...
POM!
I can make a gemstone, too!
MAJO-MAJO MAJOKO!
ROCK!!
Oh, I think they are calling me over there. I should go! See you later!
Majoko, it's getting weird... change the subject!
I put a sea bat's wing and a green pearl in a golden vase, and...
My goodness, what a beautiful gem! How did you make it?
They're showing off gemstones that they made...
What is a rock doing in the middle of the room!?
Look!
DASH
THUD

EEEEEE!
Oh my gosh, it's Magic Leon!!
I know...
Now, I am happy to present our special guest for the night... Mr. Magic Leon!
Oh, Majoko ... your spells aren't fancy at all...
Excuse me! Pardon me!
Coming through!
EEEEEE!
What's going on? Where is he?
I can't see him!
Magic Leon!!
I see him!
Okay.
We have to get out to the front, Nana!

DASH
Run, Nana! Let's get out of here!
Hey, stop! How did you kids get in here!?
Hold it right there!
!!
DORGE
DORGE
Majoko, how can you eat at a time like this?
MUNCH MUNCH



TROMP TROMP TROMP
Ack !!
EEEE! Maho Leon!!
Call security! There are children here!!
Why are these children here!?
SPLAT
My spell wore off...!
Look !!



Are you all right?
WAAAH
SPLAT
Magic Leon!
Mom !!
STEP
GASP
RRRR
RRRRR
ZZZIP
Nana, get on!
Ow !!
BONK
FLOP
I can't see!
CRASH

Kids kids kids... that's all you grown-ups ever say.

You always treat me like a little kid, mom! I can't stand it!!
I really wanted to come to this party with you!!

I don't see the problem...
...with having a couple of young celebrities at this party.

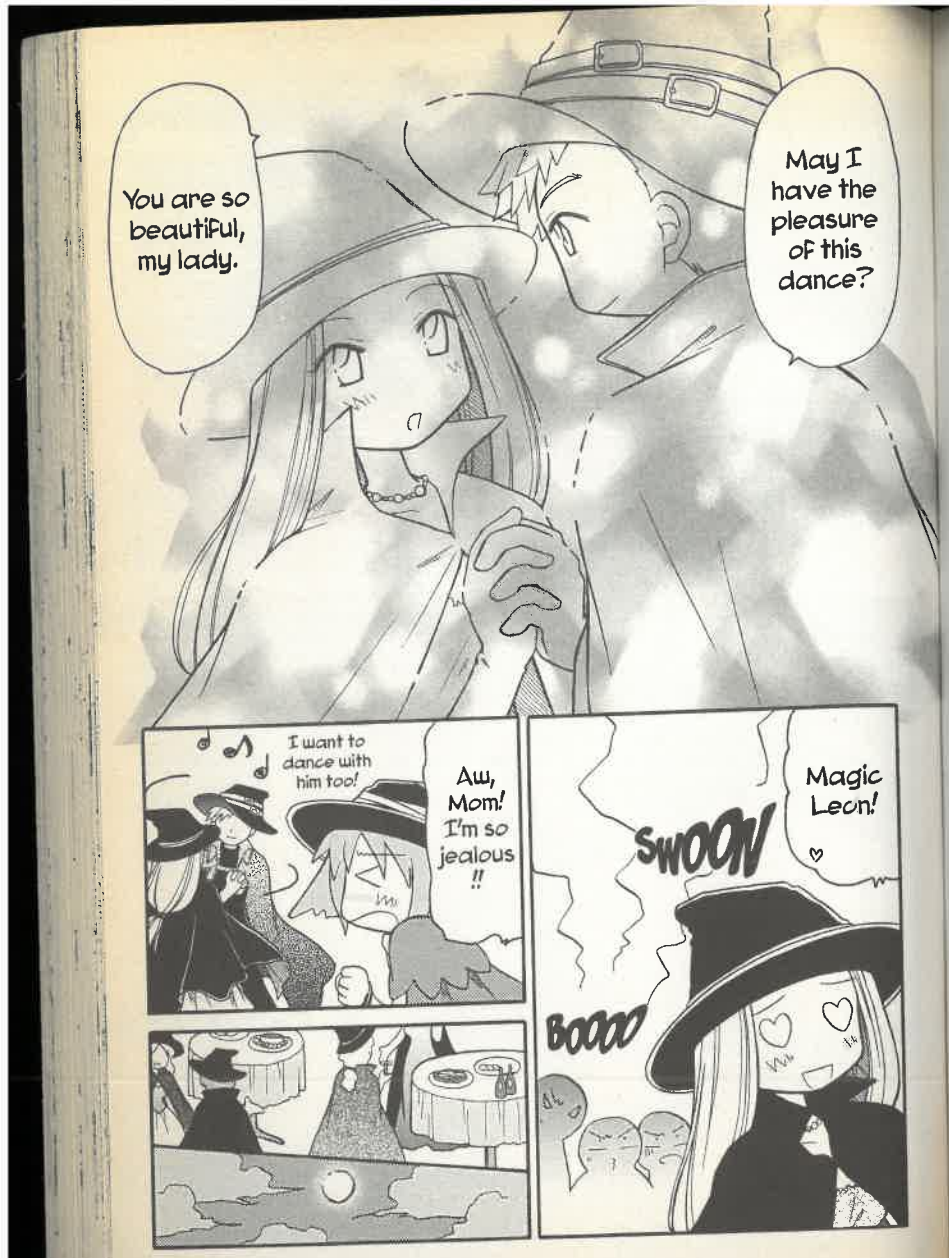
SILENCE...
Majoko ...

HMP.
Meep...

Look at what you have done!!
Majoko ... I should have known!

All this happened because a bunch of women knocked us over. It's not my fault!
Don't talk back to me! I told you kids aren't allowed here!

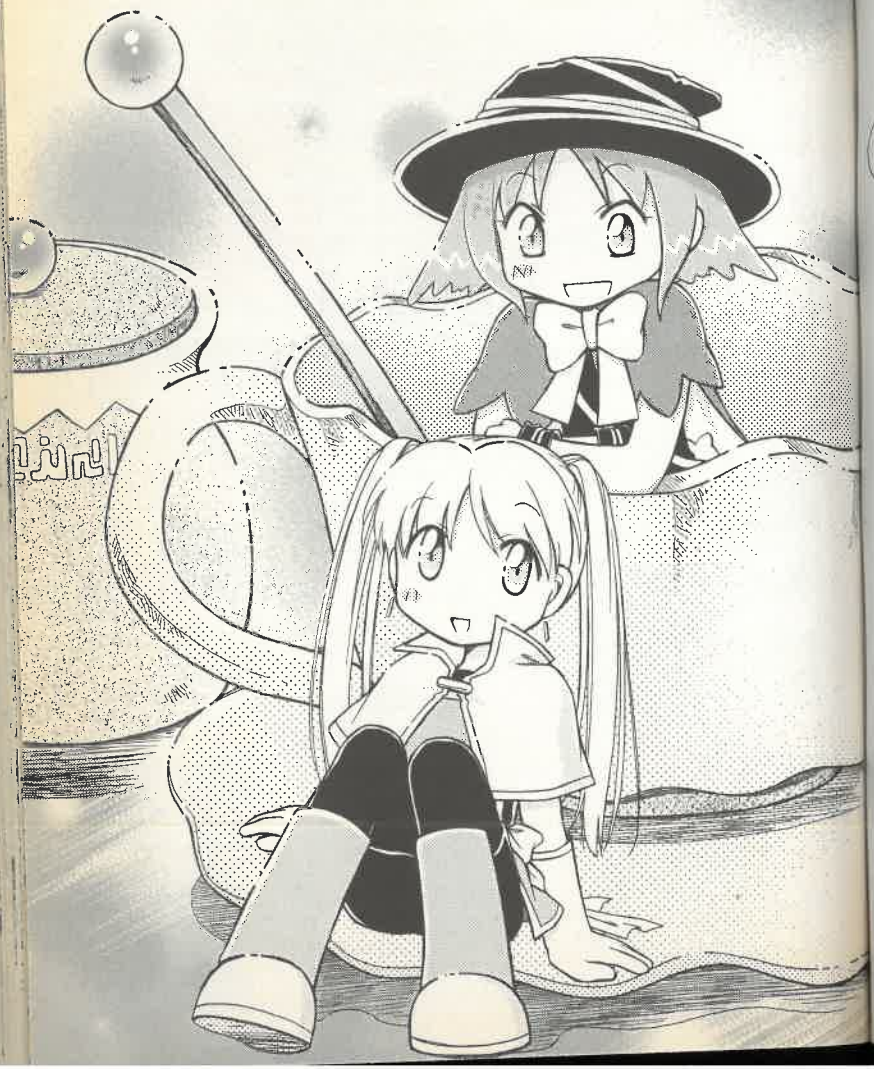
You stole my map and snuck into the party!
I won't let you off easy this time, young lady!

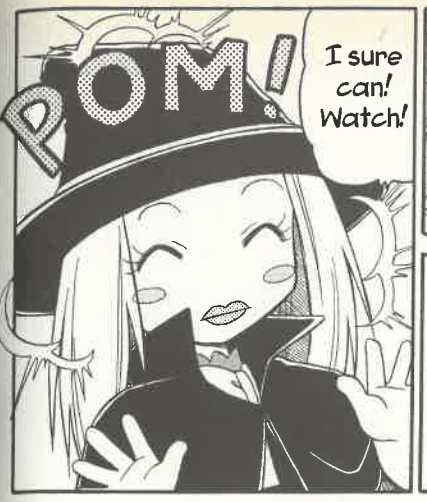


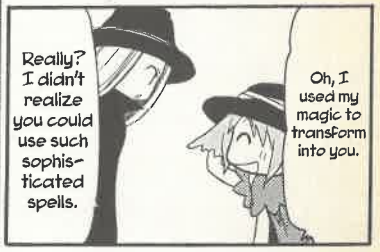
You are so beautiful, my lady.
May I have the pleasure of this dance?
I want to dance with him too!
Aw, Mom! I'm so jealous !!
SWOON
Magic Leon!
BOOOO

Magic Leon !!
It's more fun, don't you agree?
I like parties with a little excitement.
Now that all of that is settled, why don't we go back to enjoying the party?
What a lovely mother and daughter.
CHEER!
I'm sorry.
I suppose I was a little mean to you today, Majoko.
I... I'm sorry too, for ruining the party.

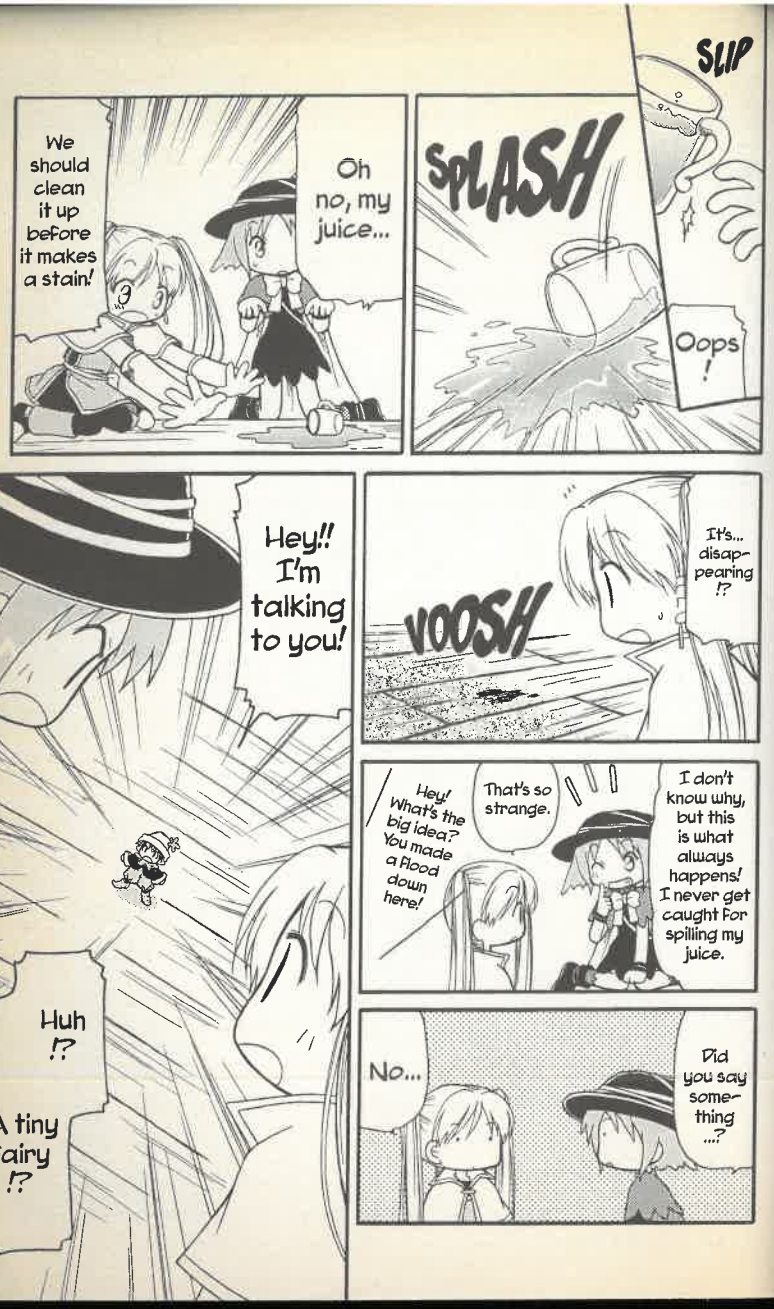
Chapter 21
The Littlest Fairy



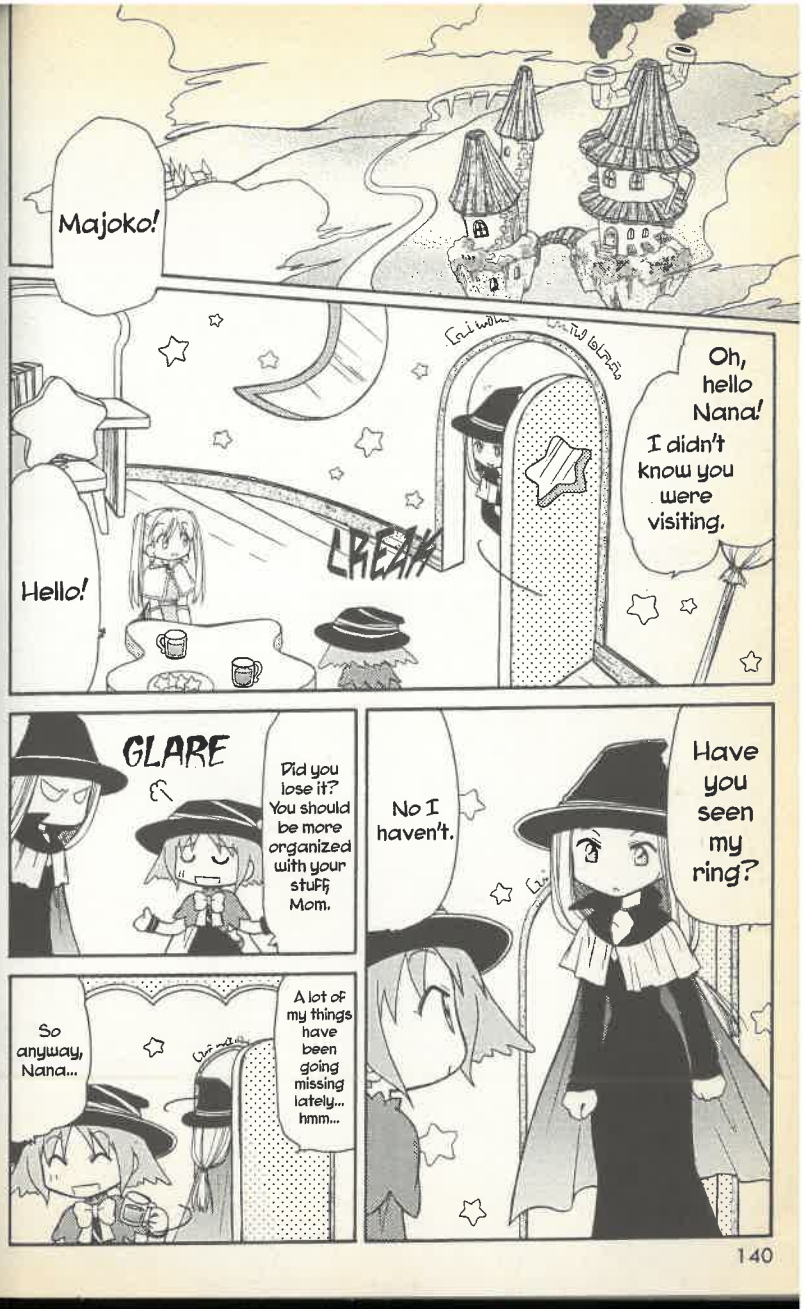




END CHAPTER 20



We should clean it up before it makes a stain!
Oh no, my juice...
SLIP
SPLASH
Oops!
Hey!! I'm talking to you!
VOOSH
It's... disappearing!?
Hey! What's the big idea? You made a flood down here!
That's so strange.
I don't know why, but this is what always happens! I never get caught for spilling my juice.
Huh!?
A tiny fairy!?
No...
Did you say something...?



Majoko!
Hello!
CREAK
Oh, hello Nana! I didn't know you were visiting.
GLARE
Did you lose it? You should be more organized with your stuff, Mom.
No I haven't.
Have you seen my ring?
So anyway, Nana...
A lot of my things have been going missing lately... hmm...

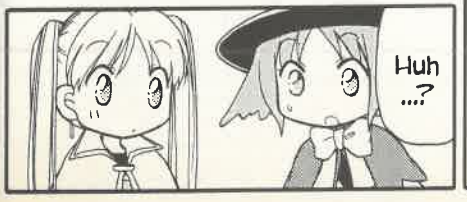
Hey, what are you doing!? Let me go!!
Wow, he's so tiny!

You shouldn't go around calling people tiny! You aren't that big yourself!
Who're you calling tiny!? My name's Pauly!

Every time she does, it causes a flood where I live. I couldn't stand it anymore, and came to complain.
This girl keeps spilling water and juice on the floor.

Ow!
THUD

But you told me to let go...
What're you doing letting me go like that!?
Pauly, what did you mean about a Flood?



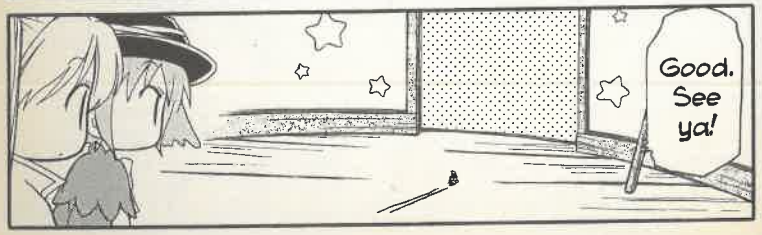
Huh ...?

So anything you drop through your floor comes raining down on us!
The land where I live is connected to your floor by a magical dimension.

Do you get it now!? Be careful from now on, will ya?
You're right...
Yeah, okay. I will.

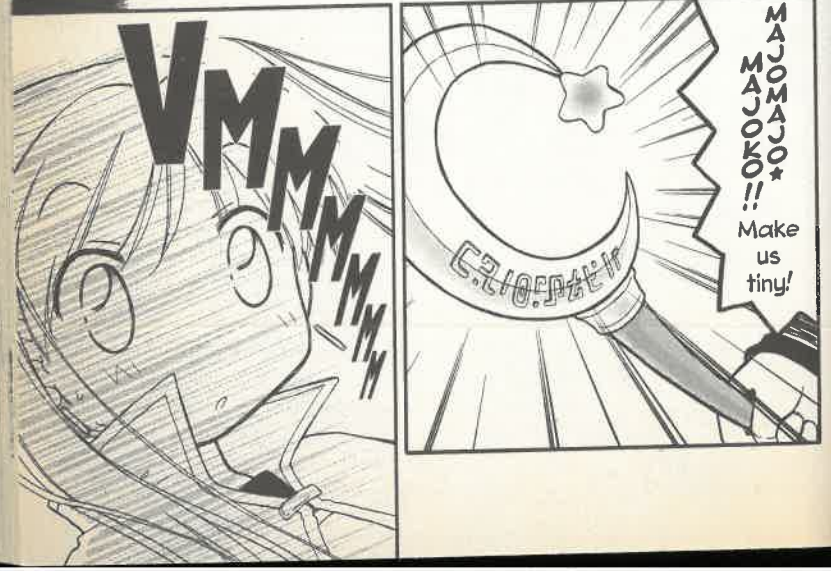
You're spilling juice again!
Really!? That's cool!!

But he is so small, Majoko... even a little juice for us can be a lot for them.
I only spilled a little ...



Good. See ya!

I can shrink us down to your size with my magic!
I'm Majoko, the witch.
Are you always this sour, Pauly?
But how? You're too big to be of any use to me.
I hope it works...
Right, Nana?



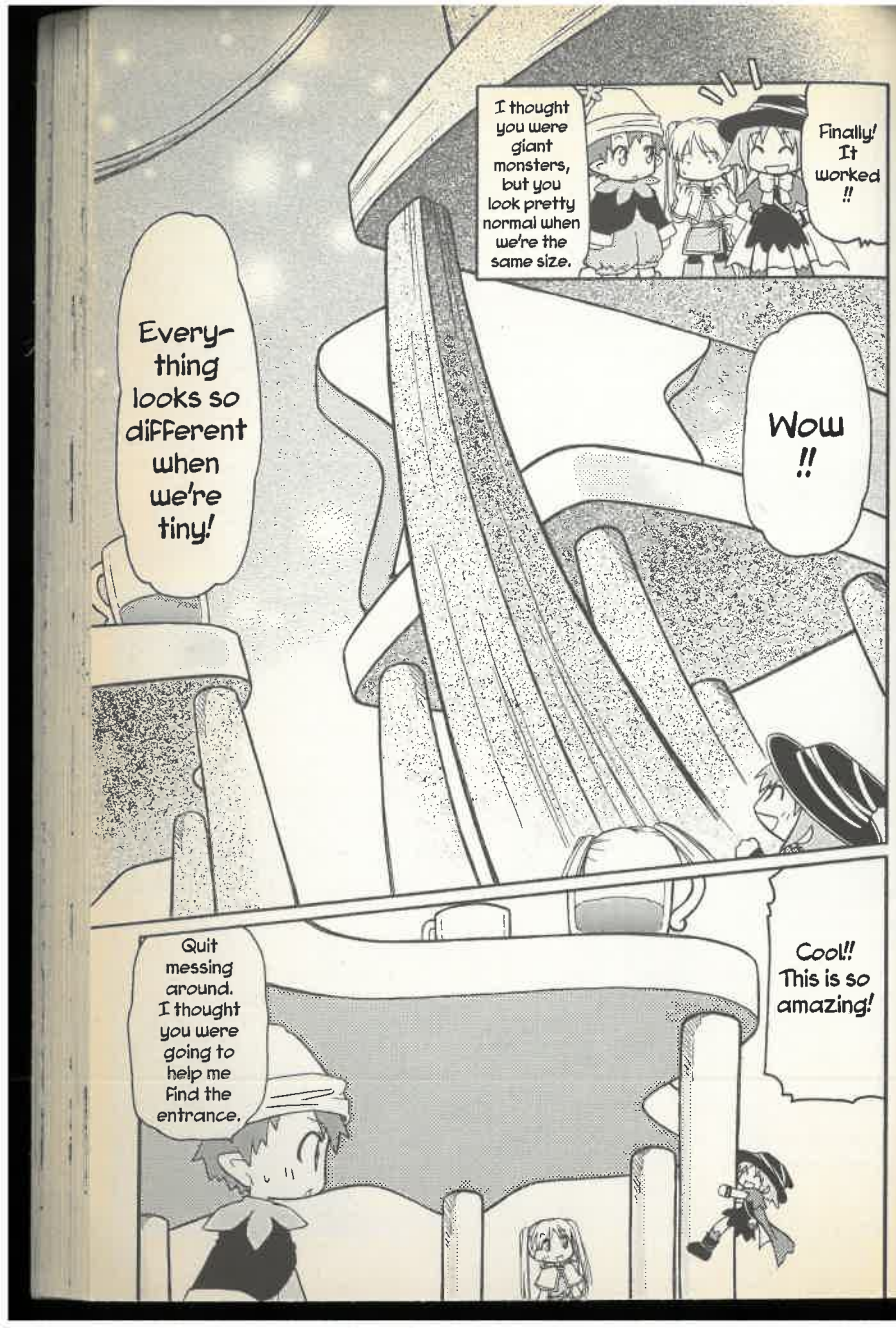
VMMMMMM
MAJOMAJO★ MAJOKO!!! Make us tiny!

What's wrong?
STOP

Don't worry, little guy. We'll help you find it.
So the entrance to your land is somewhere in my floor, right?
You will!?

Getting back isn't easy, you know! It's complicated!!
I know! You can't figure out how to get back home, can you?

Majoko, you shouldn't treat him like a kid just because he's small...
I knew it! You're lost! You talk big, but you're just a little kid.
You guys are kids too!



I thought you were giant monsters, but you look pretty normal when we're the same size.
Finally! It worked !!
Every-thing looks so different when we're tiny!
Wow !!
Quit messing around. I thought you were going to help me find the entrance.
Cool!! This is so amazing!

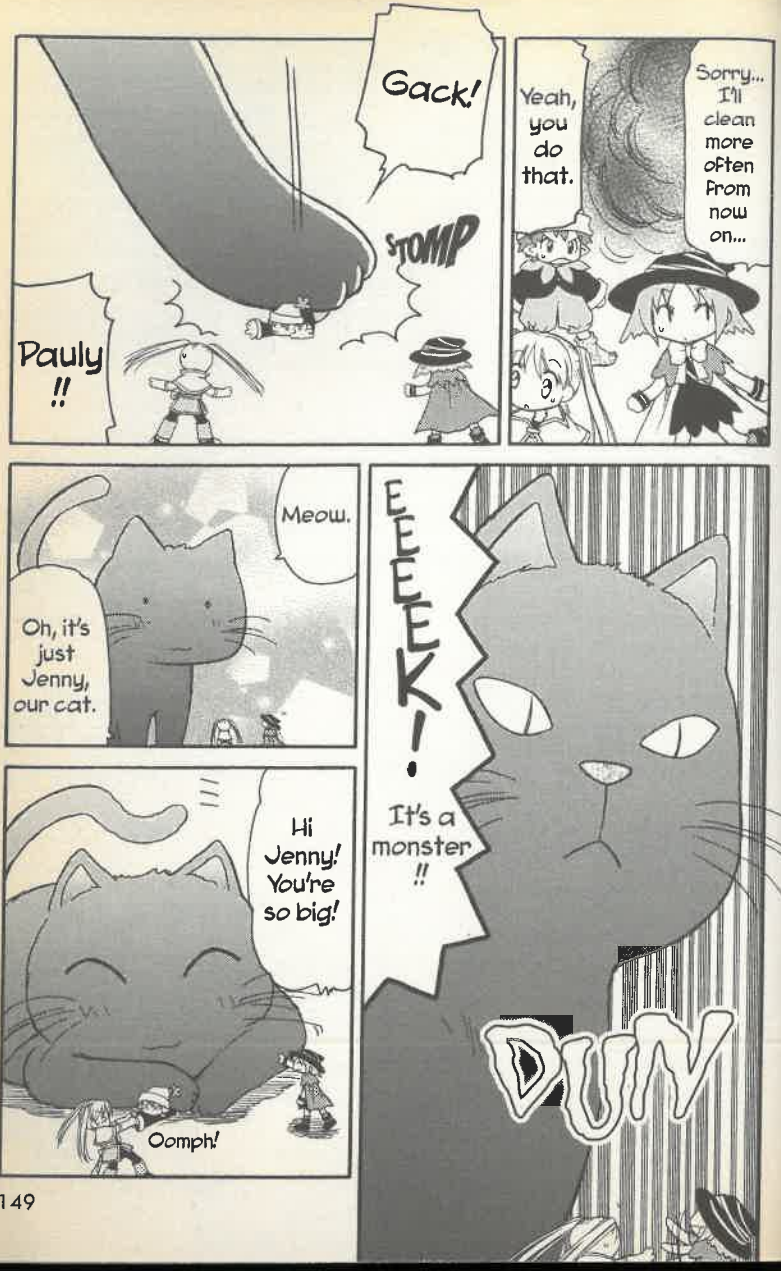
Oops... It didn't shrink your head with your body...
WAAAH! Fix me!

BAM!!

That's strange ...
? ?
MAJOKO!!
I don't think she knows what she's doing...
Let me try again!
One more time!

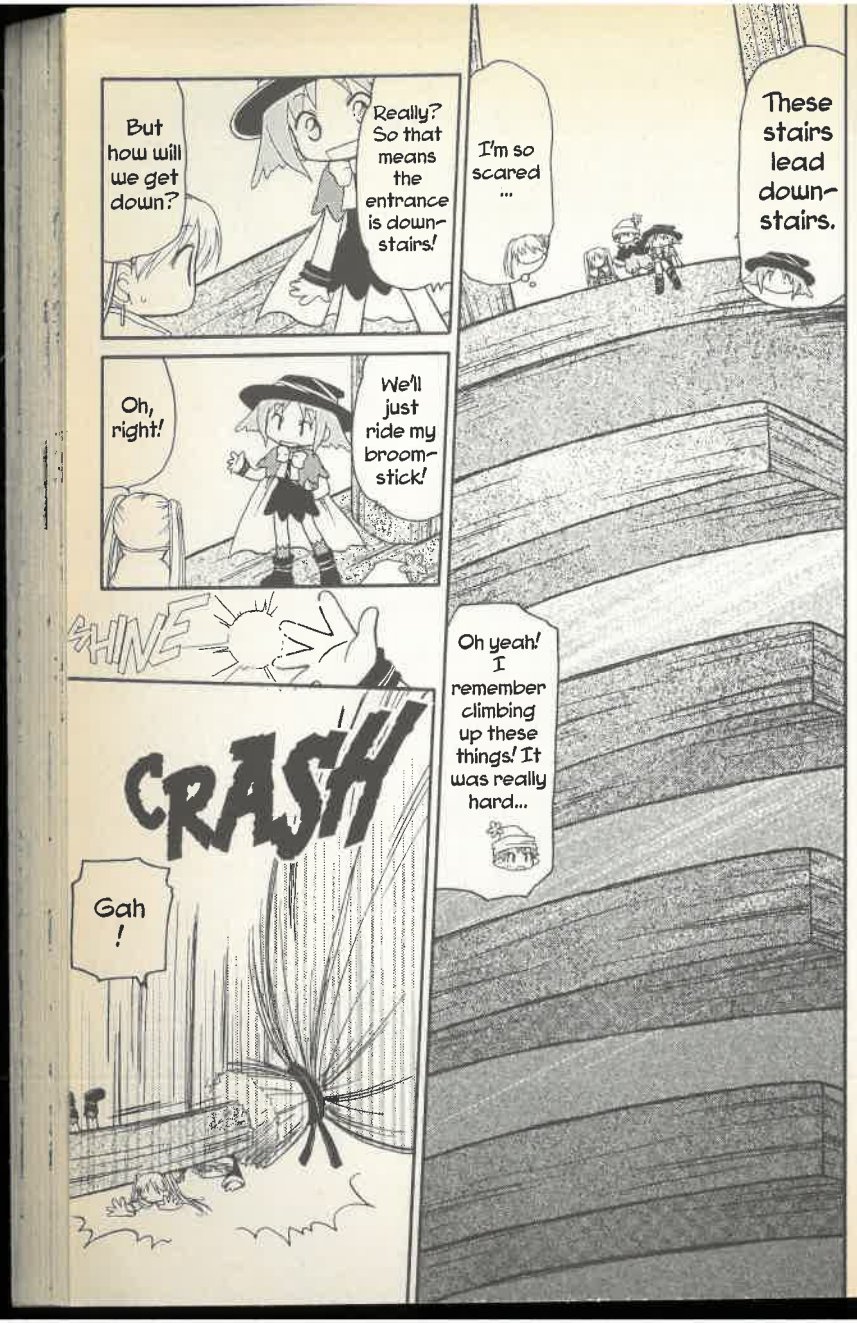
Sorry, I'll try again!

FLOOP

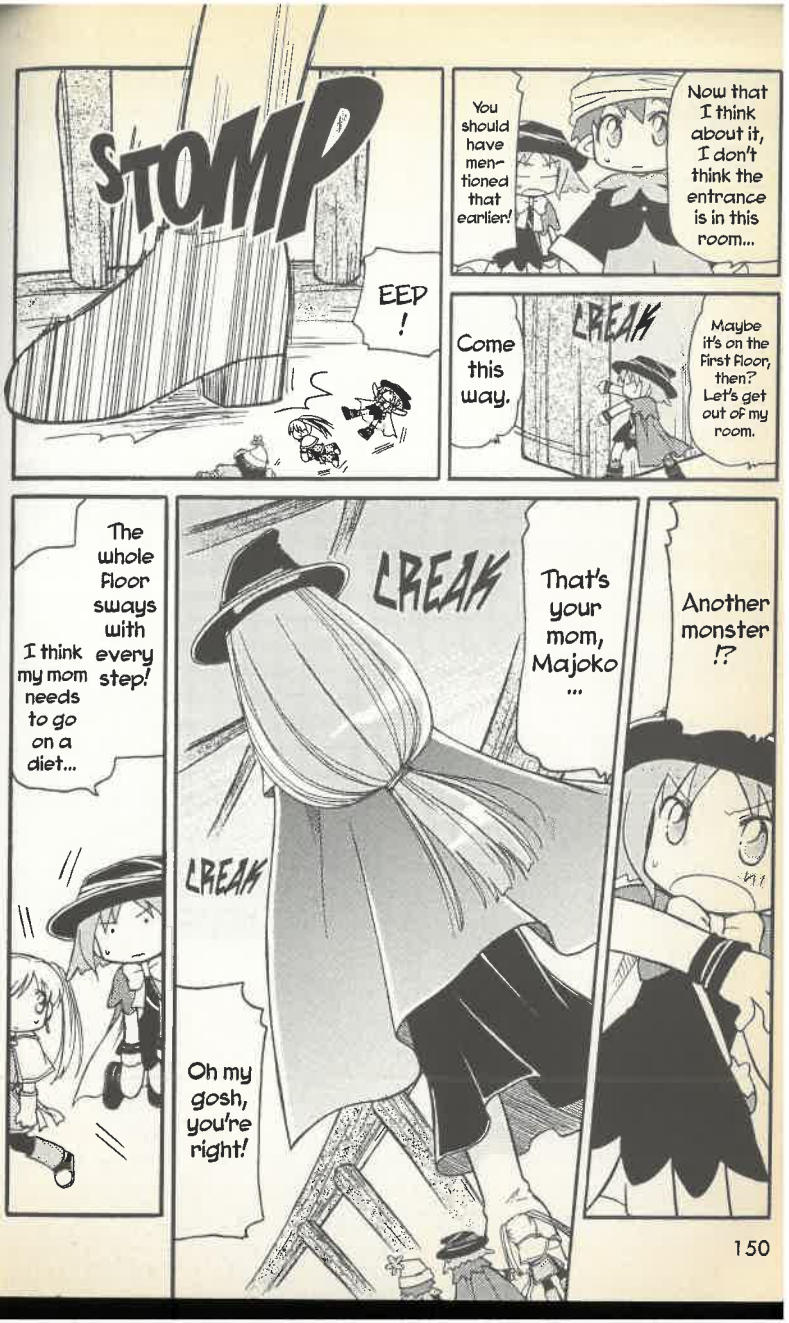


Gack!
STOMP
Pauly !!
Yeah, you do that.
Sorry... I'll clean more often from now on...
Meow.
Oh, it's just Jenny, our cat.
EEEEK!
It's a monster !!
DUN
Hi Jenny! You're so big!
Oomph!

Hm?
What's that thing in the corner? Let's go check it out!
Let's start by looking in my room.
Don't worry! This is my house. If anyone can find the entrance, it's me!
SMOKY
!?
Huh !?
We always have dust pouring into our land!
It's dust! You haven't been cleaning your room, have you?
What is this!?
COUGH COUGH
It's so dark in here, I can't see anything!

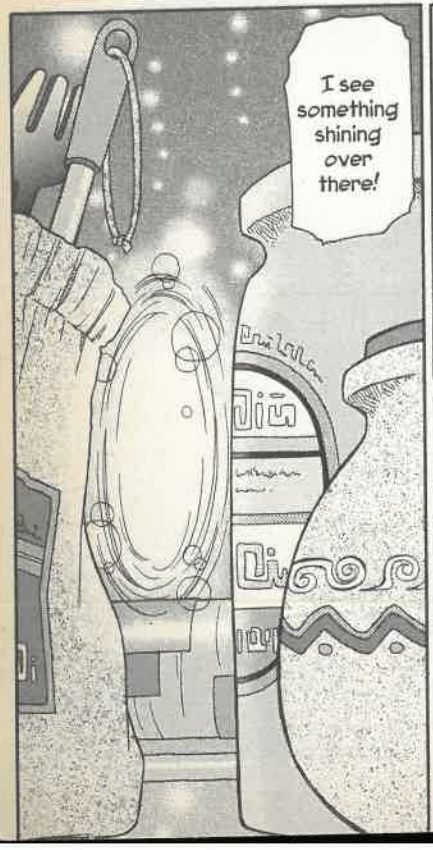


These stairs lead down-stairs.
I'm so scared ...
Really? So that means the entrance is down-stairs!
But how will we get down?
We'll just ride my broom-stick!
Oh, right!
Oh yeah! I remember climbing up these things! It was really hard...
SHINE
CRASH
Gah !



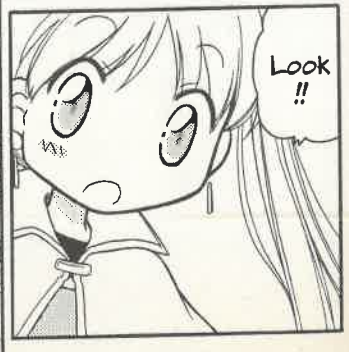
STOMP
EEP !
You should have men-tioned that earlier!
Now that I think about it, I don't think the entrance is in this room...
Come this way.
CREAK
Maybe it's on the first floor, then? Let's get out of my room.
I think my mom needs to go on a diet...
The whole floor sways with every step!
CREAK
CREAK
That's your mom, Majoko ...
Oh my gosh, you're right!
Another monster !?

I think it's flour!
PUFF
PUFF
PUFF
What is this stuff!? I can't see a thing!
COUGH
COUGH



I see something shining over there!

It's starting to clear away...
FLAP
FLAP



Look !!

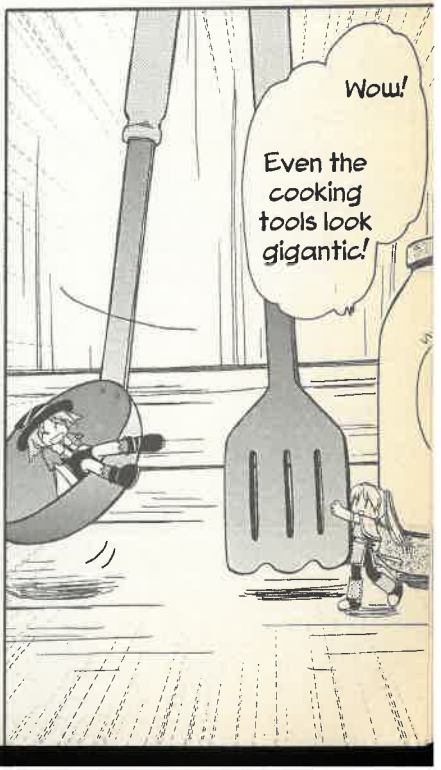
So the entrance must be somewhere in the kitchen here!
Yeah, I remember seeing this place!

Your spells are a hazard.
Why didn't my broomstick shrink with me !?

I never thought I'd have so much trouble climbing down the stairs...

BUMP

Agh!
PUFF



Wow!
Even the cooking tools look gigantic!

This is where I live.

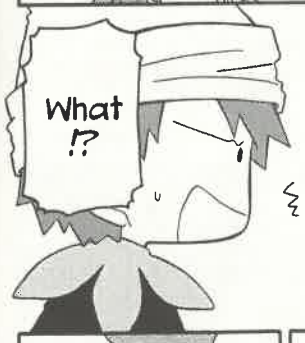
Cool !!
Most of the stuff here is stuff that you dropped in your house.

That vase looks familiar ...
That little vase is a house? It's so cute!

I told you we're con-nected.
Hey! That button's mine! I lost it some time ago.

See ya!
Now I can go home. Thanks!
Not so fast, Pauly.

Really? We found it!!
That's it! That's the entrance

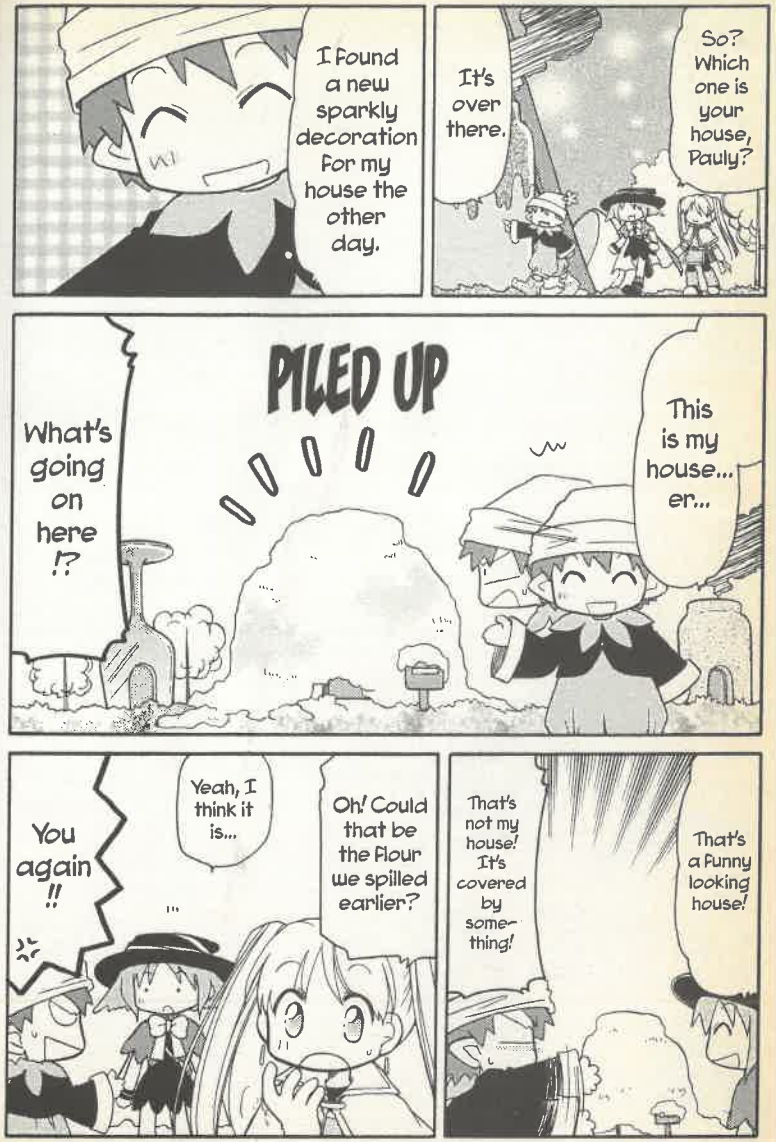


What !?

We're going with you!!

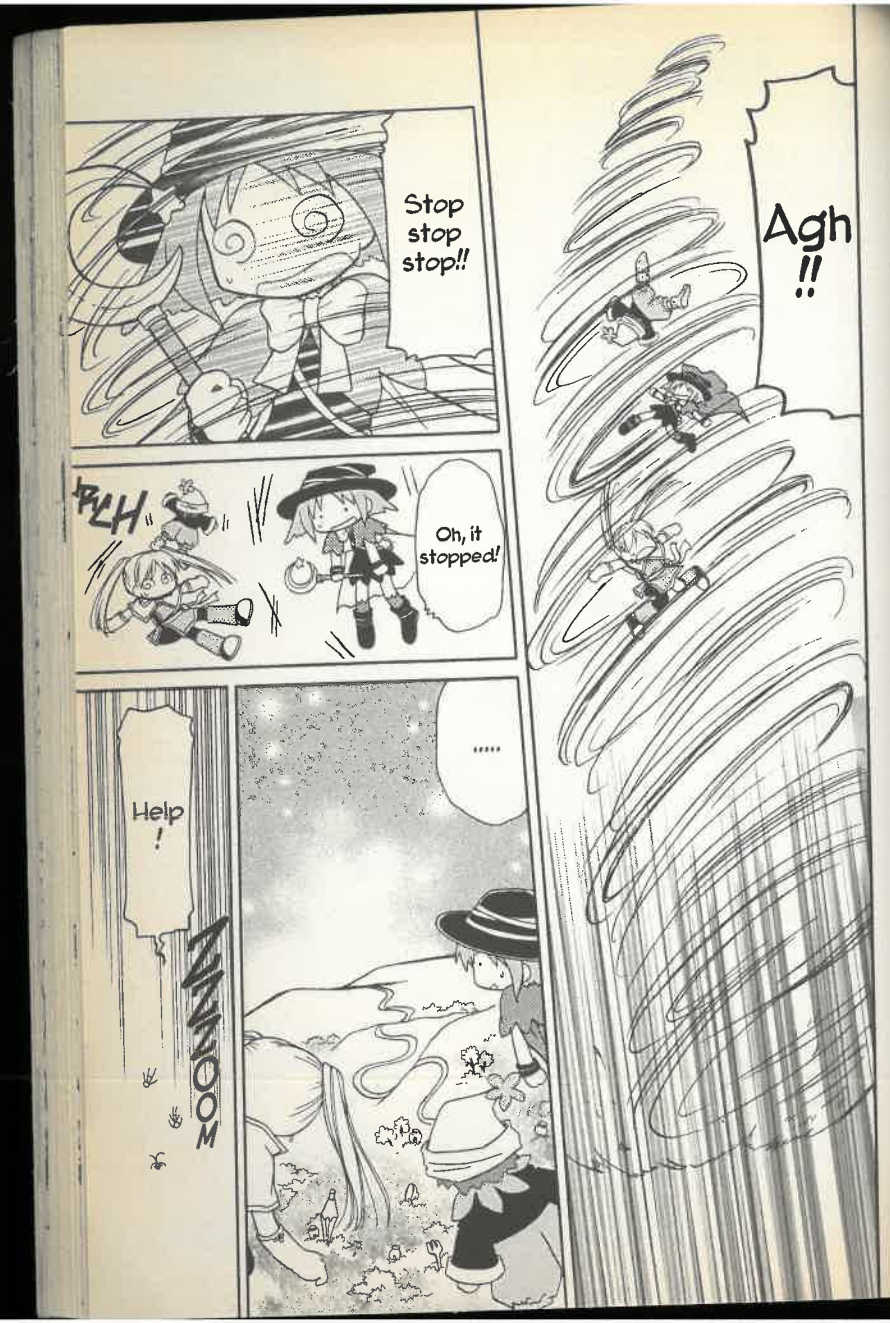
Hey, don't push me!
SHOVE
Don't worry about it! Let's go!

But... I don't know if it's a good idea to bring someone like you to our home...
It's not every day that we get to be tiny. I want to see where tiny fairies live!



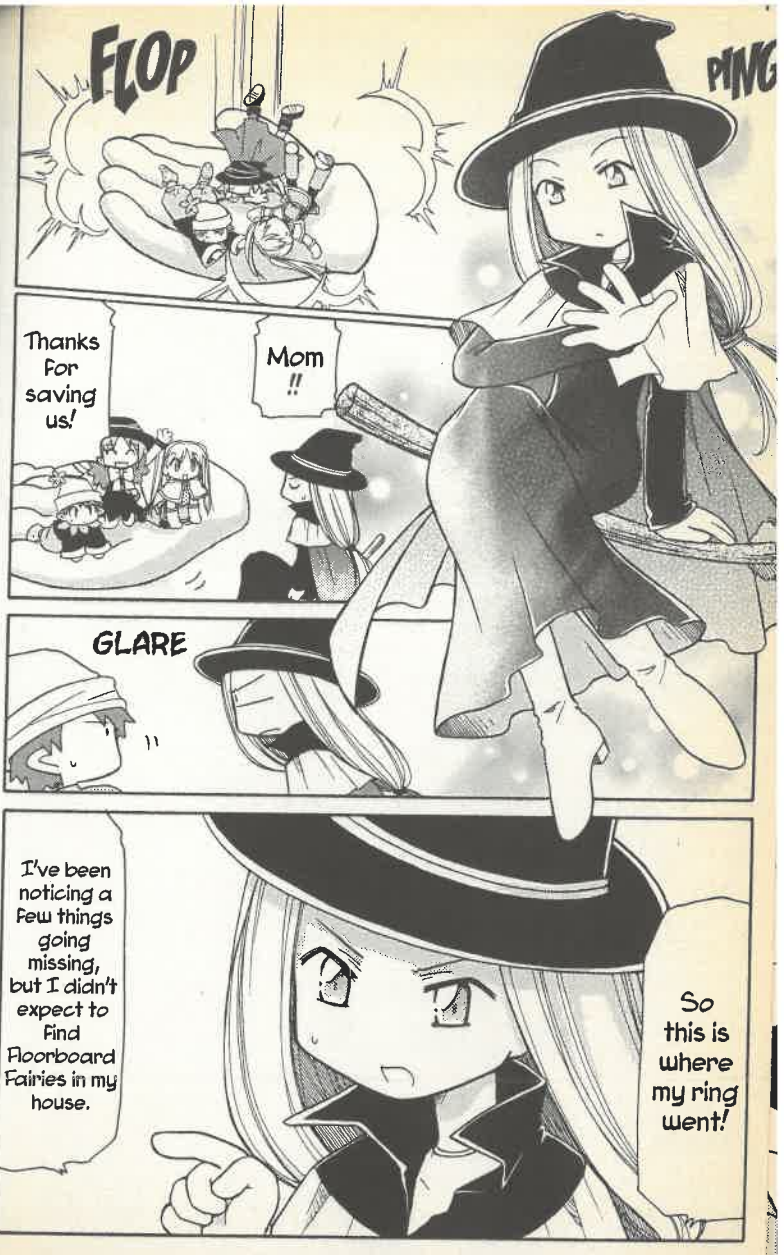
I found a new sparkly decoration for my house the other day.
It's over there.
So? Which one is your house, Pauly?
PILED UP
What's going on here!?
This is my house... er...
You again!!
Yeah, I think it is...
Oh! Could that be the flour we spilled earlier?
That's not my house! It's covered by something!
That's a funny looking house!

POP
MAJO-MAJO MAJOKO!! Blow away the flour!
Sorry! I'll get rid of it, don't worry!
Hm...?
The flour is being blown away!
FOOSH
SHHH...
Yeah, I'm pretty amazing.
You actually did something right!

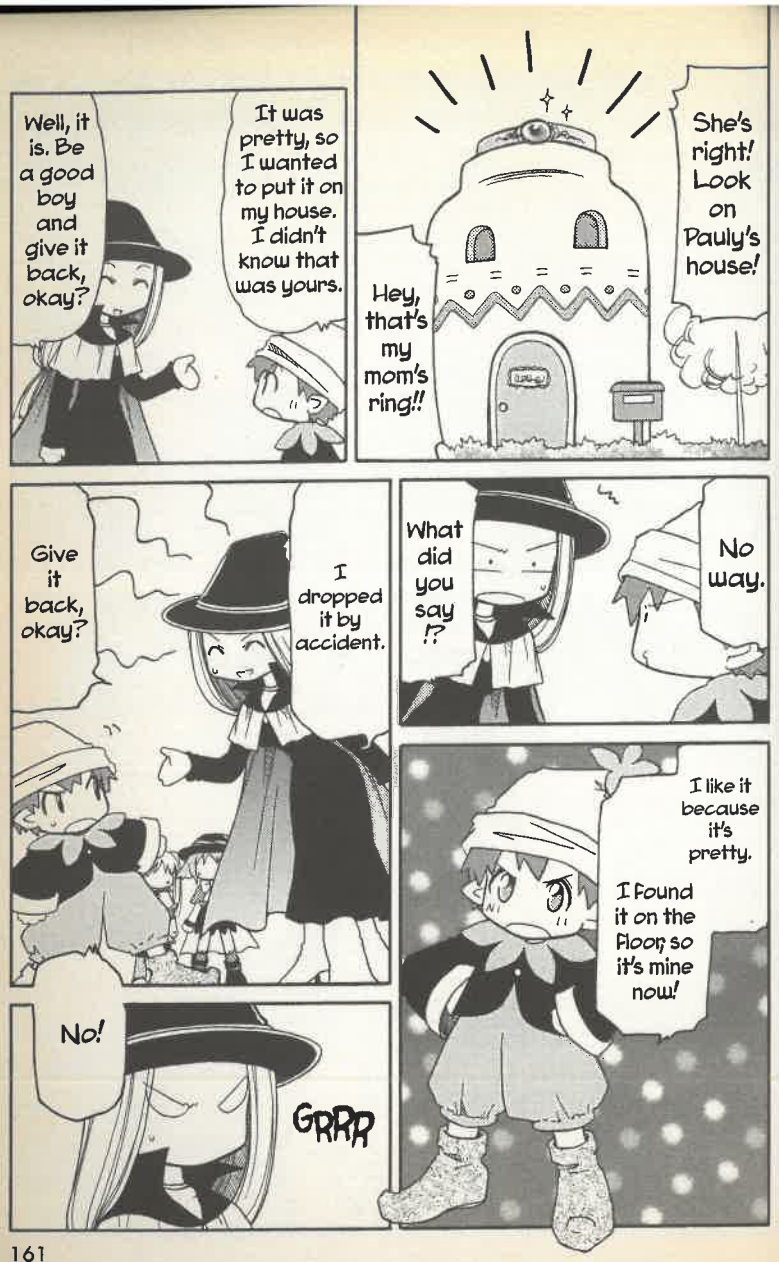


Stop stop stop!!
Agh !!
Oh, it stopped!
Help !
WOOOM
.....

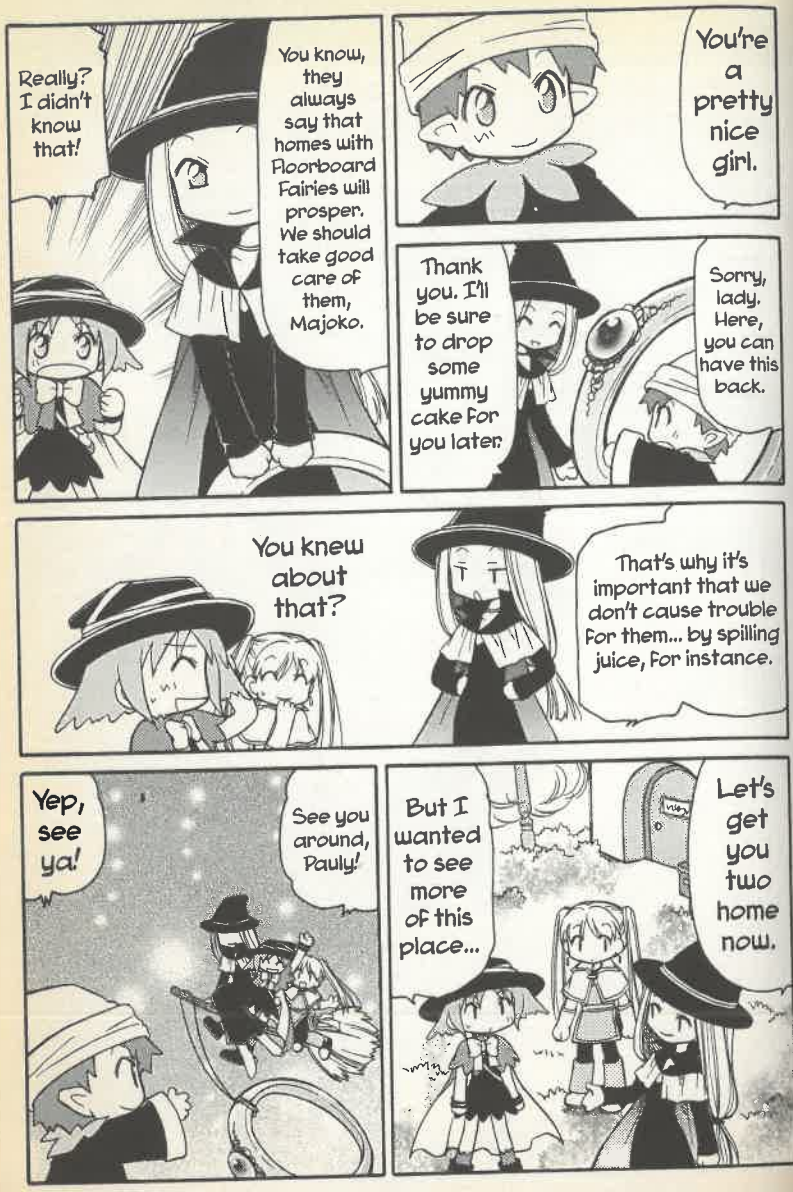
Majoko, it's coming this way!!
Er... Uhm... How do I stop my spell...?
SHOOOM
Hey, you're blowing my house away!!
All the wind must have built up into a tornado! I guess my spell went too far.
Every-body, run!!
SHOOOOOM



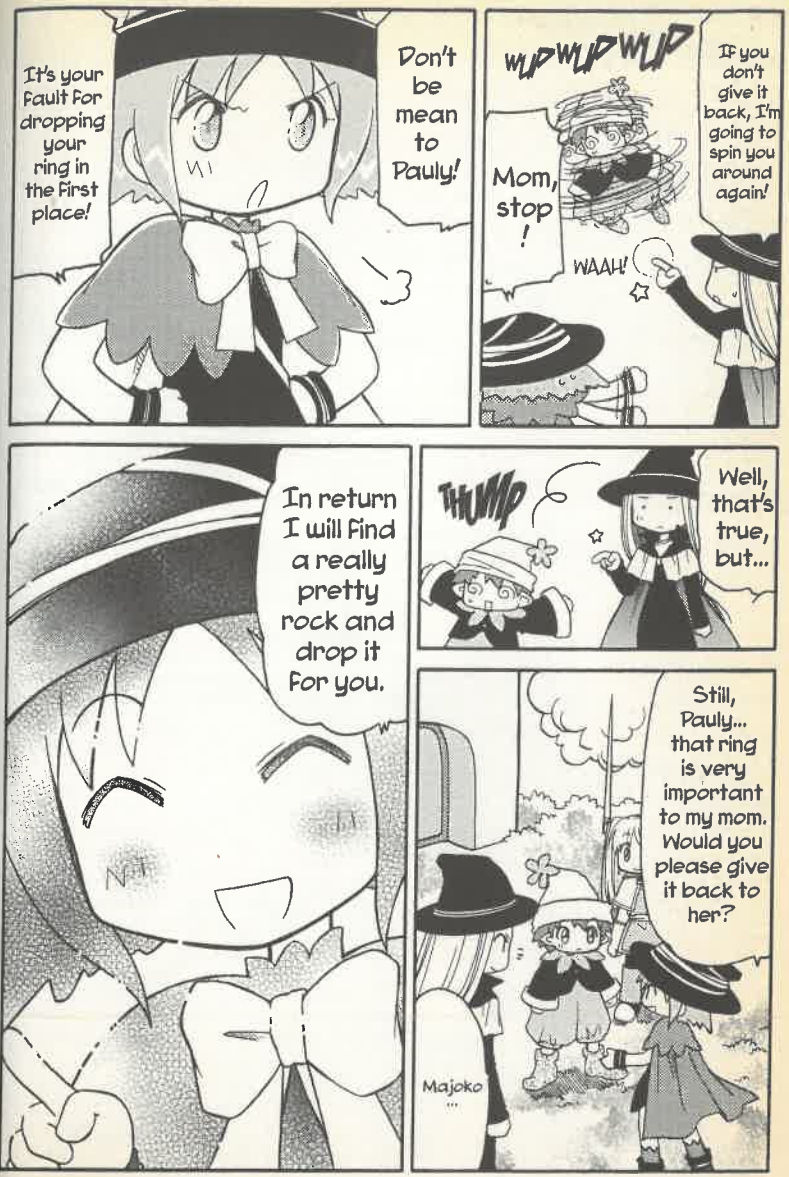
FLOP
PING
Thanks for saving us!
Mom !!
GLARE
I've been noticing a few things going missing, but I didn't expect to find floorboard fairies in my house.
So this is where my ring went!



Well, it is. Be a good boy and give it back, okay?
It was pretty, so I wanted to put it on my house. I didn't know that was yours.
Hey, that's my mom's ring!!
She's right! Look on Pauly's house!
Give it back, okay?
I dropped it by accident.
What did you say !?
No way.
No!
GRRR
I like it because it's pretty.
I found it on the floor; so it's mine now!



Really? I didn't know that!
You know, they always say that homes with Floorboard Fairies will prosper. We should take good care of them, Majoko.
You're a pretty nice girl.
Thank you. I'll be sure to drop some yummy cake for you later.
Sorry, lady. Here, you can have this back.
You knew about that?
That's why it's important that we don't cause trouble for them... by spilling juice, for instance.
Yep, see ya!
See you around, Pauly!
But I wanted to see more of this place...
Let's get you two home now.

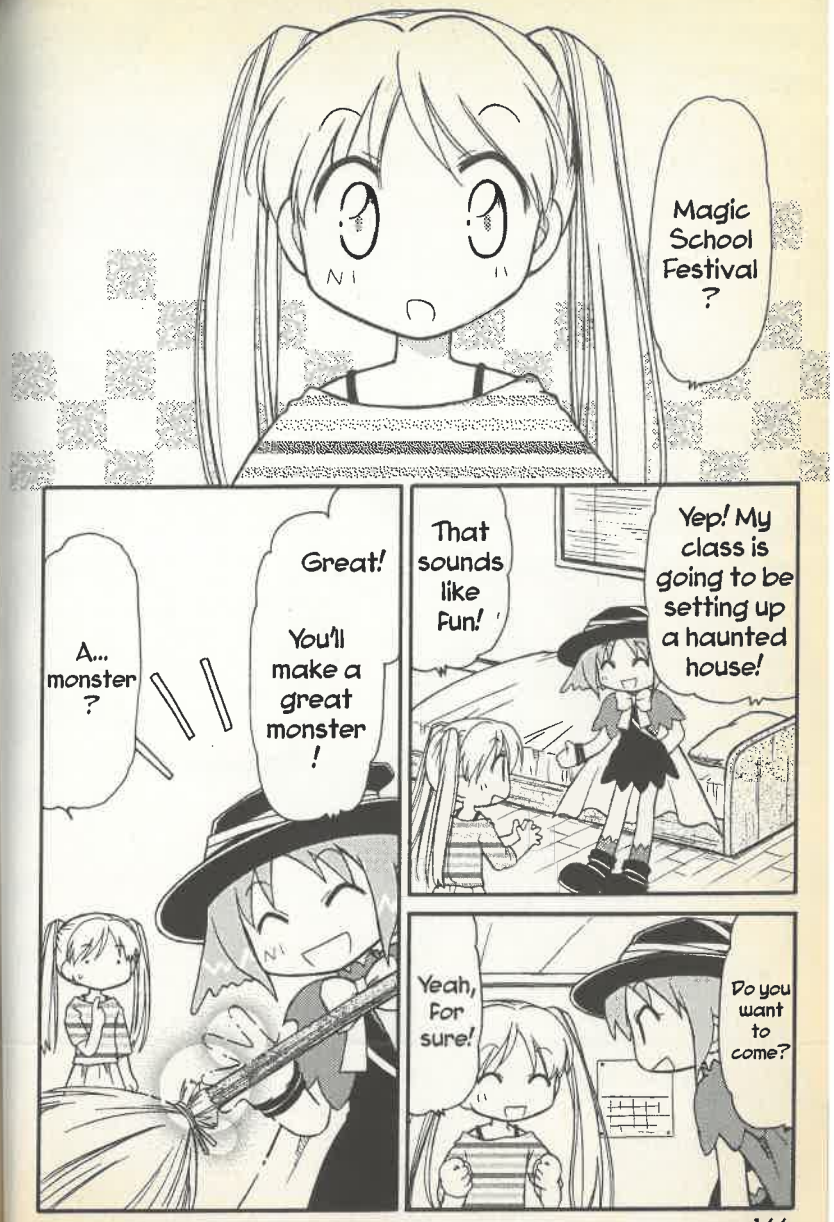


It's your fault for dropping your ring in the first place!
Don't be mean to Pauly!
WUPWUPWUP
Mom, stop!
WAAH!
If you don't give it back, I'm going to spin you around again!
In return I will find a really pretty rock and drop it for you.
THUMP
Well, that's true, but...
Still, Pauly... that ring is very important to my mom. Would you please give it back to her?
Majoko...

Chapter 22
The Ultimate Haunted House

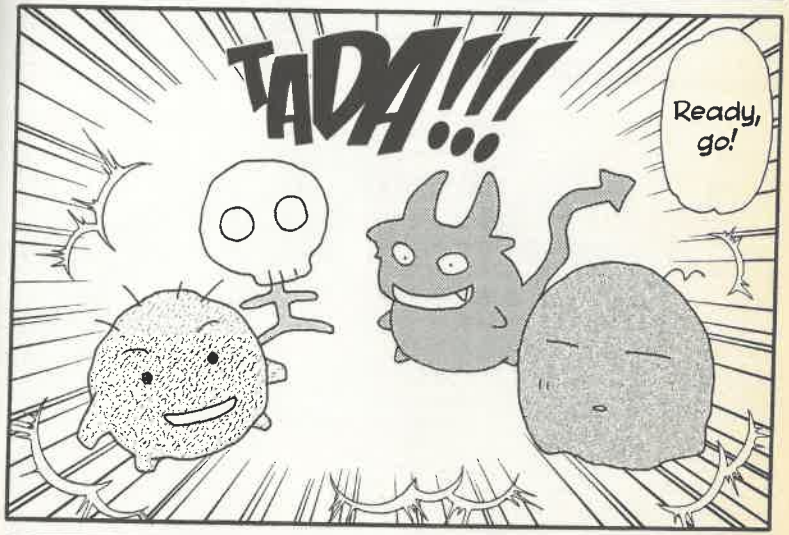
END CHAPTER 21

I heard you're going to be a monster for our haunted house?
Welcome, Nana!
It's been a long time since I visited your school.
But Nana's not very scary.
It seems that way...
Don't worry! I can make her scary with my magic!
Don't listen to her! I'll make you into a super cool monster!
With Majoko's magic, you'll probably turn out looking like this. Are you sure you want that?
A... "super cool" monster ....?
Every-one's waiting to see you.

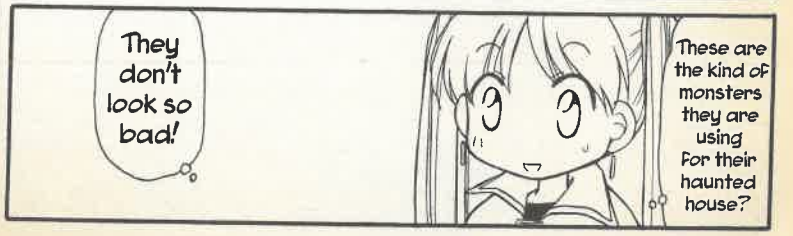


Magic School Festival ?
A... monster ?
Great! You'll make a great monster !
That sounds like fun!
Yep! My class is going to be setting up a haunted house!
Yeah, for sure!
Do you want to come?

Okay!
Yeah, Majohra's right. Let's all give it a try.
We should do our best to make monsters from scratch instead of turning poor Nana into one!
PHEW
Hold on, you guys. The Festival is meant to be a place where we can show how much we have improved our magic skills.



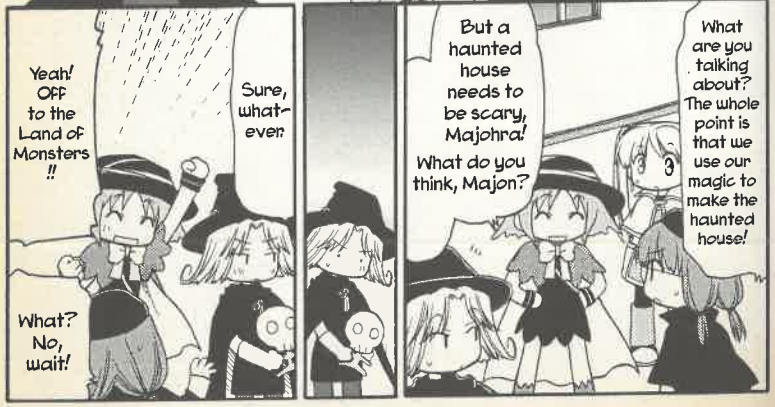
TADA!!!
Ready, go!



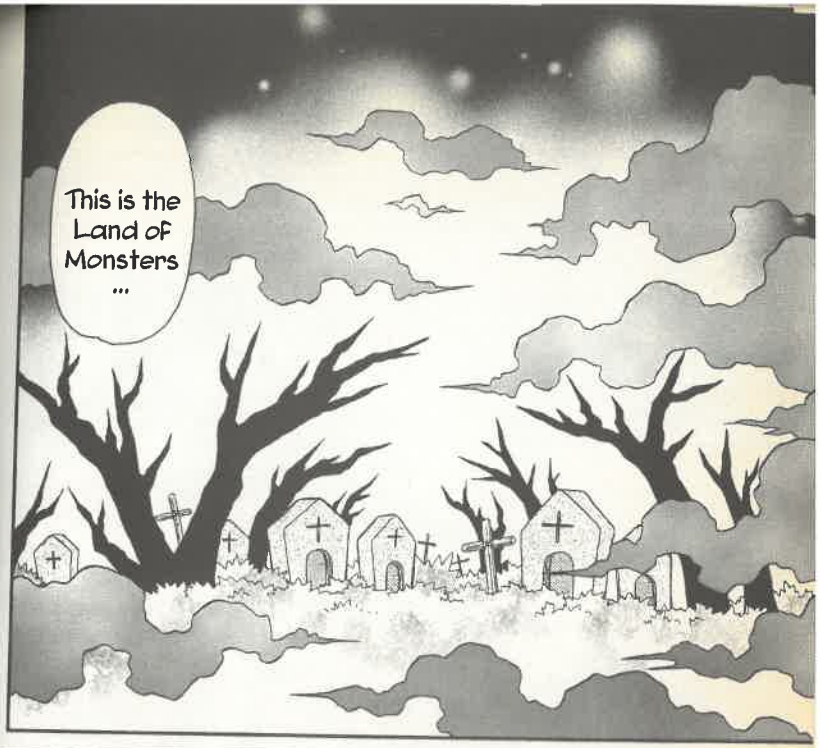
They don't look so bad!
These are the kind of monsters they are using for their haunted house?

I... My hand slipped, that's all.
What about this one? Isn't this yours?
Oh, so these are mistakes... I thought so.
These are supposed to be monsters? They aren't the least bit scary!

That's a great idea!
We'll have the best haunted house ever!
I know! Let's go to the Land of Monsters and ask them to help us out!

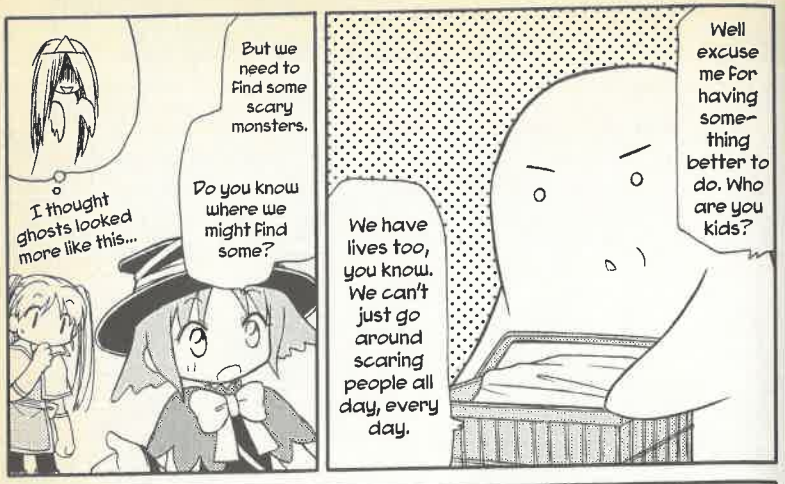


Yeah! Off to the Land of Monsters!!
Sure, whatever.
What? No, wait!
But a haunted house needs to be scary, Majohra! What do you think, Majon?
What are you talking about? The whole point is that we use our magic to make the haunted house!

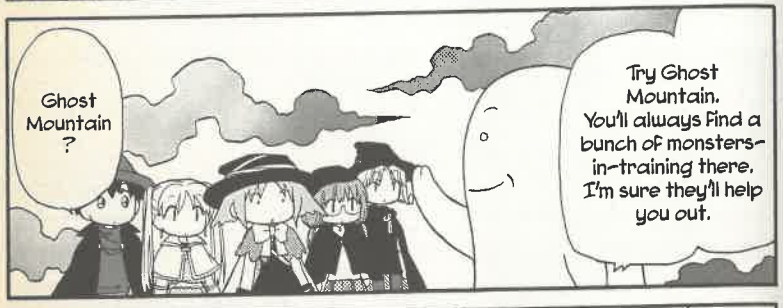


This is the Land of Monsters ...

Look, there's a ghost!
That's a ghost? He's not scary at all!
You worry too much, Majohra.
Let's see...
We're going to get in trouble for this...



I thought ghosts looked more like this...
But we need to find some scary monsters.
Do you know where we might find some?
We have lives too, you know. We can't just go around scaring people all day, every day.
Well excuse me for having something better to do. Who are you kids?



Ghost Mountain ?
Try Ghost Mountain. You'll always find a bunch of monsters-in-training there. I'm sure they'll help you out.

Oh, now that looks like a scary place!
It's that mountain over there.

Hello?
Monsters? Anybody home?

YAAA !!!!
Woosh

I can't see anything ...

Excuse me!

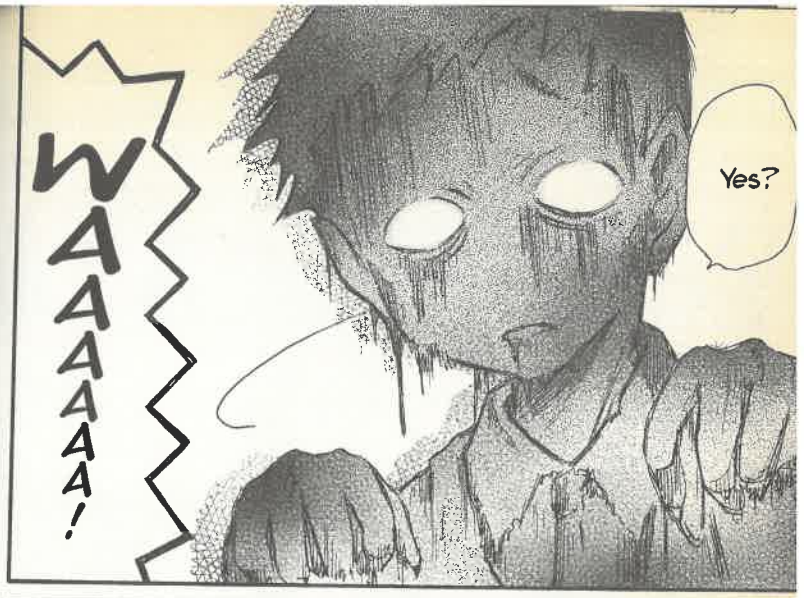
They are lost souls. What did you expect in a scary place like this?
What are those !?
Hey, there's someone over there!

Okay, everybody... let's go.

RRRUMBLE

This is the perfect place to find monsters for our haunted house, then!
I feel like we're in a haunted house or something ...

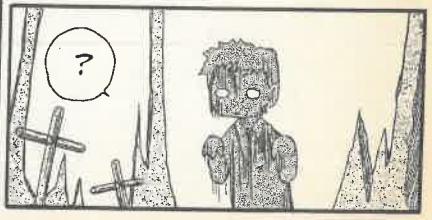
Whoa!
SLAM



WAAAAA!
Yes?

You ran first! I was just following you.
Why did you run? I thought we were looking for monsters!
Well, someone screamed really loud, and it surprised me!

It's a monster !!



?

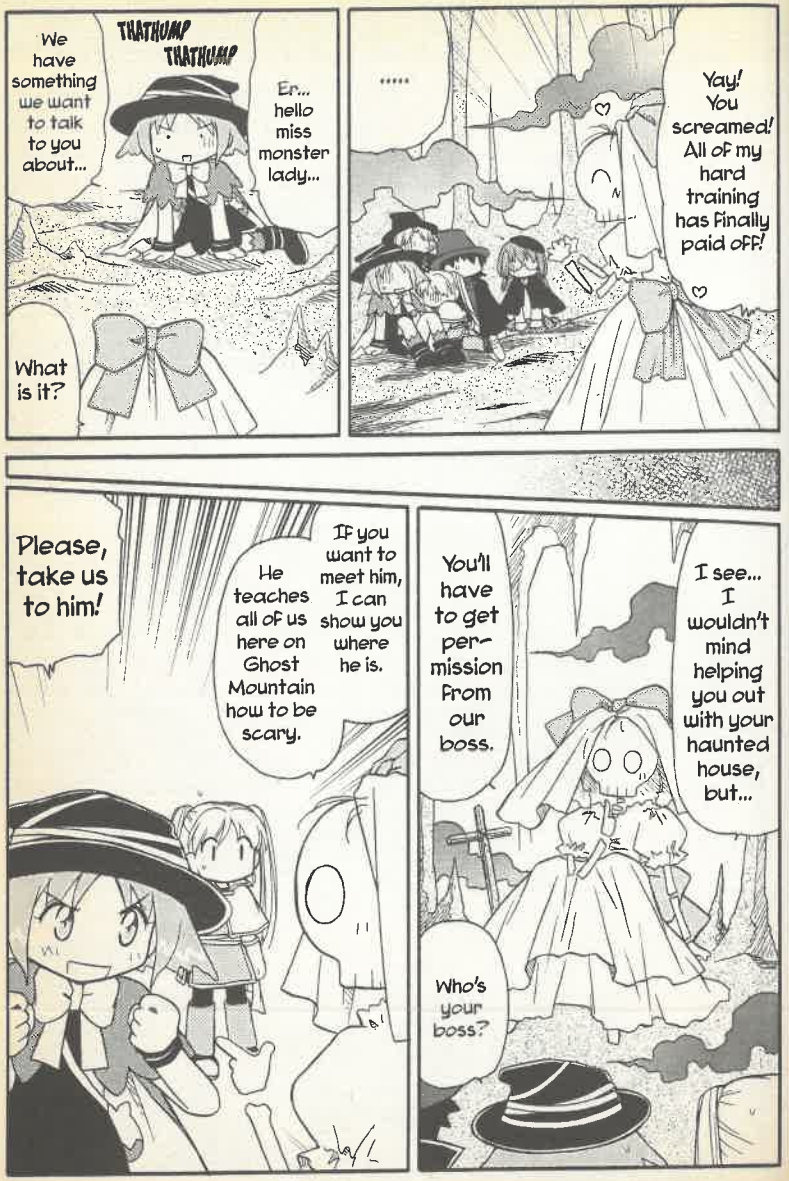
CLACK

We have to find a really scary monster to take back to school with us!
Anyway, we can't just keep running away!

PANT PANT
GASP We just got done saying that we can't keep running away...

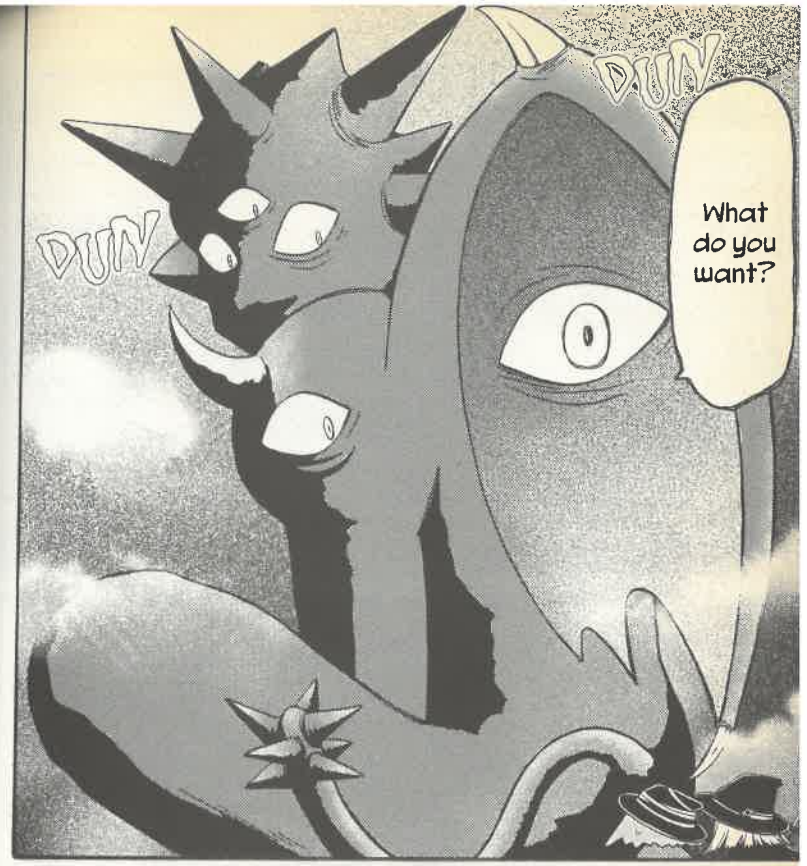
Can I help you?
CREEAK
EEEEE !!!
If you need something, please press this button.

FWIP



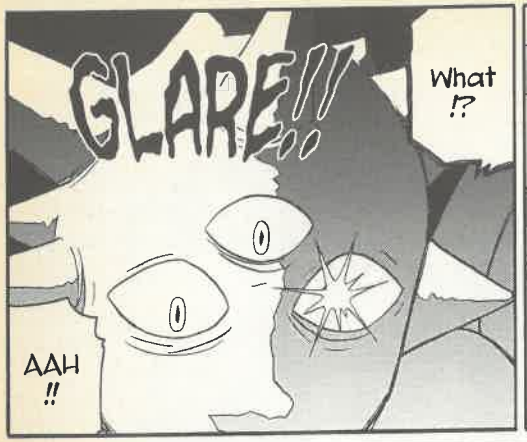
We have something we want to talk to you about...
THATHUMP THATHUMP
Er... hello miss monster lady...
What is it?
.....
Yay! You screamed! All of my hard training has finally paid off!
Please, take us to him!
He teaches all of us here on Ghost Mountain how to be scary.
If you want to meet him, I can show you where he is.
You'll have to get permission from our boss.
Who's your boss?
I see... I wouldn't mind helping you out with your haunted house, but...

What are you doing in a place like this?
She's so pretty ...
Who are you ....?
A girl!?
Me?
SHAK
EEEEE !!!
I'm here because...
I belong here!



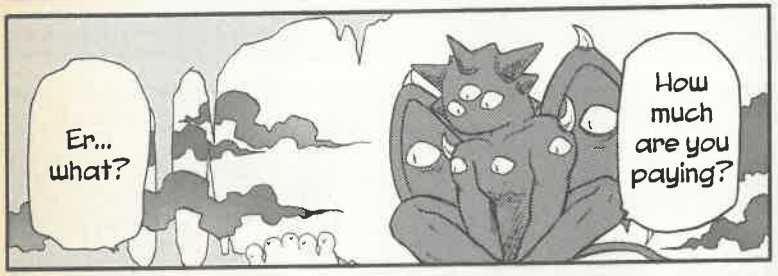
DUN
DUN
What do you want?

I want to go home now...
He's huge!!



GLARE!!
What !?
AAH !!

We're looking for monsters to make our haunted house scary, and...



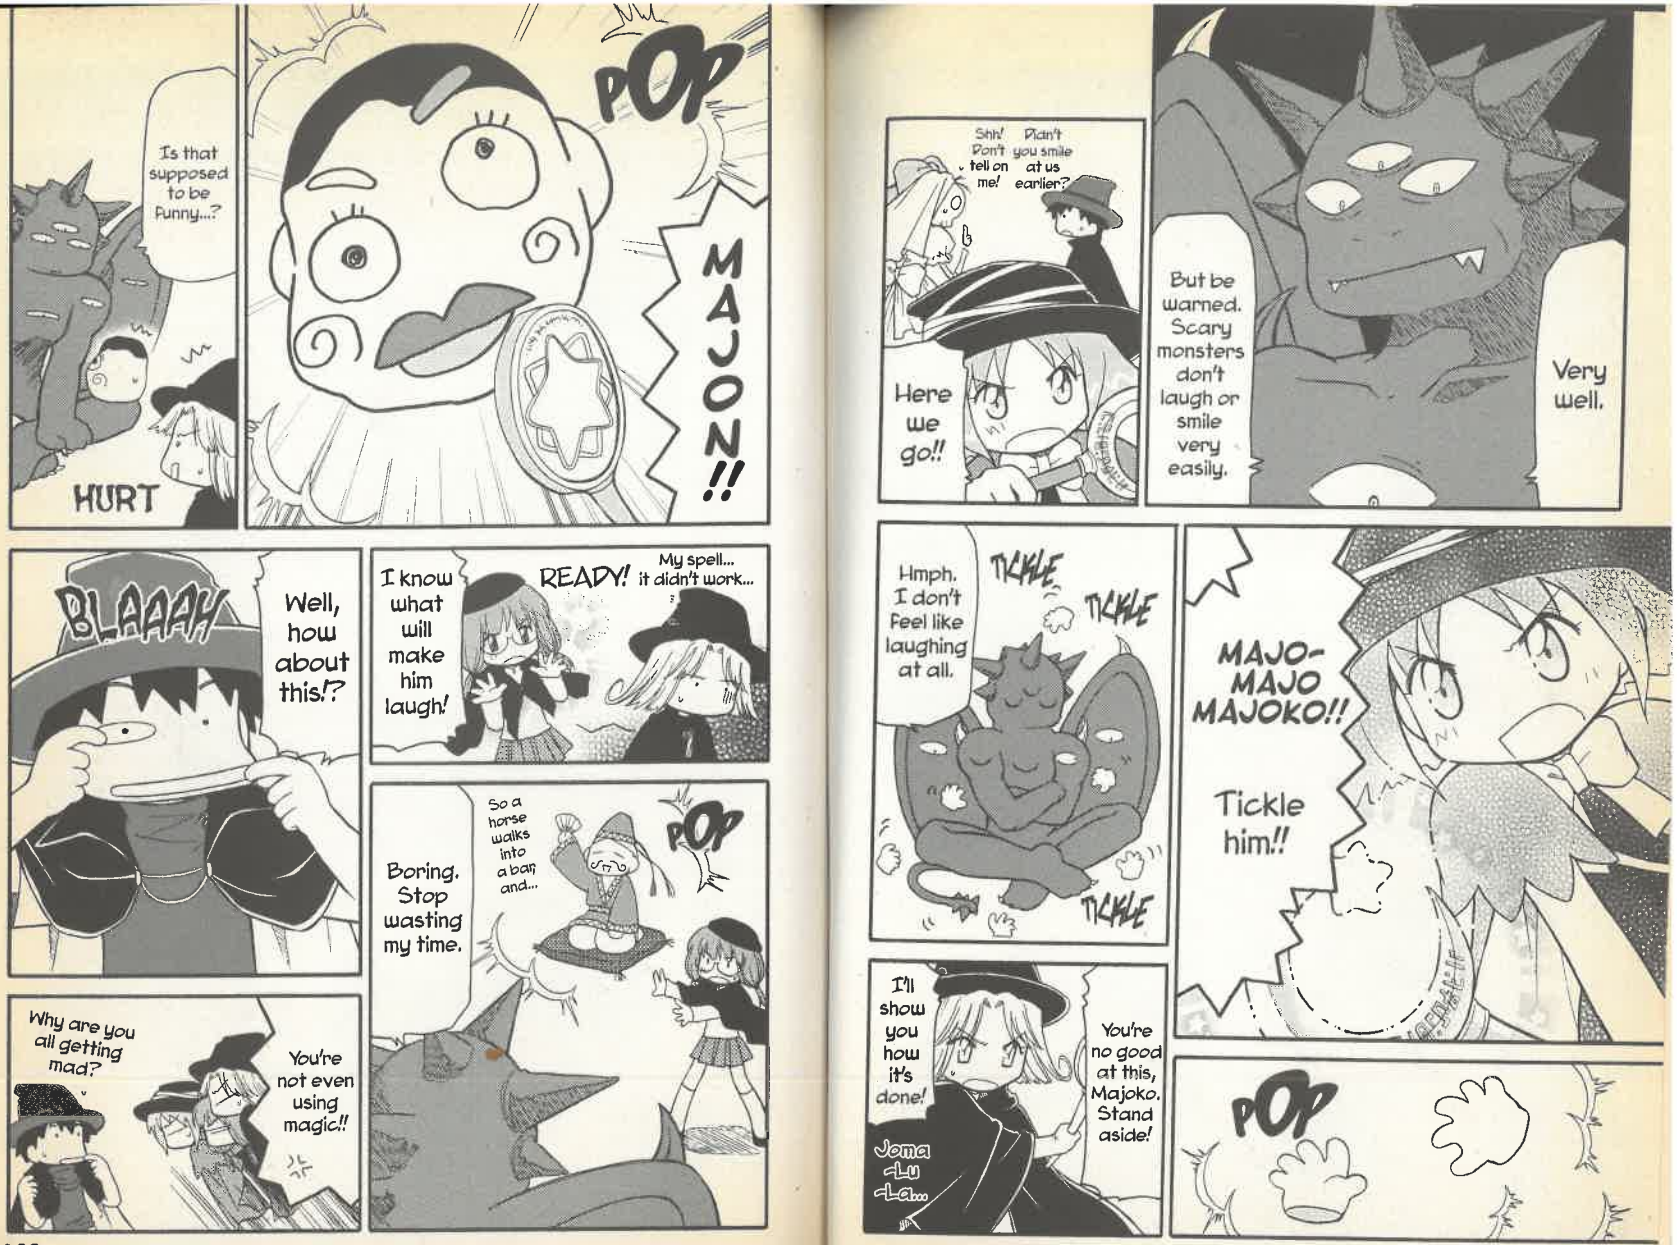
Er... what?
How much are you paying?

.....
We won't work for free.

EEE !!
I'm asking you how much the job pays!
LUNGE

Aw, come on!
Then forget about it.
How much would you want?
We don't have a lot of money, but we'd be willing to pay you...
What!? We don't have that much!
I'd say about three million stardust dollars.
Are you kidding me? What kind of scary monster would just do a favor for a bunch of kids?
Why can't we just help them out? It'd be a great way for us to see how much we've improved.
TWANG
Boss...
Listen, Boss...

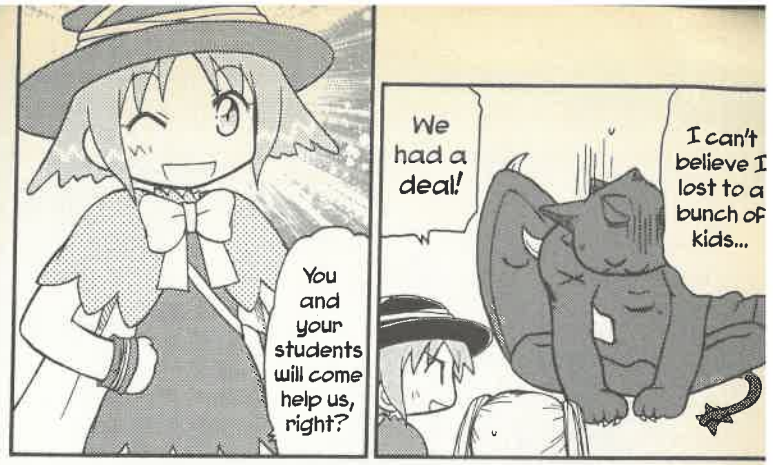
Inter-esting...
what's the contest?
If we win, you'll come work for us!
Don't under-estimate us just because we're kids! I challenge you to a contest!
Majoko!
What's the point of making them laugh!?
Oh, uhm... then we'll make you laugh!
Inter-esting...
I thought you came here because you think we're the scariest?
A contest to see who's scarier!



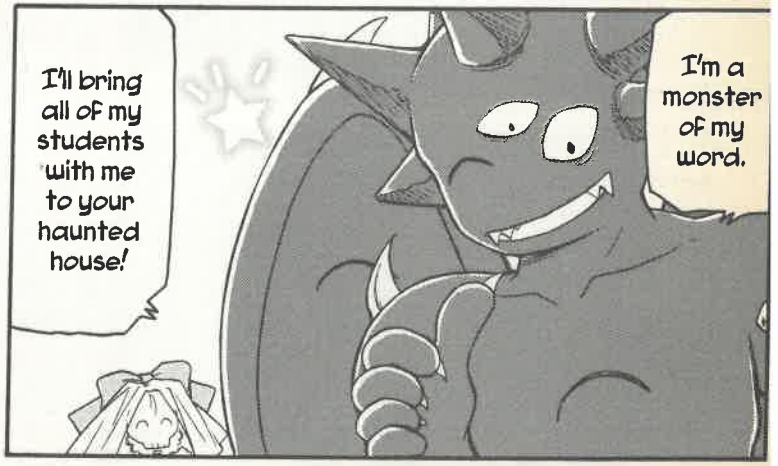
Is that supposed to be funny...?
HURT
POP
MAJON!!
Shh! Don't tell on me! Didn't you smile at us earlier?
Here we go!!
But be warned. Scary monsters don't laugh or smile very easily.
Very well.
BLAAAH
Well, how about this!?
I know what will make him laugh!
READY!
My spell... it didn't work...
Boring. Stop wasting my time.
So a horse walks into a bar and...
POP
Why are you all getting mad?
You're not even using magic!!
Hmph. I don't feel like laughing at all.
TICKLE
TICKLE
TICKLE
MAJO-MAJO MAJOKO!!
Tickle him!!
I'll show you how it's done!
Joma-lu-la...
You're no good at this, Majoko. Stand aside!
POP

SILENCE...
Boss...
HEH
That's the least scary ghost impression I've ever seen!
HAW HAW HAW! You fool!
BLINK
You did it, Nana!!
Agh! I didn't mean to laugh!!

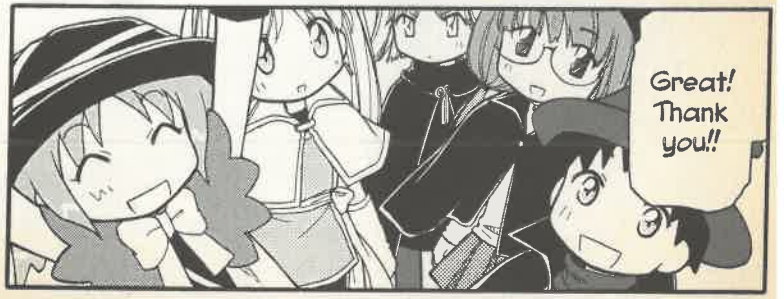
You can do it, Nana!
But I can't even use magic...!
What!?
Huh? Me!?
Your turn.
Er... well... I...
FLOOP
I'm a scaaary ghost!



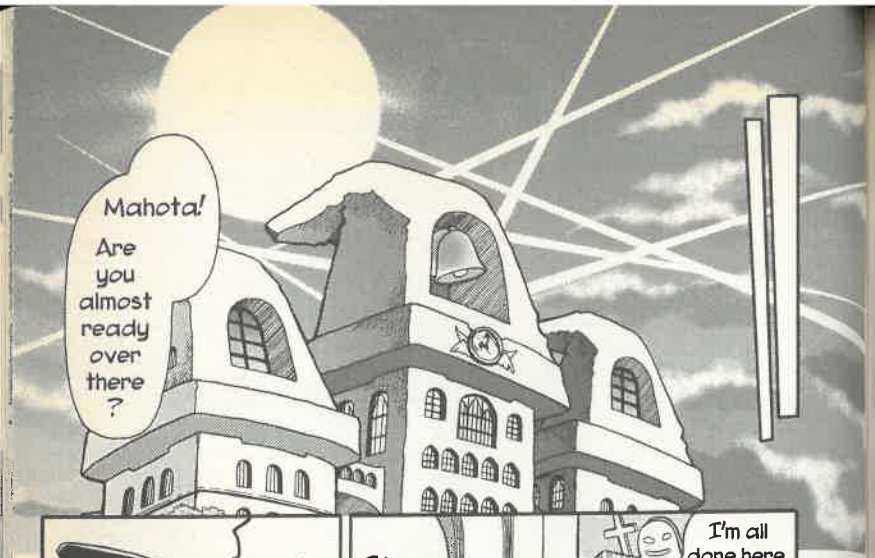
You and your students will come help us, right?
We had a deal!
I can't believe I lost to a bunch of kids...



I'll bring all of my students with me to your haunted house!
I'm a monster of my word.



Great! Thank you!!



Mahota! Are you almost ready over there?

We're in big trouble! Look outside!!
What's wrong, Majon?

I hope they remembered.
I'm all done here. Now we just have to wait for the monsters to get here!

Hey, everyone!
The big guy seemed really nice. I'm sure they'll keep their promise.

Whoa !!
We're here!
You brought all of these monsters ...?
If one of the teachers sees this, we'll be in big trouble!
Too late...

WHOOPS!

This is the BACK of the book!

The Big Adventures of Majoko is a comic book created in Japan, where comics are called **manga**. Manga is read from right-to-left, which is backwards from the normal books you know. This means that you will find the first page where you expect to find the last page! It also means that each page begins in the top right corner.

Now head to the other end of the book and enjoy **The Big Adventures of Majoko!**
